Curry, 1978 **Retired Dallas Police Chief, Jesse Curry Reveals His Personal JFK Assassination File** Jesse E. Curry, 1969 Book by Jesse Curry who was police chief of Dallas when JFK was assassinated **Oswald Talked** Ray La Fontaine, Mary La Fontaine, 1996-01-31 Investigative journalists present explosive new evidence connecting the accused JFK assassin to the CIA and to his own killer Journalists Ray and Mary La Fontaine have uncovered significant new evidence in the Kennedy assassination evidence that substantiates the existence of a conspiracy and that suggests Lee Harvey Oswald was framed for the president's murder In **Oswald Talked** they establish a crucial link between Oswald and Jack Ruby the CIA and other government agencies Among the evidence uncovered here is a Department of Defense card showing that Oswald was employed by the US government after his discharge from the Marines testimony by a man who altered photos of Oswald for the official investigation and arrest records and names of the three enigmatic vagrants who have been at the heart of several conspiracy theories Most significant of all the La Fontaines speak with John Elrod who was arrested the day of Kennedy's assassination and kept in a cell next to Oswald's His incarceration had been hidden by the FBI for decades In **Oswald Talked** they reveal what Elrod learned from Oswald himself that day *Honest Answers about the Murder of President John F. Kennedy* Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject **Catalog of Copyright Entries. Dallas 1963 Bill Minutaglio, Steven L. Davis, 2013-05-28. This essential work unearths the various fringe elements rampant in Dallas in the years leading up to JFK's assassination. Kirkus. Named one of the Top 3 JFK Books by Parade Magazine. By November 22nd, 1963, Dallas was brewing with political passions; a city crammed with larger-than-life characters dead set against the Kennedy presidency. These included defrocked military general Edwin A. Walker, the world's richest oil baron H. L. Hunt, the leader of the world's largest Baptist congregation W. A. Criswell, and the media mogul Ted Dealey, whose family name adorns the plaza where the president was murdered. In the background were gangsters, politicians, civil rights heroes, and a millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis explore the forces that led many

to warn President Kennedy to avoid Dallas They lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death Here at long last is an accurate understanding of what happened in the weeks and months leading to John F Kennedy's assassination Dallas 1963 is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical polarizing ideologies can poison a city and a nation Winner of the PEN Center USA Literary Award for Research Nonfiction Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast

The JFK Assassination Debates Michael L. Kurtz, 2006 William L Kurtz delivers a comprehensive thought provoking book about the various theories surrounding the JFK assassination favoring the conspiracy theory himself **Lbj the Dallas Incident** Dr. John Chandler Griffin, 2013-08-01 The Kennedy Incident November 22 2013 will mark the 50th anniversary of the greatest crime ever committed in this great nation the assassination of John F Kennedy the president of the United States Then two days later the man accused of having committed that crime Lee Harvey Oswald was also murdered shot down in the Dallas Police Headquarters by mob thug Jack Ruby The nation was aghast How could such things happen in 20th century America Ah but not to worry President Lyndon Baines Johnson immediately announced the appointment of a blue ribbon committee chaired by none other than the Chief Justice of the Supreme Court Earl Warren to discover just how such murders could have happened in Dallas Texas in 1963 Known as the Warren Commission it was a committee whose judgment could not be questioned But then a year later the WC issued its report known as the Warren Commission Report and almost immediately citizens from one end of the country to the other were yelling questions charged questions that insulted both the WC's judgment and its objectivity As though that were not bad enough A few months later a New York attorney Mark Lane hired by Oswald's mother to vindicate her son published his myth shattering book *Rush To Judgment* The Warren Commission was blown out of the water But still no satisfactory answers were forthcoming Lyndon Baines Johnson and his political sycophants were very happy to blame Oswald for the entire tragedy Anyone but themselves Then in New Orleans rose a new challenge District Attorney Jim Garrison began his investigation into the murders But again the Federal Government reared its ugly head State governors across the nation were advised to ignore subpoenas to testify in Garrison's trial And in almost every instance those governors obeyed their orders Other essential witnesses simply committed suicide Garrison himself was pilloried and held up to ridicule by the national news media Still he persisted In the end with no witnesses to testify Garrison's trial ended in not guilty verdicts Still after 50 years he remains the only person ever to bring anyone to trial for the murders that occurred in Dallas some fifty years ago In this book based on the evidence and testimony associated with the murders of Kennedy and Oswald I have tried to present events as they actually occurred and show who was truly behind them And I do so with no apologies to anyone I will say that my heart goes out to Marina Oswald and her two daughters June Lee and Rachel May God be with them *Investigating the Kennedy Assassination* Robert Lockwood
