SEEDS OF TREASON

The True Story of the Chambers-Hiss Tragedy

RALPH de TOLEDANO

Seeds Of Treason True Story Of The Hiss

Donald T. Critchlow

Seeds Of Treason True Story Of The Hiss:

Seeds of Treason Ralph de Toledano, Victor Lasky, 1950 *Seeds of Treason. The True Story of the Hiss-Chambers Tragedy, Etc.* Ralph DE TOLEDANO (and LASKY (Victor)), 1950 Seeds of Treason; the True Story of the Hiss-Chambers Tragedy, by Ralph de Toledano Ralph de Toledano, **The Conservative Turn** Michael Kimmage, 2009-07-31 The Conservative Turn tells the story of postwar America's political evolution through two fascinating figures Lionel Trilling and Whittaker Chambers who went on to intellectual prominence sharing the questions crises and challenges of their generation Kimmage argues that the divergent careers of these two men exemplify important developments in postwar American politics the emergence of modern conservatism and the rise of moderate liberalism Speaking Freely Floyd Abrams, 2006-04-04 The rights guaranteed in the First Amendment including freedom of expression are among the fundamental touchstones of our democracy In *Speaking Freely* Floyd Abrams who for over thirty years has been our most eloquent and respected advocate for uncensored expression recounts some of the major cases of his remarkable career landmark trials and Supreme Court arguments that have involved key First Amendment protections With adversaries as diverse as Richard Nixon and Wayne Newton and allies as unlikely as Kenneth Starr Abrams takes readers behind the scenes to explain his strategies the ramifications of each decision and its long term significance presenting a clear and compelling look at the law in action

Anti-Communism in Twentieth-Century America Larry Ceplair, 2011-10-05 This compelling critical analysis of anti communism illustrates the variety of anti Communist styles and agendas thereby making a persuasive case that the threat of domestic communism in Cold War America was vastly overblown In the United States today communism is an ideology or political movement that barely registers in the consciousness of our nation Yet merely half a century ago communist was a buzzword that every citizen in our nation was aware of a term that connoted traitor and almost certainly a characterization that most Americans were afraid of Anti Communism in Twentieth Century America A Critical History provides a panoramic perspective of the types of anti communists in the United States between 1919 and the collapse of the Soviet Union It explains the causes and exceptional nature of anti communism in the United States and divides it into eight discrete categories This title then thoroughly examines the words and deeds of the various anti Communists in each of these categories during the three Red Scares in the past century The work concludes with an unapologetic assessment of domestic anti communism This book allows readers to more fully comprehend what the anti communists meant with their rhetoric and grasp their impact on the United States during the 20th century and beyond for example how anti communism has reappeared as anti terrorism Alger Hiss and the Battle for History Susan Jacoby, 2009-03-24 Books on Whittaker Chambers and Alger Hiss abound as countless scholars have labored to uncover the facts behind Chambers's shocking accusation before the House Committee on Un American Activities in the summer of 1948 that Alger Hiss a former rising star in the State Department had been a Communist and engaged in espionage In this work the author turns her attention to the

Hiss case including his trial and imprisonment for perjury as a mirror of shifting American political views and passions **A Treasure Chest of Hidden History** Rusty Glover, 2013-09-16 As a high school history teacher for the past 25 years I have collected and read hundreds of books pertaining to my subjects taught On the completion of each book I would carefully take notes on the most interesting events quotes or interpretations that I felt would enhance instruction for my students After filling numerous notepads of information on over 800 books I contemplated a project of sharing my most interesting findings The result of this twenty plus year project is this book This book is divided into 16 chapters based on the various topics presented Some chapters contain a small amount of entries such as Nicknames Espionage or Labor while chapters on the Presidents or quotes will fill over thirty pages The first chapter puts emphasis on the role my home state of Alabama has played on the national scene One chapter is entitled Miscellaneous Odds and Ends due to the subject matter not fitting into any other classification **The Contender** Irwin F. Gellman, 2017-01-01 Cover Half Title Title Copyright Dedication Contents Preface to the Paperback Edition Acknowledgments Preface 1 The Prerequisites for a Congressional Candidate 2 Nixon s First Primary 3 Nixon Versus Voorhis 4 Learning the Congressional Routine 5 Nixon and HUAC 6 The Herter Committee 7 Sharpening Foreign and Domestic Priorities 8 Running for Reelection 9 Moving Onto the National Stage 10 Nixon Chambers Versus Hiss 11 The Pumpkin Father Cronin the FBI and Duggan 12 Nixon Communism and the Truman Triumph 13 Stepping Sideways to Move Up 14 The 1950 Primary 15 Douglas Versus Nixon The Issues 16 Fifty one Days in the Fall Nixon Versus Douglas Reality and Legend 17 Communism and Korea 18 Corruption in the Highest Places 19 Electability and Other Issues 20 The 1952 Convention Epilogue Nixon and His Detractors Whom Should We Believe Notes Bibliography Glossary of Characters Index A B C D E F G H I J K L M N O P Q R S T U V W Y Z *Police Files: The Spokane Experience 1853-1995* M. Kienholz, 1999 **Soviet Bibliography** United States. Department of State. Library Division, 1949

