Retief Emissary To The Stars:

Retief Keith Laumer, 1986 Retief top agent of the CDT is sent to Froom 93 Delicia and other planets to stop the advances of the aggressive Groaci Retief: Emissary to the Stars Keith Laumer, 2016-03-24 THE CORPS DIPLOMATIQUE TERRESTRIENNE HAS NEVER SEEN HIS LIKE Retief the most diplomatic diplomat of the 27th century His mission to gain control of the most desirable planet in the universe without triggering intergalactic war He tries talking but how does anyone even Retief negotiate with an uninhabited planet He tries a dice game but how does gambling help the solar peace organization prevent the malevolent Basurans who've eaten their own planet from turning to Terra's prize colony for an after dinner snack The problems Retief faces are just beginning but as insurmountable as they seem the indomitable adventurer prevails and keeps the state of the universe on an even keel *The Stars Must Wait* Keith Laumer, 2016-03-24 Awakened from suspended animation aboard his exploration starship John Jackson is shocked to discover that the ship never left Earth and that he has slept a century after a world war Facing a nightmare wilderness inhabited by neo barbarians and sentient tanks Jackson is the only man who can bring the world to its senses **Retief's Ransom** Keith Laumer, 2016-02-29 Lumbaga is a planet without known virtues but with some decidedly odd natives For every Lumbagan is simply an arbitrary assortment of semi independent organs inspired by a lust for mayhem But even the most undesirable chunk of galactic real estate attracts its quota of rival overlords and the fiendish Groaci had a scheme for absorbing Lumbaga into their sphere of influence It was working well too until it involved Retief Terran diplomat extraordinary To his powerful intellect the machinations of the Groaci were child's play Retief's War Keith Laumer, 2016-03-24 The twenty seventh century planet of Quopp is a world where Earthmen walk cautiously or not at all The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons Plans are afoot to place these singular beings under a single government friendly to Earth But Jame Retief officer of the distinguished Corps Diplomatique Teresstienne a supra national organization devoted to keeping the peace has discovered that evil forces are undermining the whole scheme Deviously sincere uncompromisingly venal fearlessly cowardly Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse *Retief and the Rascals* Keith Laumer, 2016-02-29 Terran diplomat and interplanetary troubleshooter Jame Retief must stop the belligerent five eyed Groaci from invading the beleaguered planet of Bloor which is already plagued by violence between rival gangs **Retief in the Ruins** Keith Laumer, 2016-03-24 It's a rare day when Terrans meet eye to eyestalk with the slimy little sticky fingers or that is to say the noble alien Groaci This time the races clash on the planet Popu Ri once the home of a mighty interstellar power Popu Ri has sunk into decline but its ancient treasures remain Though not for long if the Groaci have their way Groaci also finds Popu Ri just the place to build a galactic warfleet Still for the Corps Diplomatique Terrestrienne to respond would threaten the delicate balance of human Groaci forces on the cocktail circuit Therefore the ambassador must keep the lid on by doing

nothing But how to do nothing without seeming an ineffectual pantywaist Send an observer Yep the Ambassador has it all figured out But he made one little mistake he sent Retief **The Return of Retief** Keith Laumer,2016-03-24 PLANET AFTER PLANE FELL TO THE REE A vast and powerful race the Ree needed breeding room for an ever increasing population and their expansion plans took no account of human territory The farmers and miners of Tip Space were helpless against the Ree invasion Still the Terran diplomats dithered holding back the Navy hoping for a truce Retief already on probation for undiplomatic behaviour earned himself the assignment parleying with the Ree when he urged force against them A suicide mission Perhaps but Retief is Retief Retief and the Warlords Keith Laumer,2016-02-29 Across the galaxies against wrongdoers and rogues Only Retief the indomitable champion of the underdog and 27th century diplomacy can seal the peace between the battling earthlings and the lobster like aliens known as the Haterakans In constant peril the daring spacewarrior must join a pirate band cross the fatal boundaries of the Terran Defense League and take on his arch rivals Foulbrood and Bloodblister Facing certain torture double dealing and ruthless espionage he passes within inches of death But he must emerge victorious or the Hatracks will waste no time in executing their berserk plan to raise earthlings as a food supply *Retief: Ambassador to Space: Seven Incidents of the Corps Diplomatique Terrestrienne* Keith Laumer,2016-02-29 How are thing on Rockamorra Bad very Earth Ambassador Pinchbottle has contracted to fight a dinosaur and it s up to troubleshooter Jame Retief to keep him from being stomped mangled or eaten Things are tough on other planets too with a civil war on Skweem a dying race om Sulinore and mudstorms on Schweinhund s World These seven stories show the Galaxy s hippest diplomat at his unexpected and jaunty best **The Other Side of Time** Keith Laumer,2016-02-29 BLINDING LIGHT NOISE BEYOND SOUND A JOURNEY INTO NOTHINGNESS Imperial Intelligence Agent Brion Bayard was catapulted into nothingness by an unknown force and woke to find himself in a universe not his own Surrounded by hulking cannibalistic ape men who called themselves Hagroon Bayard was soon entrapped in a web of time lines He found himself running from the Hagroon into the arms of Dzok the educated monkey man of Xonijeel transported by Dzok to a universe where Napoleon the Fifth was in power and left there to the tender powers of the beautiful witch Olivia struggling with the bonds of a fictitious past always striving to regain his lost universe of Zero zero Stockholm so he could bring the warning which might save his world from sudden violent death **Night of Delusions** Keith Laumer,2016-03-24 It starts out as a weird but seemingly understandable assignment bodyguarding a mad politician whose keepers have decided to let him escape as a sort of reality therapy But to understand the Senator Florin must enter the Machine an reality will never be the same From now on he s a Knight of Delusions **Zone Yellow** Keith Laumer,2016-02-29 Brion Bayard once of our own timeline and now Imperium Agent extraordinaire had been on some pretty dangerous missions before but never had he encountered so noxious a foe as the invading legions of giant plague ridden rats who walked like men spreading disease across the multiple universes of the Imperium Unless Bayard can travel to the original world of the long tailed invaders and stop the plague at its source

