they got to the Heart of the Forest they used its power to fight Shadow wraiths They beat the wraiths in a fierce fight and locked Malachai up in a living tree in the forest After the Nephilim won their grandmother Elara led them to protect the Heart of the Forest They had a stronger connection to nature and came up with new ways to talk to the forest and the animals that lived there Through festivals and traditions they celebrated their unity and passed on Elara s heritage to future generations The Nephilim and Malachai watched over the Enchanted Forest for a long time The Nephilim loved nature and the forest was a safe place for magical beings Over the years the story of Nephilim has become a beloved tale of love friendship and a strong desire to protect nature s beauty Because they were able to stay alive in the remote part of the Enchanted Forest it would always be a magical and interesting place This is how the story starts In a secret part of the Enchanted Forest the Nephilim lived as part of an old magical society These supernatural people had superpowers and a strong link to nature They were a mix of humans and animals from the forest The Nephilim had lived in peace for years while watching over the Enchanted Forest In the Enchanted Forest the Nephilim could be told apart from other creatures by their emerald green eyes that sparkled like old tree leaves Their presence showed the strange and powerful links between people and the magical creatures that lived in the forest They were the forest s best guardians because they could hear the wind whispering the river singing and the animals secrets There was magic in the air in the Nephilim Village which was right in the middle of the Enchanted Forest This village showed how the Nephilim lived their unique lives and how peaceful nature can be They built their homes out of live trees so they would look like they were in the forest Plants and vines covered the treetop bridges that connected the homes and the town felt alive with forest life The Nephilim Village was built around the huge Great Oak whose branches reached high into the air This old tree was not only a natural wonder but also the basis of The Nephilim s way of life The Nephilim had a strong link to the area they watched over which was shown by the deep roots of the Great Oak Nephilim got together under its big canopy to make important choices talk about the past and enjoy their unique existence Nature was always dancing with the people who lived in the Nephilim Village From dawn until dusk the Nephilim took care of the people who lived in the Enchanted Forest Following the forest s rules they took care of the animals and plants The Nephilim danced with fireflies and sang songs that went with the plants when the moon was out Nephilim way of life has been respected for many years It was taught to all Nephilim children how to use their magic and live in balance with nature With their old knowledge and experiences the village leaders took care of and protected the Nephilim s unique way of life There were some problems with The Enchanted Forest The Shadow wraiths were a threat to the peaceful lives of the Nephilim These evil beings who were the exact opposite of Nephilim would do anything to get power They didn t like the Nephilim because they were connected to the magical realm and they wanted to use the magic in the forest Nephilim and Shadow wraiths have been fighting between light and dark for a very long time The Nephilim watched over the forest because they had special skills and a strong link to nature The Shadow wraiths on the other hand planned to use the power in

the forest to make trouble Malachai a once good Nephilim who had been harmed by black magic was in charge of the Shadow wraiths He was skilled with shadows and his green eyes which used to shine like the forest were now dark Malachai hated his old clan and wanted the Great Oak s power to make him unbeatable Even though Shadow wraiths were always a threat the Nephilim kept living their way As long as they were together and loyal to the Enchanted Forest they could fight any evil that came after their world Nephilim s story developed like a classic tale in this remote part of the magical Forest It showed the power of harmony nature and the unique way that humans and the magical world interact with each other Their beautiful emerald green eyes shone like the old trees in the forest drawing attention to the Nephilim With these eyes they could talk to animals in the forest like old wise owls and naughty squirrels They were the forest s best guardians because they could hear the wind and the river s songs and secrets People believed that the Nephilim s green eyes showed how they felt about the magical world and how much they respected nature s order in the forest The Heart of the Forest gave them these beautiful eyes as a sign that they were keepers The eyes of a Nephilim were like the heart of the Enchanted Forest Besides being beautiful these green eyes were a big part of how the Nephilim connected with the people who lived in the forest The Nephilim had a strong link with them because their emerald eyes helped them understand what animals in the woods needed The Nephilim could understand what animals like mice running through the trees or deer drinking from a clean stream were not saying They formed an eternal bond with the animals that lived in the woods The green eyes of the Nephilim were a language that all species in the Enchanted Forest spoke every day They asked wise old owls in old trees for advice about the slight changes in the forest s energy The Nephilim told the squirrels stories and secrets which made them laugh and have fun The Nephilim mingled with both nature and the animals that lived in the woods The sounds of the air moving through the leaves the muttering of the river and the rustling of the grass spoke a language that only they could understand Emerald eyes led them through these natural melodies showing them the secrets of the forest and telling them what to do as guardians of its delicate balance During times of danger or chaos the Nephilim used their unusual ability to understand what animals were saying in the forest The bright green eyes would make people feel hopeful and motivated The Nephilim used their strong link to nature to protect the Enchanted Forest When the wind or the river sang a warning song they knew that an attack was coming The people were moved by the Nephilim s green eyes They kept telling them about their holy connection to the forest and the huge duty that came with it They were very serious about their job as the chosen guardians of a magical world Nephilim s green eyes showed how beautiful the Enchanted Forest and its animals were not just how they looked These eyes held stories told for generations tree knowledge from long ago and shared happiness They lived to show how strong love is how peaceful life can be and how beautiful nature is In the Enchanted Forest was the beautiful Nephilim Village They lived in homes made of living trees and waterfalls that blended in well with their settings The treetop homes were linked by vine woven bridges and the community felt alive with wildlife The Nephilim Village showed

