**Secrets of the Apostles** W.C. Hinzie,2011-09-07 This study describes the lives of the twelve disciples called by Jesus Christ for training repentance and transformation into effective and spirit filled apostles They were charged with establishing the Church of Jesus Christ in the hostile world of Jewish Greek Roman and many other groups of intense unbelievers They were laymen untrained in deep Jewish doctrine but practiced as businessmen and filled with zeal for the Jewish Messiah to return They wanted to be a part of his new kingdom and expected major roles in ruling Israel They became the first of many converts to see that the Jews had missed the heart of Gods message and the new message was that they would die to their own minds wills and emotional structures and replace it with the will of their Father through the Holy Spirit Jesus taught them for more than ten thousand hours of practical ministry teaching and supernatural endowment during their time together This is considerably more hours than it takes to achieve a doctorate in theology today In this time they were still

incapable of standing up to the Jewish authorities until endued with power from on high at Pentecost These secrets which the apostles found in their ministries will help the disciple who is serious about transforming his or her life and knowledge of the Gospel into effective ministry

Translating Nephesh in the Psalms into Chinese Hui Er Yu,2018-08-31 This interdisciplinary study tackles the controversy of translating nephesh by using an intergenerational translation team to deepen our understanding of this term and providing a more valuable translation in Chinese especially for use in specialist Children s Bibles Traditionally nephesh is often translated in the Bible as soul but despite the limitations of this popular rendering it has led Christians in Chinese contexts to falsely understand views regarding the nature of human beings as a trichotomy Dr Hui Er Yu s study offers different options for translating nephesh using the context of where the word appears in Scripture as well as in reference to linguistic and cultural meanings in Chinese contexts The findings in this book will help to remove anthropological misunderstandings among many Chinese Christians related to nephesh as a result of historic translation decisions Dr Yu takes a unique approach to translation by using an intergenerational Bible translation team ranging from seven to fifty one years of age which not only demonstrates the importance of intergenerational ministry but also presents a way to fulfill the growing need for well translated Children s Bibles in China for thousands of young believers This book provides important lessons for the many translation projects working towards Children s Bibles but also for how translation of biblical terms can be better reached through this intergenerational process

GOD'S ETERNAL PURPOSES FOR MANKIND James V. Robertson BS ThM DD,2023-11-29 As a young man I read many books and took many courses of study in pursuit of God s purposes for mankind and wished there was a book that covered most of the major themes in the Bible As you may have correctly suspected I never found such a book and decided to work to provide that vital resource for not only aspiring young people but people of every age believers and unbelievers in particular parents caregivers teachers ministers

of the gospel and government officials This book outlines in clear terms the purposes for which the Living God Jehovah our Creator made man including the motivation He experienced Sections that will gain special attention are the constitution of man and the nature of angels topics theologians have debated for generations Apostle Peter in his salutation to all saints said Grace and peace be multiplied unto you through the knowledge of God and of Jesus our Lord According as His divine power has given us all things that pertain unto life and godliness through the knowledge of Him that has called us to Glory and virtue 2 Peter 1 2 3 The teaching of this book will assuredly provide prayerful readers a guide to receiving the manifold provisions of God for the needs they experience in life and ministry Christian Women and Modern China Li

Ma, 2021-01-28 *Christian Women and Modern China* presents a social history of women pioneers in Chinese Protestantism from the 1880s to the 2010s The author interrupts a hegemonic framework of historical narratives by exploring formal institutions and rules as well as social networks and social norms that shape the lived experiences of women This book achieves a more nuanced understanding about the interplays of Christianity gender power and modern Chinese history It reintroduces Chinese Christian women pioneers not only to women's history and the history of Chinese Christianity but also to the history of global Christian mission and the global history of many modern professions such as medicine education literature music charity journalism and literature *The Man God Shook* Kenneth C. Rowley, 2018-06-12 Nothing gives significance and purpose more than developing intimacy with God That is why this book *The Man God Shook* can be dynamic in your journey I love reading this brilliantly written book the honesty of the pastor the struggles he endured being physically shaken for years and his coming out the other side in the presence of God Kent Parker Oh wow so many points I loved it all Scripture notes from other pastors personal stories step by step to get to certain ideas so many things touched me I can't give just one detail I like the way it was all joined together Amazing Judy Treherne I was around when God shook the man What I remember the most is bringing a man that was addicted on crack cocaine in the front door of the church for deliverance The shaking man laid eyes on him and immediately the Power of God blazed through him and the addict fell and was so plowed by the Holy Ghost that he literally could not stand up It was sooo powerful and awesome He would try to get up and could only crawl on his hands and knees while drunkenly say we're having church and it's not even Sunday What a POWERFUL deliverance I shall never forget it That man left set free from addiction Brenda Reed *The Church as Safe Haven*, 2018-11-23 *The Church as Safe Haven* conceptualizes the rise of Chinese Christianity as a new civilizational paradigm that encouraged individuals and communities to construct a sacred order for empowerment in modern China Once Christianity enrooted itself in Chinese society as an indigenous religion local congregations acquired much autonomy which enabled new religious institutions to take charge of community governance Our contributors draw on newly released archival sources as well as on fieldwork observations investigating what Christianity meant to Chinese believers how native actors built their churches and faith-based associations within the pre-existing social networks and how they appropriated Christian
