as His Testimony Witness Lee, 2025-03-11 In order to be the Lord's up to date expression the church must never become old Rather we should be renewed day by day to be new in the spirit in life in the Lord's testimony in His way and in His leading We should never be the same as we were before We must forget the things which are behind and pursue toward the goal As the up to date expression of the Lord we need to pay our full attention to three matters First we must pay attention to the divine life and the growth in life Second by the Lord's mercy we must do whatever we can to help every member to participate in the practical church service Third we must help every member to function in the meetings This is the way to be the church in reality by having the growth in life by every member participating in the practical service of the church and by every attendant in the meetings functioning in a living way
