Gospel Grace Foundations explores the central theme of forgiveness as taught by Jesus in the Gospels, particularly in Matthew and Luke. It emphasizes that forgiveness rooted in God's grace is not merely excusing wrongdoings but actively releasing resentment to foster reconciliation. The book highlights how Jesus' teachings, such as those in the Sermon on the Mount, challenged the prevailing societal norms of retribution in first-century Palestine, instead advocating for radical love and forgiveness even towards enemies. The book uniquely integrates rigorous biblical analysis with practical applications, providing actionable strategies for embodying forgiveness in daily life. It begins by establishing a theological foundation based on grace and reconciliation, then delves into specific parables and teachings of Jesus. By examining key passages and offering practical steps, Gospel Grace

Foundations aims to transform the understanding of forgiveness from an abstract concept into a tangible practice that promotes personal freedom and social harmony      **God Words Broken theology for broken people** Jacob