Legacy of a False Promise Margaret Fuchs Singer, 2012-06 The compelling story of a teenage girl caught up in the throes of the McCarthy era Margaret Fuchs was thirteen in June 1955 when she learned that her parents had been Communists while working for the U S government in the 1930s and 40s This book chronicles the years during which her parents were exposed and her father was subpoenaed before the House Un American Activities Committee Eventually he named names and subsequently lost his job as a law professor at American University and was blacklisted from teaching ever again Legacy of a False Promise also details the author s quest as an adult to learn whether or not her parents ever spied for the Soviet Union Based on eight years of research using family records FBI files American University archives personal interviews and the recently declassified Venona cables Legacy of a False Promise offers unique insights into the McCarthy Era Most red diaper babies who have written on the subject had parents who refused to give in to HUAC s demands Singer s work instead recounts the shame and series of betrayals that her father s decision to name names brought to her family Furthermore it explores the campaign of the liberal anti Communist movement to publicize its political position while

defending a fired ex Communist professor the nature and activities of secret Communist underground cells and the motivation of New Deal government workers who spied for the Soviets This is a poignant meditation on family secrets father daughter relationships in times of crisis teenage loneliness in the midst of trauma and the effects of parents actions on the lives of their children It also serves as a timely reminder of the dangers of sacrificing civil liberties in the name of national security

The Cold War in the 1950s Nicolas Lewkowicz,2024-03-12 The book claims that the United States and the Soviet Union attained the mastery of the international order by projecting universalist values that responded to the particularist markers of the domestic order that was generated in the 1950s The geopolitical orientation adopted by the superpowers in the 1950s was shaped by the way in which their societies developed politically socially and economically in the 1950s The main argument of this book is that the quest for the mastery of the international order that informed superpower relations in the 1950s was guided by the need to respond to the local circumstances that emerged in the United States and the Soviet Union The particularist markers that arose in the 1950s led to the establishment of a geopolitical project underpinned by certain universalist values that could be applied in order to build the superpowers sphere of influence

When Hollywood Was Right Donald T. Critchlow,2013-10-21 Hollywood was not always a bastion of liberalism Following World War II an informal alliance of movie stars studio moguls and Southern California business interests formed to revitalize a factionalized Republican Party Coming together were stars such as John Wayne Robert Taylor George Murphy and many others who joined studio heads Cecil B DeMille Louis B Mayer Walt Disney and Jack Warner to rebuild the Republican Party They found support among a large group of business leaders who poured money and skills into this effort which paid off with the election of George Murphy to the US Senate and of Richard Nixon and Ronald Reagan to the highest office in the nation This is an exciting story based on extensive new research that will forever change how we think of Hollywood politics