the Earth of the Imperium and all the other Earths in all the universes will fall before the verminous hordes from a timeline that should never have existed in the first place *The Galaxy Builder* Keith Laumer,2016-03-24 The world as Lafayette O Leary knew it disappeared in a flash Perhaps it was his own doing after all he had the uncanny gift of creating alternate realities by sheer mental power But the result was a nightmare gone out of control All O Leary wanted was to find his wife and return to the familiar world of Artesia Yet no sooner did he manage to extricate himself from one bizarre situation than he was thrust into another equally threatening There was only one thing to do he had to penetrate the very center of power from which his destiny was being controlled and take it into his own hands **Dinosaur Beach** Keith Laumer,2016-02-29 Appearing from the remote future Nexx Central agent Ravel is emplaced in America circa 1936 His mission to undo successive tamperings of the time stream which threaten the survival of Mankind He falls in love with a lovely simple girl Lisa but in the midst of his happiness is called away to Dinosaur Beach Dinosaur Beach is a Nexx Central station located millions of years in the past in the Jurassic Age But shortly after Ravel s arrival the station is attacked and destroyed and Ravel begins a terrifying odyssey through time For the attackers were another time tampering team from still a different future era And Ravel himself is not only in growing danger but the human world as we know it **The Time Bender** Keith Laumer,2016-03-24 Draftsmen can t fight dragons Then again that s usually no problem they generally don t have to But Lafayette O Leary does When an accidental overdose of self hypnosis wrenches him out of the dull but safe Mrs MacGlint s Clean Rooms and Board and deposits him in the feudal bedragoned world of Artesia it takes him a little while to catch on even with the attentions of the beautiful Princess Adoranne Then he decides that he likes this new life of his except for the part where he s supposed to get killed The World Shuffler Keith Laumer,2016-02-29 TWAS BORING IN ARTESIA or so thought Sir Lafayette O Leary ex craftsman from Earth and now seemingly ex interdimensional swashbuckler extraordinaire as well His battles were all won his dragons all slain and life was just the same boring round of riches royal hunts and regatas Boring boring boring until he walked past the azalia Suddenly Artesia was gone and O Leary was trapped in Melange a world of giants and pirates karate chopping hags and electronic flying carpets a world where goons and harlots are the spitting images literally of his own aristocratic Artesian associates And because they think he s his double lots of his new friends want O Leary dead Unless he can get through the interdimensional gate and find the continuum path back home O Leary s life will never be boring again Just short **Time Trap** Keith Laumer,2016-03-24 ABE LINCOLN IN AFRICA He was seen and photographed in a Tunisian bazaar And an ancient Spanish galleon fully crewed with ancient Spaniard was taken in tow off Tampa by the Coast Guard and a few luckless people found themselves living the same day over and over and over Something was badly wrong with Time but Roger Tyson didn t know it until he met the lovely agent from elsewhere and started on a mad chase through the dimensions plagued by a motley bunch of temporal castaways and pursued hotly by Oob the Rhox Galactic Odyssey Keith Laumer,2016-02-29 Billy Danger had gone past hitting the skids now he was freezing to

death in a blizzard So he took shelter in a corn silo that turned out to be a disguised alien starship and woke up light years from Earth **Catastrophe Planet** Keith Laumer, 2016-04-28 The Earth was in shambles after the final quake had leveled the cities For Mal Irish the last hold on reality was the embossed gold coin he had taken from the pocket of the dead man the man who with his last breath had told him of mastodons buried in ice and men who weren't human Once in possession of the coin Mal found himself on a mysterious quest which led him to discover even stranger things the girl who spoke the language of another world the city under the ocean floor and the deadly little men who followed him He was in the power of something beyond his understanding and he meant to find out its source before it put him to its own unfathomable uses
