Welcome to Planet Earth Hannah Beaconsfield,2011 At this time in the development of the Earth species the brain mind does not have a large enough data acquisition and computing capacity to take in the multidimensions of the walk in process The characteristics of these dimensions would allow for many types of spirit activity on the Earth plane beyond the simple actually simplistic explanation of a single soul unit changing places with another single soul Spirit and consciousness are more fluid and variable than your world has considered We will tell you that spirit guides and guardian angels surround everyone who is participating in these expanded spirit processes The increasing number of walk ins at this time is in service to the ascension or step up in consciousness of the species These participants can always call on guides for assistance We Pleiadians are guides in the project We are always available and we wish you peace The Pleiadian Light

The Ascension Manual for Planet Earth David Hrostoski,2018-10-31 This first book from Burgiel of Sirius Channeled by David Hrostoski draws a clear line in the spiritual sand The First Paradigm The Second Paradigm While The First Paradigm is rooted in fending for oneself The Second Paradigm recognizes that to take care of the whole is not only for the highest benefit of all life including oneself but is actually the only way forward as a species This is a thorough look at these two paradigms and a walkthrough of the full transition from a self centered struggle for survival and personal gain through specific stages of awakening and growth and into a whole centric paradigm built on a grounded spiritual framework that ensures the future of humanity This is *The Ascension Manual for Planet Earth*

*Cosmic Ascension* Joshua David Stone,1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth s history there is a new opening and potentiality to also begin one s cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary

ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book      **Understanding Ascension** Zandriel,Shilea,1993