Richard Nixon John A. Farrell,2018-02-06 From a prize winning biographer comes the defining portrait of a man who led America in a time of turmoil and left us a darker age We live today John A Farrell shows in a world Richard Nixon made At the end of WWII navy lieutenant Nick Nixon returned from the Pacific and set his cap at Congress an idealistic dreamer seeking to build a better world Yet amid the turns of that now legendary 1946 campaign Nixon s finer attributes gave way to unapologetic ruthlessness The story of that transformation is the stunning overture to John A Farrell s magisterial biography of the president who came to embody postwar American resentment and division Within four years of his first victory Nixon was a U S senator in six the vice president of the United States of America Few came so far so fast and so alone Farrell writes Nixon s sins as a candidate were legion and in one unlawful secret plot as Farrell reveals here Nixon acted to prolong the Vietnam War for his own political purposes Finally elected president in 1969 Nixon packed his staff with bright young men who devised forward thinking reforms addressing health care welfare civil rights and protection of the environment It was a fine legacy but Nixon cared little for it He aspired to make his mark on the world stage instead and his 1972 opening to China

was the first great crack in the Cold War Nixon had another legacy too an America divided and polarized He was elected to end the war in Vietnam but his bombing of Cambodia and Laos enraged the antiwar movement It was Nixon who launched the McCarthy era who played white against black with a southern strategy and spurred the Silent Majority to despise and distrust the country s elites Ever insecure and increasingly paranoid he persuaded Americans to gnaw as he did on grievances and to look at one another as enemies Finally in August 1974 after two years of the mesmerizing intrigue and scandal of Watergate Nixon became the only president to resign in disgrace Richard Nixon is a gripping and unsparing portrayal of our darkest president Meticulously researched brilliantly crafted and offering fresh revelations it will be hailed as a master work The Conservative Intellectual Movement in America Since 1945 George H. Nash,2014-04-08 First published in 1976 and revised in 1996 George H Nash s celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This new edition published in commemoration of the volume s thirtieth anniversary includes a new preface by Nash and will continue to instruct anyone interested in how today s conservative movement was born **Whittaker Chambers** Sam Tanenhaus,2011-04-20 Whittaker Chambers is the first biography of this complex and enigmatic figure Drawing on dozens of interviews and on materials from forty archives in the United States and abroad including still classified KGB dossiers Tanenhaus traces the remarkable journey that led Chambers from a sleepy Long Island village to center stage in America s greatest political trial and then in his last years to a unique role as the godfather of post war conservatism This biography is rich in startling new information about Chambers s days as New York s hottest literary Bolshevik his years as a Communist agent and then defector hunted by the KGB his conversion to Quakerism his secret sexual turmoil his turbulent decade at Time magazine where he rose from the obscurity of the book review page to transform the magazine into an oracle of apocalyptic anti Communism But all this was a prelude to the memorable events that began in August 1948 when Chambers testified against Alger Hiss in the spy case that changed America Whittaker Chambers goes far beyond all previous accounts of the Hiss case re creating its improbably twists and turns and disentangling the motives that propelled a vivid cast of characters in unpredictable directions A rare conjunction of exacting scholarship and narrative art Whittaker Chambers is a vivid tapestry of 20th century history A Companion to Richard M. Nixon Melvin Small,2013-05-03 This companion offers an overview of Richard M Nixon s life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon s legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project Undercover Girl Lisa E. Davis,2017-05-09 At the height of the Red Scare Angela Calomiris was a paid FBI informant inside the American Communist Party As a Greenwich Village photographer Calomiris spied on the New York Photo League pioneers in

documentary photography While local Party officials may have had their suspicions about her sexuality her apparent dedication to the cause won them over When Calomiris testified for the prosecution at the 1949 Smith Act trial of the Party's National Board her identity as an informant but not as a lesbian was revealed Her testimony sent eleven party leaders to prison and decimated the ranks of the Communist Party in the US Undercover Girl is both a new chapter in Cold War history and an intimate look at the relationship between the FBI and one of its paid informants Ambitious and sometimes ruthless Calomiris defied convention in her quest for celebrity

Saturday Review of Literature ,1950

Enjoying the Melody of Term: An Mental Symphony within **Seeds Of Treason True Story Of The Hiss**

In a world used by monitors and the ceaseless chatter of instant communication, the melodic elegance and emotional symphony created by the prepared term frequently disappear into the backdrop, eclipsed by the relentless sound and disruptions that permeate our lives. But, located within the pages of **Seeds Of Treason True Story Of The Hiss** a marvelous fictional value filled with raw emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this interesting masterpiece conducts readers on a psychological journey, skillfully unraveling the hidden songs and profound impact resonating within each carefully constructed phrase. Within the depths with this poignant assessment, we will explore the book is main harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
