## See Through The Scriptures:

**See Through the Scriptures** H. N. Wendt, 1993      See Through the Scriptures Harry N. Wendt, 2003      **Seeing Through Religion** Nathan McGovern, 2025-09-19

Seeing Through Religion is a cutting edge textbook designed to help students in their study and research of the world's religious traditions. Providing the tools to learn this valuable subject theoretically, McGovern argues that religion isn't a thing out there in the world; it's the glasses on your face through which you see the world shaped by Western history and in particular Christianity. By exploring the major religious traditions and comparing stereotypes about them to reality, this textbook establishes how the lens of religion systematically distorts our perception of the world. Topics covered include: What Is Religion? Colonialism and the Two Faces of Orientalism. Islam Does Fear Imply Difference? Buddhism: A Philosophy or a Religion? Hinduism: A Polytheistic or a Monotheistic Religion? Chinese Religion: What Is It and Where Can We Find It? Indian Religions: How Can One Religion Include Another? Tibetan Buddhism: Is It Still Buddhism? Judaism: A Religion or an Ethnicity? Indigenous Traditions: What Gets Counted as a Religion? Secularism: Can We Put Religion in a Box? How is the way we think about religion influenced by the theology of Martin Luther? How does the Christian paradigm of religion distort our perception of Christianity itself? This textbook not only provides a survey of important religious traditions but also guides the reader on how to study religion in a methodologically sophisticated way. This innovative volume is essential reading for those who want a contemporary and engaging approach to the study of world religions.

**See Through the Scriptures Student Workbook** H. N. Wendt, 2003      **Animals as Seen Through God's Eyes** Dwila R. Funk, 2014-06-30

Have you ever wondered what happens to your beloved pet when he or she dies? Will you ever be able to see him or her again in heaven? Or have you been plagued by the disturbing thought that animals are only here on earth for our enjoyment in this life but when they die that is it for them and they are gone forever? This haunted me for decades until I finally got up enough courage to seek out the truth for myself. I went to the word of God to conduct my own research. This book is the result of my quest to find the truth about how God really sees animals and His plan for them. I was astounded by the wealth of information that God shares in the Holy Bible regarding animals. The answers are there hidden in His word. All anyone needs to do is look.

Out of Galilee M. Darrol Bryant, 2018-04-20

Out of Galilee: The History of Christian Thought as a Great Conversation is an ambitious exploration of Christian thought over two millennia. It discloses the remarkable unity in diversity of the thought of women, monks, mystics, men, philosophers, and theologians who are seeking to unfold the meaning and mystery of divine intention in Jesus Christ. From the first century in Galilee to the early apologists such as Irenaeus, from Augustine's Confessions to the mystic voices of Hildegard of Bingen and Teresa of Avila, and to reformers such as Martin Luther and John Calvin, Christians have sought to understand the Christian vision and unfold paths of spirituality. The quest continues among Pietists, among Puritans such as Jonathan Edwards, and among Methodists. Together

with modern thinkers such as Schliermacher and contemporaries such as Thomas Berry and Abhishiktanada these notable figures have woven the living narrative of Christian thought You will find them all here in accessible language intended for a generalist audience Avoiding technical language Out of Galilee reveals the essential contributions of each to the story of Christian thinking through the ages

[A Peculiar Glory](#) John Piper,2016-03-16 God has provided a way for all people not just scholars to know that the Bible is the Word of God John Piper has devoted his life to showing us that the glory of God is object of the soul s happiness Now his burden in this book is to demonstrate that this same glory is the ground of the mind s certainty God s peculiar glory shines through his Word The Spirit of God enlightens the eyes of our hearts And in one self authenticating sight our minds are sure and our hearts are satisfied Justified certainty and solid joy meet in the peculiar glory of God

**Opening Israel's Scriptures** Ellen F. Davis,2019-06-03 Opening Israel s Scriptures is a collection of thirty six essays on the Hebrew Bible from Genesis to Chronicles which gives powerful insight into the complexity and inexhaustibility of the Hebrew Scriptures as a theological resource Based on more than two decades of lectures on Old Testament interpretation Ellen F Davis offers a selective yet comprehensive guide to the core concepts literary patterns storylines and theological perspectives that are central to Israel s Scriptures Underlying the whole study is the primary assumption that each book of the canon has literary and theological coherence though not uniformity In both her close readings of individual texts and in her broad demonstrations of the coherence of whole books Davis models the best practices of contemporary exegesis integrating the insights of contemporary scholars with those of classical theological resources in Jewish and Christian traditions Throughout she keeps an eye to the experiences and concerns of contemporary readers showing through multiple examples that the critical interpretation of texts is provisional open ended work a collaboration across generations and cultures Ultimately what she offers is an invitation into the more spacious world that the Bible discloses which challenges ordinary conceptions of how things really are

**Seeking Psychology in Scripture** Shannon Martindale,2012-12-18 While languishing in the desert of depression

devout Christian Shannon Martindale assumed her complete healing would be the result of her faith. Exercising the principles offered by scripture which previously sustained her through the challenges of divorce, single parenting, family deaths, remarriage and infertility, she entered the valley of sorrow searching for spiritual replenishment yet still remaining unhealed. Guidance finally came by discovering the origin of her disorder physiologically residing in an over sensitive nervous system. Through a psychiatrist who combined Christian therapy with an international self help organization emphasizing the essential necessity of balance, today she maintains her mental, emotional and spiritual health by avoiding extremes. She now leads a normal life integrating Christianity and psychology in this personal account of her successful recovery offered for all who have walked the path of uncertainty frequently experienced by depressed Christians.

Valuable insights into key disputed topics from a veritable who's who of evangelical scholars. In this volume, thirty-seven first-rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it. Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor, editor D. A. Carson assigned the topics that these select scholars address in the book. After an introduction by Carson to the many facets of the current discussion, the contributors present robust essays on relevant historical, biblical, theological, philosophical, epistemological, and comparative religions topics. To conclude, Carson answers a number of frequently asked questions about the nature of Scripture, cross-referencing these FAQs to the preceding chapters. This comprehensive volume by a team of recognized experts will be the go-to reference on the nature and authority of the Bible.
