The Auk, 1889 **Chasing the Sun** Edward Joseph Beverly, 2008 Chasing the Sun is a guide to Western fiction with more than 1 350 entries including 59 reviews of the author's personal favorites organized around theme Restless Spurs Al Cody, 1975 The Englishman's Boy Guy Vanderhaeghe, 2009-03-17 From the national bestselling author of The Last Crossing a story that's by turns a western a critique of Hollywood and a novel of ideas The New York Times Book Review In 1920s Hollywood elusive producer Damon Ira Chance is obsessed with making movies rooted in American history and experience So after discovering that small time actor Shorty McAdoo is a real life cowboy and is even rumored to have played a role in the Cypress Hills Massacre Chance commissions ambitious young screenwriter Harry Vincent to find Shorty and retell his story But as Harry digs deeper into Shorty's life he uncovers a surprising tale of survival power greed and the seduction of dreams all with an ending that no one is prepared for A wonderful writer The Englishman's Boy is a great accomplishment Richard Ford An epic tale that brings together the American West before the turn of the century with the Hollywood of the 1920s Los Angeles Times Fascinating Vanderhaeghe seamlessly alternates two interconnected stories Masterful storytelling Entertainment Weekly A compelling yarn that delivers provocative intellectual content about the ways our tendency to mythologize history can prevent us from learning its lessons San Francisco Chronicle **The Primacy of Love** Paul J. Wadell, 2009-03-01 Thomas Aquinas was a man with a strategy not a strategy to assist us in good decision making or a strategy to help us resolve our problems of conscience but a strategy to work toward our personal transformation in light of God's love for us Aquinas has traditionally been represented as a man whose ethics are overly rational excessively formal and too scholarly to be of much use in contemporary society The Primacy of Love gives us a fresh look at his ethical thought and invites us to become part of his vision of the moral life as partners in God's perfect love Author Paul Wadell gives special attention to the role of the passions affections and emotions in our moral life and creates a richly humane and compelling study written in a clear and accessible style The Primacy of Love is a modern map for our own moral journey that is not so much something to study but a way of life in which to participate To follow this journey is to take up an adventure that will involve you from the center of your being and will change you forever **Appletons' Journal of Literature, Science and Art**, 1869 *Catalog of Copyright Entries.
