Secular Jinnah Saleena Karim,2005-01-01 One of the most famous books in Pakistan the late Chief Justice Muhammad Munir s *From Jinnah to Zia* 1979 has finally received the ultimate rebuttal from a British born Asian using only one piece of evidence Saleena Karim tells the story of how a point of curiosity based on little more than an issue of grammar led her to the startling discovery that a quote used by Munir and attributed to Jinnah is in fact a fake Furthermore this quote has also been used by a number of Pakistani professional writers and scholars none of whom have thought to check the original transcript of the interview Munir supposedly quoted from Over twenty five years after the release of *From Jinnah to Zia* the author shows us how much damage the Munir quote has done not only in terms of twisting the facts of history but now in exposing the intellectual dishonesty of Pakistani scholarship Saleena Karim names those who have quoted Munir as well as discussing the other myths about the founder of Pakistan Mohammad Ali Jinnah and sets the record straight *Jinnah vs. Gandhi* Roderick Matthews,2012-11-30 The modern history of South Asia is shaped by the personalities of its two most prominent politicians and ideologues Mohammad Ali Jinnah and Mahatma Gandhi Jinnah shaped the final settlement by consistently demanding Pakistan and Gandhi defined the largely non violent nature of the campaign Each made their contribution by taking over and refashioning a national political party which they came to personify Theirs would seem therefore to be a story of success yet for each of them the story ended in a kind of failure How did two educated barristers who saw themselves as heralds of a newly independent country come to find themselves on opposite ends of the political spectrum How did Jinnah who started out a secular liberal end up a Muslim nationalist How did a God fearing moralist and social reformer like Gandhi become a national political leader And how did their fundamental divergences lead to the birth of two new countries that have shaped the political history of the subcontinent This book skilfully chronicles the incredible similarities and ultimate differences between the two leaders as their admirers and detractors would have it and as they actually were **The Muslim World Book Review** ,2007 The British National Bibliography Arthur James Wells,2006
