Rethinking Goodness:

Rethinking Goodness Michael A. Wallach, Lise Wallach, 1990-07-05 Arguing that a psychological basis for ethics can be found in human motivation Rethinking Goodness proposes a naturalistic ethics that transcends the conflict between liberalism and authoritarianism the conflict between freedom at the price of narcissism and morality at the price of coercion The authors offer a third option an ethic broader than liberalism s pursuit of the personal that avoids jeopardizing as do authoritarian positions the centrality of individual autonomy

Rethinking College Education George Allan, 1997 Not a method of turning your degree back in and having your loans forgiven but an argument that by becoming vocational schools measured by reduced cost and efficient production colleges and universities are neglecting their essential purpose The reason for college education says Allan is to provide an environment within which students can absorb the moral practices that determine how they can acquire and evaluate knowledge best conduct their lives and become responsible adults He maintains that such learning requires imagination dialogue conversation and cultured intercourse Annotation copyrighted by Book News Inc Portland OR

Taking Your Soul to Work R. Healing Souls Eric G. Swedin, 2022-08-15 In this first history of psychotherapy among the Latter day Saints Eric G Swedin describes how modern psychology has affected the healing of souls in the LDS community But he also shows how this community melded its theological doctrines with mainstream psychiatry when secular concepts clashed with fundamental tenets of Mormonism The psychological professions pervasive in twentieth century American society were viewed as dangerous by some religious communities Healing Souls describes the LDS community s mixed feelings about science and modernity while valuing knowledge Mormons feared a challenge to faith Nonetheless psychology courses were introduced at Brigham Young University and LDS psychotherapists began to introduce new ideas and practices to the community Swedin portrays the rise of professional organizations such as the Association of Mormon Counselors and Psychotherapists as well as the importance of Allen E Bergin first director of the BYU Institute for Studies in Values and Human Behavior Bergin and others paved the way for the LDS adoption of professional psychotherapy as an essential element of their cure of souls Important chapters take up LDS psychopathology feminist dissent LDS philosophies of sexuality and the LDS rejection of mainstream psychotherapy s selfist psychology on the basis of theological doctrines of family salvation eternalism and the natural man Healing Souls contributes to a more complete historical picture of the mental health professions in North America and a better understanding of how religious traditions and psychology

have influenced each other *Human Dignity in Contemporary Ethics* David G. Kirchhoffer, 2013 Human Dignity in Contemporary Ethics develops a holistic and relevant understanding of human dignity for ethics today Whilst critics of the concept of human dignity call for its dismissal and many of its defenders rehearse the same old arguments this book offers an alternative set of methodological assumptions on which to base a revitalized and practical understanding of human dignity which at the same time overcomes the challenges that the concept currently faces The Component Dimensions of Human Dignity model enables human dignity to serve both as a descriptive category that explains moral choices and as a normative criterion that helps to evaluate moral behaviour A consideration of two cases violent crime and physician assisted suicide demonstrates how the model offers a way to avoid the pitfalls of both moralism and moral relativism while still leaving space for relativity in ethics By using an approach that should be acceptable to both religious and secular perspectives alike this book offers a unique way out of the dignity talk that currently plagues ethics **Homilies in a New Key** Harvey D.
