The Cinema of Isolation Martin F. Norden, 1994 Filmmakers have often encouraged us to regard people with physical disabilities in terms of pity awe humor or fear as Others who somehow deserve to be isolated from the rest of society In this first history of the portrayal of physical disability in the movies Martin Norden examines hundreds of Hollywood movies and notable international ones finds their place within mainstream society and uncovers the movie industry's practices for maintaining the status quo keeping people with disabilities dependent and in their place Norden offers a dazzling array of physically disabled characters who embody or break out of the stereotypes that have both influenced and been symptomatic of society's fluctuating relationship with its physically disabled minority He shows us sweet innocents like Tiny Tim obsessive avengers like Quasimodo variations on the disabled veteran and many others He observes the arrival of a new set of stereotypes tied to the growth of science and technology in the 1970s and 1980s and underscores movies like *My Left Foot* and *The Waterdance* that display a newfound sensitivity Nordens in depth knowledge of disability history makes for a particularly intelligent and sensitive approach to this long overlooked issue in media studies

Liz C. David Heymann, 2011-04-04 Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen. C. David Heymann brings her magnificently to life in this acclaimed biography updated with a new chapter covering her final years. She was an icon, one of the most watched, photographed and gossiped about personalities of our time. Child star, daughter of a controlling stage mother, Oscar-winning actress, seductress, and eight-time wife, mother of four children and grandmother of ten, champion of funding for AIDS research, purveyor of perfumes and jewelry, close friend of celebrities and tycoons, Elizabeth Taylor for almost eight decades played most completely, beautifully, cunningly, flamboyantly, and scandalously her greatest role of all: herself. The basis of an Emmy Award-nominated miniseries, Liz portrays Taylor's life and career in fascinating revealing detail and includes an additional new chapter bringing her beloved fans up to date on her final years. By way of more than a thousand interviews with stars, directors, producers, designers, friends, family, business associates, and employees, and through extensive research among previously disclosed court, business, medical, and studio documents, bestselling author Heymann reminds readers of her very public escapades and unveils her most private moments. Here are the highs and lows of her film career and the intimate circumstances of her marriages to Nicky Hilton, Michael Wilding, Mike Todd, Eddie Fisher, Richard Burton, Senator John Warner, and Larry Fortensky. Here too is the truth about Taylor's father and her friendships with leading men, Montgomery Clift, James Dean, and Rock Hudson, as well as with the eccentric Malcolm Forbes and Michael Jackson. From her illnesses, injuries, weight issues, and battles against drug and alcohol to her sexual exploits, diamond-studded adventures, and tumultuous love affairs, this is the enormously contradictory and glamorous life of Hollywood's last great star.

Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade, but there is little available to young adults. For them, libraries become a place for work, the place to research an assignment or find a book for a report, but the thought of the library as a place for enjoyment is lost. So how do librarians recapture the interest of teenagers? This just might be the answer. Here you will find theme-based units such as *Cartoon Cavalcade*, *Log On at the Library*, *Go in Style*, *Cruising the Mall*, *Space Shots*, *Teens on TV*, and 44 others that are designed for young adults. Each includes a display idea, suggestions for local sponsorship of prizes, a program game to encourage participation, 10 theme-related activities, curriculum tie-in activities, sample questions for use in trivia games or scavenger hunts, ideas for activity sheets, a bibliography of related works, and a list of theme-related films. The units are highly flexible, allowing any public or school library to adapt them to their particular needs.

Leo McCarey Wes D. Gehring, 2005 This first full-length biography of a legendary and award-winning Hollywood writer, producer, and director, *Duck Soup*, *My Favorite Wife*, *An Affair to Remember*, *Going My Way*, and *The Bells of St. Mary's*, explores the director's life as filtered through his art. Gehring maintains that McCarey's films were often a reworking of his antiheroic self. In addition, the apparent diversity of his films actually represents an interrelated web of various comedy genres and a pattern of antiheroic characters and themes.
