Resurrection Life And Power:

Resurrection Life Now!: How to Rise Above It All and Live Life to the Fullest Anne Gimenez, 2012-10-02 Do you know what God has called you to do A lot of people dont know what to do or which way to turn But even if you pretty much know what you are supposed t do you may be having a terrible time trying to do it You may take a leap of faith and instead of landing on your feet you find yourself bottoms up You press forward two steps and get pushed back three steps Even though this may be going on around you or to you Jesus is still the answer and that is the truth In this book you will explore the reality of what that means to you right now living on planet Earth facing the world in which you life After all if Jesus doesnt make a difference then we all might as well sit down and quit Most of us have never comprehended that in Jesus we have a life of power and not just any kind of power This is power that raises dead things to life Resurrection power for a resurrection life and resurrection life is how Jesus is the answer By reading this book You can learn how to overcome the world and fulfill your divine destiny so grab hold of His Resurrection Life Now **The Power of the Resurrection** Francis Innocent Ootobo, 2012-09-29 The Resurrection of Jesus is one of the central beliefs of the Christian faith This belief and teaching cut across all the Christian denominations Hence Paul teaches that if Christ had not risen from the dead then we would have been the most foolish of all religious groups But the fact that He Christ died and came back to life gives us the opportunity to glory in the resurrected Christ The book The Power of the Resurrection is centered on the resurrection of Jesus and the meaning that this resurrection has for us as individual Christians who believe in the risen Lord It is not a theological work aimed at defining the resurrection nor is it a historical work aimed at tracing or verifying the veracity the resurrection No It is rather a faith lifting book on the basis of the resurrection story as we have it in the Christian bible Just as Jesus rose from the dead in the midst of all the opposing tides so shall those who trust in him rise above all opposing tides in their life Jesus could not be stopped so also by the grace of Him who rose from the dead nothing is going to stop your upliftment and manifestation also The resurrection shall be your experience in your daily life and at the end of time he who raised Jesus from the dead shall give life to your own mortal body too This is the argument of the book Jesus the son of God came into the world for the love of humanity His teachings were misunderstood and so through the journey to Calvary he was crucified and died on the cross on Calvary Yes he died The chief priests and the scribes and the Pharisees in conjunction with Pilate conspired against him He was sentenced to death He accepted the death willingly and lovingly He died that we might be saved Hence his death brought salvation to the world However before he died he promised the resurrection He did not hide the fact of the resurrection Openly he said the son of man shall be delivered into the hand of sinners he shall be put to death but on the third day he will rise again In another place he said destroy this temple and in three days I shall raise it up and there was misunderstanding again The people thought he was referring to the physical temple but from scripture we know he was referring to his body rising from the dead Thus he did spoke about the resurrection quite clearly This is where this book

hinges its weight Because he promised the resurrection after the execution the chief priests and the soldiers knowing what he was capable of doing asked the permission of Pilate for the grave to be guarded till the third day This is because he said on the third day I will rise again They knew that it could happen They said this man who gave sight to the blind who raised the dead Lazarus and also Jairus Daughter who cleansed lepers who casts out devils this same man said on the third day I will rise again And they concluded if he should rise again from the dead then it will be worse for us Hence they received the permission to guard the grave to prevent any rising from the dead Humanly speaking therefore the resurrection would not have been possible This is because they did everything to prevent it They put a very big stone to wedge the entrance hence no coming out and no going in More so they stayed on guard with weapons to prevent any fraudulent act They were prepared to kill again even if he should try to come out of the grave that is if he was able to overcome the wedging stone Therefore from the human point of view it was impossible By their calculation they have overcome they have conquered and they have become victorious

The Resurrection Life Myron S. Augsburger, 2005 The truth of a living Christ sets Christianity apart from all other religions How does Jesus resurrection impact our lives in the twenty first century Myron Augsburger contends that because Jesus is alive the power of God is current to transform our lives and empower us for authentic Christian living He stresses that the Christian life is one of relationship with Jesus and with the community of believers *The Power of His Resurrection* Arthur Anton Vogel, 1976

