The Devil's Playground Craig Russell, 2024-09-17 A riveting 1920s Hollywood thriller about the making of the most terrifying silent film ever made and a deadly search for the single copy rumored still to exist from the internationally acclaimed author of *The Devil Aspect* An excellent engrossing historical horror novel New York Times Book Review Rich and riveting a masterful thriller Lincoln Child 1 New York Times bestselling author Addictive A J Finn author of *The Woman in the Window* Totally engaging Kathy Reichs author of the Temperance Brennan series 1927 Mary Rourke a Hollywood studio fixer is called urgently to the palatial home of Norma Carlton one of the most recognizable stars in American silent film Norma has been working on the secret film everyone is openly talking about a terrifying horror picture called *The Devil s Playground* that is rumored to have unleashed a curse on everyone involved in the production Mary finds Norma s cold dead body and she wonders for just a moment if these dark rumors could be true 1967 Paul Conway a journalist and self professed film aficionado is on the trail of a tantalizing rumor He has heard that a single copy of *The Devil s Playground* a Holy Grail for film buffs may exist He knows his Hollywood history and he knows the film endured myriad tragedies and ended up lost to time *The Devil s Playground* is Craig Russell s tour de force a richly researched and constructed thriller that weaves through the Golden Age of Hollywood and reveals a blossoming industry built on secrets invented identities and a desperate pursuit of image As Mary Rourke charges headlong through the egos distractions and traps that threaten to take her down with the doomed production she discovers a truth far more sinister than she or we could have imagined **Befriend and Betray** Alex Caine, 2009-02-17 *The Hells Angels* The Bandidos Asian triads Russian mobsters and corrupt cops Even the KKK Just part of a day s work for Alex Caine an undercover agent who has seen it all Alex Caine started life as a working class boy who always thought he d end up in a blue collar job But after a tour in Vietnam and a stretch in prison on marijuana possession charges he fell into the cloak and dagger world of a contracted agent or kite infiltrating criminal groups that cops across North America and around the globe were unable to penetrate themselves Thanks to his quick wittedness and his tough but unthreatening demeanor Caine could fit into whatever unsavory situation he found himself Over twenty five years his assignments ran the gamut from bad ass bikers to triad toughs When a job was over he d slip away to a new part of the continent or world where he would assume a new identity and then go back to work on another group of bad guys Told with page turning immediacy *Befriend and Betray* gives a candid look behind the scenes at some familiar police operations and blows the lid off others that law enforcement would much prefer to keep hidden And it offers an unvarnished account of the toll such a life takes one that often left Caine to wonder who he really was behind those decades of assumed identities Or whether justice was ever truly served *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986* ,1987 **The Duel** Giles Hunt, 2008-01-30 The fateful duel of 1809 between Lord Castlereagh and George Canning is one of the great puzzles of 19th century British politics What made these two titans of the political scene

close colleagues and both highly effective members of the Cabinet draw arms against each other Canning was Foreign Secretary while Castlereagh was Secretary of State for War and the Colonies what were they thinking on that ominous morning and what was important enough to provoke two Cabinet ministers to such extraordinary behaviour This detailed history of the famous duel is the first to examine fully the careers of these two great men and the political conflicts that brought them to fire shots at each other on Putney Heath Drawing on previously overlooked private papers Giles Hunt traces what happened on that eventful day and its consequences for British politics Castlereagh is traditionally depicted as an old fashioned Tory reactionary Canning as a brilliant but ambitious liberal The Duel analyses how much truth there is in these descriptions and examines the roots of the political and personal rivalry which led these two men to face each other with pistols early in the morning of 21st September 1809 in one of the strangest and most significant duels of history **1920's**

The Garden ,1907 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,2003 Watching Sport Stephen Mumford,2013-03-01 Do we watch sport for pure dumb entertainment While some people might do so Stephen Mumford argues that it can be watched in other ways Sport can be both a subject of high aesthetic values and a valid source for our moral education The philosophy of sport has tended to focus on participation but this book instead examines the philosophical issues around watching sport Far from being a passive experience we can all shape the way that we see sport Delving into parallels with art and theatre this book outlines the aesthetic qualities of sport from the incidental beauty of a well executed football pass to the enshrined artistic interpretation in performed sports

such as ice skating and gymnastics It is argued that the purist literally sees sport in a different way from the partisan thus the aesthetic perception of the purist can be validated The book moves on to examine the moral lessons that are to be learned from watching sport depicting it as a contest of virtues The morality of sport is demonstrated to be continuous with rather than separate from the morality in wider life and so each can inform the other Watching sport is then recognized as a focus of profound emotional experiences Collective emotion is particularly considered alongside the nature of allegiance Finally Mumford considers why we care about sport at all Addressing universal themes this book will appeal to a broad audience across philosophical disciplines and sports studies