that natural and supernatural people can live together There the building and the beauty of the forest came together to take a stunning picture Over many years living trees were shaped into homes in the town The Nephilim respected the forest and wanted to live in harmony with it as shown by these beautiful homes To keep the Nephilim safe strong roots built walls beautiful branches built roofs and the leaves of the trees made natural canopies These homes were both useful and nice to look at Each one was different and fit in with the trees The sparkling waterfalls in the treetop houses put on a beautiful show of light and sound These waterfalls gave the Nephilim and people who lived in the bush clean fresh water and beautiful views Everyday life in the village was joined by the soothing sound of running water which reminded people of the Nephilim s deep connection with water The Nephilim could walk through their village with style because vine woven bridges joined the homes that were high up in trees Like the community these vine bridges were live paths that changed over time As they blew in the wind their beautiful designs which were made by hand decorated the town The sounds of the forest came to life as night fell in the Nephilim Village The trees were lit up by the lovely glow of fireflies flying around The Nephilim got together under the stars to tell stories enjoy their special way of life and connect with the forest s power which made the town come to life The Great Oak a huge tree with very tall branches was the center of the Nephilim Village This old tree was more than just a focal point it was Nephilim s link to the wild and power The Nephilim had a strong link to the area they watched over which was shown by the deep roots of the Great Oak The Nephilim made important choices and were happy under the tree s thick cover which reminded them of their job as guardians of the Enchanted Forest Instead of just giving people a place to live the Nephilim Village showed their beliefs and care for the environment It showed that they thought buildings and nature could live together The village was full of life having been formed by generations of Nephilim who knew how to balance their needs with those of the jungle The Nephilim admired the beauty of the Enchanted Forest in this magical society where people and nature lived together The best time for them was when their homes were mixed in with the trees The building and environment of the Nephilim Village danced together to show love unity and the beauty of nature With its tall branches the Great Oak was the village s center Nephilim got together here to make important choices and enjoy their unique way of life A lot of Great Oak roots connected the Nephilim to the land they guarded The Nephilim had a close connection with the Enchanted Forest which was shown by the Great Oak Its huge size made them think of their holy job as forest keepers The Nephilim came here every day to get wise calm and find their mission The Great Oak s big branches and thick leaves made a protective canopy that let light into the meeting area As the Nephilim talked and celebrated whispering leaves sounded around them As they stood under this natural temple they felt connected to the heart of the Enchanted Forest and at peace The Nephilim were able to reach the land they had sworn to protect because of the Great Oak s deep roots The roots showed that Nephilim had a long history of being connected to the forest They showed that they cared about keeping the Enchanted Forest s delicate balance Under the Great Oak choices were made about what would happen to the Enchanted Forest A circle

of Nephilim would meet under the tree's huge branches. Their emerald eyes would show that they were wise and determined. They respectfully and together talked about their choices because they knew they would affect the forest and the people who lived there. The Nephilim were proud of their own way of life at the Great Oak. At celebrations, feasts, and get-togethers held under its tall branches, fireflies lit up the night and the river sang happy songs. The Nephilim remembered how beautiful the Enchanted Forest was and felt safer because of these gatherings. The Nephilim looked to the Great Oak for help and comfort when they didn't know what to do or when things were hard. As they touched the tree's rough bark, they could feel how wise it was. When people were in trouble, the Great Oak seemed to speak forest magic that would calm and strengthen them. Along with being a place to meet, the Great Oak inspired and stood for hope. The Nephilim used its height as a beacon to remind them that they were not the only ones protecting the Enchanted Forest. They felt stronger because of the tree and they knew that they could never be separated from the forest and its power. The Great Oak and the Nephilim watched over the Enchanted Forest all year. It stood watch over the village, its branches moving with the wind of change and its roots firmly rooted in the ground, keeping the Nephilim on track with their goal. It was fun and exciting to live in the Nephilim Village. It was a holiday every day to honor their special bond with the Enchanted Forest and their love of nature. The Nephilim loved being forest guards and the magic of their lives from dawn until dusk. During the Nephilim's time, they worked hard to make the forest better. They took very good care of the animals in the forest, from tiny bugs to large hunters, to make sure they would live. It was a way of life that was rooted in nature and based on love instead of duty. As the sun went down and the moon lit up the forest, the Nephilim danced with fireflies under the old trees. Their beautiful ethereal dances matched the magic of the forest. Beautiful patterns of light were cast around them by fireflies, making a scene that made it hard to tell the difference between reality and your dreams. The Nephilim's nighttime dances were more than just fun; they showed that they were one with nature. They danced among the trees to honor the magic that linked them to the animals in the forest and to each other from a long time ago. Fireflies were drawn to the Nephilim's light and joined the dance, making a beautiful pattern.

Mt. St. Helens and the Secret of the Bar-Roo Forest Fran Curtin Gieseke, 2004-09-30. Come with me to the Bar Roo Trees, a place which may or may not be meant for just your eyes to see and live within your memory. There are seven Bar Roo Forests on earth; two are in the state of Washington on Mt. St. Helens and Mt. Rainier. Mana planted them all. He came from the planet Anon, a planet of volcanoes. He was the hope of their world to find a new home for the Hibble Gibbles, a race of creatures very friendly and hairy with feet that are at least 2 feet long. Mana's favorite forest was the one at Mt. St. Helens, that is where he chose to live his earth life. There is great magic in the Bar Roo forest; everyone speaks the same language. Much of the magic is more of a feeling that the trees are listening to everything. Share the adventure of the Hibble Gibbles as they find a new home, outsmart their enemies, the Giant Termites, face the eruption of Mt. St. Helens, and find out the secret of the Bar Roo Forest.
