

The background of the entire page is a photograph of a vast, flat, arid landscape, likely a desert or steppe. The ground is dry and brownish-yellow with sparse, low-lying vegetation. In the distance, there are faint, low hills or mountains. The sky is filled with soft, grey clouds, creating a hazy atmosphere. The overall tone is somber and expansive.

mujahid and terrorism were used during a military intervention in Tajikistan in 2010 The book includes long term ethnographic material popular pamphlets on Islam and an internet analysis of the conflict offering new insights into how concepts and experiences relate Since the end of the Soviet Union the people from the republic Tajikistan have struggled to find a place in the larger Muslim world a painful process unfolding in relation to global events discourses and politics The primary readership for the book will come from academia and policy makers The book presents novel material on a fascinating and highly important topic the nature of ostensibly Islamist political violence against the state in Tajikistan John Heathershaw
