Restoring the Ancient Church Barry Robert Bickmore, 2013 Restoring the Ancient Church Barry Robert Bickmore, 1999 Breaking the Mormon Code Matthew A. Paulson, 2000-09 In Provo Utah there exists the Foundation for Ancient Research and Mormon Studies FARMS renowned as a Mormon think tank FARMS is owned and operated by Brigham Young University BYU and the Mormon Church Their mission seeks to repudiate the opposition applaud its supporters and justify many peculiar Mormon doctrines This book demonstrates that FARMS often twists the truths to justify Mormon doctrines To justify their position they often will utilize inane accusations misquotes and equivocation This collection of deceit from Mormon scholarship is what Matt Paulson has identified as the breaking of the Mormon Code **The New Mormon Challenge** Zondervan, 2010-12-21 Current facts about Mormonism Over 11 million members Over 60 000 full time missionaries more than any other single missionary sending organization in the world More than 310 000 converts annually As many as eighty percent of converts come from Protestant backgrounds In Mormon circles the saying is We baptize a Baptist church every week Within fifteen years the numbers of missionaries and converts will roughly double Within eighty years with adherents exceeding 267 million Mormonism could become the first world religion to arise since Islam You may know the statistics What you probably don't know are the advances the Church of Jesus Christ of Latter day Saints LDS is making in apologetics and academic respectability With superb training Mormon scholars outclass many of their opponents Arguments against Mormon claims are increasingly refuted as outdated misinformed or poorly argued The New Mormon Challenge is a response to the burgeoning challenge of scholarly Mormon apologetics Written by a team of respected Christian scholars it is free of caricature sensationalism and diatribe The respectful tone and responsible rigorous yet readable scholarship set this book in a class of its own It offers freshly researched and well documented rebuttals of Mormon truth claims Most of the chapter topics have never been addressed and the criticisms and arguments are almost entirely new But The New Mormon Challenge does not merely challenge Mormon beliefs it offers the LDS Church and her members ways to move forward The New Mormon Challenge will help you understand the intellectual appeal of Mormonism and it will reveal many of the fundamental weaknesses of the Mormon worldview Whether you are sharing the gospel with Mormons or are investigating Mormonism for yourself this book will help you accurately understand Mormonism and see the superiority of the historic Christian faith Outstanding scholarship and sound methodology make this an ideal textbook The biblical historical scientific philosophical and theological discussions are fascinating and will appeal to Christians and Mormons alike Exemplifying Christian scholarship at its best The New Mormon Challenge pioneers a new genre of literature on Mormonism The Editors Francis J Beckwith Carl Mosser and Paul Owen are respected authorities on the Church of Jesus Christ of Latter day Saints and the authors of various books and significant articles on Mormonism With contributors including such respected scholars as Craig L Blomberg William Lane Craig J P Moreland and others The New Mormon Challenge is as

Richard Mouw states in his foreword an important event for both Protestant evangelicals and Mormons that models to the evangelical community what it is like to engage in respectful and meaningful exploration of a viewpoint with which we disagree on key points Hebrew Roots of Mormonism David Thomas,2023-02-14 The Hebrew Roots of Mormonism describes Christianity's original roots in Hebrew traditions and culture then explains how Mormonism is the faithful inheritor of those traditions Following the death of the original twelve Apostles Christianity became fractured but when a young boy knelt to pray in the spring of 1820 revelations restored Hebrew Christianity to the earth as Mormonism **Talking Doctrine** Richard J. Mouw,Robert L. Millet,2015-07-09 A group of Mormon and evangelical scholars undertook a remarkable journey over fifteen years to discuss differences and investigate possible common ground in their beliefs With both candor and generosity these essays reflect the thoughtful respectful and nuanced engagements on some of the most controversial topics that have inflamed passions in the past In Defense of the Bible Steven B. Cowan,Terry L. Wilder,2018-11-26 In Defense of the Bible gathers exceptional articles by accomplished scholars Paul Copan William A Dembski Mary Jo Sharp Darrell L Bock etc addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture *By the Gift and Power of God* Leo Kappa,2018-06-12 Although Christian academics such as Dr Stephen Webb Margaret Barker and Richard Mouw classify the Latter Day Saints as Christian most ordinary believing Christians remain unaware of just how very Christ centered the LDS Church is and what a strong position the church holds scripturally and theologically Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon the prophet Joseph Smith the historic Christian apostasy and the prophecies of God's great and marvelous latter day work which is a new dispensation to set things rightnamely the restoration we announce to the world Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth **Joseph Smith** John G. Turner,2025-06-17 From an award winning biographer a riveting and deeply researched portrait of Mormonism's charismatic founder Joseph Smith Jr 1805 1844 was one of the most successful and controversial religious leaders of nineteenth century America publishing the Book of Mormon and starting what would become the Church of Jesus Christ of Latter day Saints He built temples founded a city state in Illinois ran for president and married more than thirty women This self made prophet thrilled his followers with his grand vision of peace and unity but his increasingly grandiose plans tested and sometimes shattered their faith In this vivid biography John G Turner presents Smith as a consummate religious entrepreneur and innovator a man both flawed and compelling He sold books land and merchandise And he relentlessly advanced doctrines that tapped into anxieties about the nature and meaning of salvation the validity of miracles the timing of Christ's second coming and the persistence of human relationships for eternity His teachings prompted people to gather into communities evoking fierce opposition from those who saw those communities as theocratic threats to

republicanism With insights from newly accessible diaries church records and transcripts of sermons Turner illuminates Smith's stunning trajectory from his beginnings as an uneducated impoverished farmhand to his ultimate fall at the hands of a murderous mob revealing how he forged a religious tradition that has resonated with millions of people in the United States and beyond

Early Christians in Disarray Noel B. Reynolds, 2005 This book takes a fresh look at the apostasy of the early Christian church Most Latter day Saint scholars and leaders previously based their understanding of the Christian apostasy on the findings of Protestant scholars who provided a seemingly endless array of evidences of apostasy in Christian history Since the classic treatments of this topic were written many newly discovered manuscripts written during the first Christian centuries have come to light giving a clearer picture of what the early Christian experience was like Drawing on this material LDS scholars today are able to shift the focus of study to the causes of the apostasy rather than the effects This volume of essays reports new research by several LDS scholars in different fields They identify common myths and misconceptions about the apostasy and promote better understanding of when and why the apostasy occurred
