David, 2025-06-25 Thanks to a gift from God Ira Breitling has taken his followers off of Earth and colonized space But Breitling's followers are slowly discovering their differences So Ira takes his core followers beyond Planet America but one follower Mother Jones has decided to stay behind and colonize America A vast number of captives from the battle on Earth have been enslaved by Jones on America and it only took a generation for racism and cruelty to set in Summer Lund is a teenaged slave girl on Master Rice's farm Her mother bearing Rice's child fears that Summer will soon catch the eye of the slaveowner After a vicious encounter with Master Rice's oldest son Washington Summer flees the farm and learns of her people's past Her journey will bring a new era to light and change the course of Planet America Meanwhile after being duped by Fellowship members Rey Mann has been marooned in a far off frozen corner of Planet America He must survive with no technology and only his own wits to protect him living off the land for food and boiling ice and snow for water His survival is fueled by a vow of vengeance toward the men who tricked him but what he learns along his journey will bring him face to face with the God he now so vehemently denies And a new force of darkness is on its way to America hell bent on destroying the entire planet Continuing the exodus he began in *Judgment Day* James F David brings us new exciting tales of faith and redemption and the benefits of adhering to the teachings of Christianity even as Earth is destroyed and we begin to inhabit the far reaching universe At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

A World Away Michael John Law,2022-01-15 The 1950s and 1960s were a transformative period in Britain and an important part of this was how Britons lives were changed when they began flying abroad for their holidays In A World Away Michael John Law investigates how something that previously only the rich could afford became available to working class holidaymakers A World Away moves beyond the big players in the tourist industry and technical accounts of the airplanes used by tour operators to tell the histories of the people who were there both tourists and tour guides using their personal testimonies Until now there has been uncertainty about the identity of these new tourists some feared they were working class intruders who might invade the pristine destinations favoured by the elite others claimed that most were from the middle class Using new data derived from flight accident investigations Law explains the complex origins of these new flyers In British society this unprecedented mobility could not go unpunished and the new tourists were lampooned in books and newspapers aimed at the middle classes Law shows how popular culture movies and music influenced the decision to travel and what actually happened when these new holidaymakers went abroad Law investigates the package tour industry from its mid century origins through its inherent weaknesses governmental interference and unforeseen world events that contributed to its partial failure in the early 1970s A World Away provides the definitive account of this important change in postwar British society