Finding Hope in This World of Turmoil Trevor Bartley, 2016-09-24 The resurrection message is the most important part of our belief system Without the truth of the resurrection message our faith is just another religion with no real substance The Resurrection sets Christianity apart This book is dedicated to establishing this truth The extent of the work of Christs resurrection is staggering However if there is one topic that is the central message of the Bible it is the sacrifice of Christ The Old Testament looks forward to it whereas the New Testament looks back at it We must be extremely careful not to allow these two ordinances to become routine in our Christian life communion and baptism and thereby reduce the significance of what Jesus did for us at his sacrifice and resurrection The greatest gift that anyone can be given is eternal life and the one that made that possible is Jesus In Christ we have victory provided we see ourselves dead to sin and raised together with him Even so consider yourselves also dead to sin and your relation to it broken but alive to God living in unbroken fellowship with Him in Christ Jesus Romans 6 11 AMP I have been crucified with Christ in Him I have shared His crucifixion it is no longer I who live but Christ the Messiah lives in me and the life I now live in the body I live by faith in by adherence to and reliance on and complete trust in the Son of God Who loved me and gave Himself up for me Therefore I do not treat Gods gracious gift as something of minor importance and defeat its very purpose I do not set aside and invalidate and frustrate and nullify the grace unmerited favor of God For if justification righteousness acquittal from guilt comes through observing the ritual of the Law then Christ the Messiah died groundlessly and to no purpose and in vain His death was then wholly superfluous Galatians 2 2021 AMP We need to remember that the story doesnt end with

Jesuss death He is currently in heaven in his resurrected body and one day he will return The resurrection of Jesus was an act of the supreme love of God Remember our identification is in who we are in Christ and his resurrection The Bible tells us in John 14 12 that the things Christ has done we can do and greater than these we will do because he goes to the Father The resurrection demonstrated Jesuss victory over the power of death and confirms there is life beyond the grave Jesus Christ offers us a resurrection power beyond ourselves that can make us alive it empowers us to overcome the limitations of this realm with an infused ability as we focus on the Spirit of power working within us I hope you receive much insight and revelation as you discover the wholeness of what Jesus achieved for you and me **Healing the Nations** John Loren

faith and all of human life Understanding the perfect sacrifice of our Lord and Savior Jesus Christ allows us to live life fully and freely even amidst intense pain deep suffering and adversity and frequent trials With a foundation deeply rooted in the love of Christ we are able to persevere on earth with endurance and patience knowing that if we hold fast to our faith in both the good and the trying circumstances of life we will one day share in the glory of Jesus Christ upon the day of His return This book uncovers unprecedented truth by examining life circumstances that produce dying moments for both the believer and the unbeliever recounting relevant biblical stories and addressing real life experiences in a perspective that engages the reader in necessary self reflection The devotional serves as encouragement for the diligent restoration for the weary comfort for the broken in spirit grace for the hardened of heart and mercy for the impenitent It is our prayer that the words shared in the first installment of the Life After Death series give a new found hope so that God can continue to use us all for His glory Keep fighting the good fight of faith

Power in Weakness Timothy G. Gombis, 2021-02-02 Envisioning cruciform community built on resurrection hope After Paul s encounter with the risen Christ on the road to Damascus he turned from coercion and violence to a ministry centered on the hope of Christ s resurrection In earthly terms Paul had traded power for weakness But as he explained in his subsequent letters this weakness was actually the key to flourishing community that is able to experience God s transformation restoration and healing What would it mean for pastors today to take seriously Paul s exhortation in 1 Corinthians 11:1 to imitate me as I imitate Christ and lead their congregations in this way Instead of drawing leadership principles and practices from the worlds of business education and politics which tend to orient churches around institutional power and image maintenance Timothy Gombis follows Paul in resisting the influence of the present evil age by making cruciformity the operating principle of the church Gombis guides the reader through practices and patterns that can lead a congregation past a focus on individual salvation toward becoming instead a site of resurrection power on earth
