Seeing Beyond Church Walls Action Plans For Touching Your Community:

Seeing Beyond Church Walls Steve Sjogren, 2002 Build bridges of love to your church community with wisdom from respected Christian leaders Respected Christian leaders share key action plans and an encouraging vision for seeing beyond church walls created by inward focus and introversion to how to penetrate our local communities with the love of Jesus Christ In the trenches church leaders like Steve Sjogren Dale Galloway Sally Morgenthaler and Leonard Sweet give challenging and passionate yet intensely practical insights into transforming your church to become lovingly and strategically outwardly focused A bridge building body of Christ that overcomes its own inwardly focused gaze to grip the hearts of those beyond church walls

The Logic of Intersubjectivity Darren M. Slade, 2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

A Generous Orthodoxy Brian D. McLaren, 2009-05-18 A confession and manifesto from a senior leader in the emerging church movement A Generous Orthodoxy calls for a radical Christ centered orthodoxy of faith and practice in a missional generous spirit Brian McLaren argues for a post liberal post conservative post protestant convergence which will stimulate lively interest and global conversation among thoughtful Christians from all traditions In a sweeping exploration of belief author Brian McLaren takes us across the landscape of faith envisioning an orthodoxy that aims for Jesus driven by love and is defined by missional intent A Generous Orthodoxy rediscovers the mysterious and compelling ways that Jesus can be embraced across the entire Christian horizon Rather than establishing what is and is not orthodox McLaren walks through

the many traditions of faith bringing to the center a way of life that draws us closer to Christ and to each other Whether you find yourself inside outside or somewhere on the fringe of Christianity A Generous Orthodoxy draws you toward a way of living that looks beyond the us them paradigm to the blessed and ancient paradox of we *The Gospel According to Starbucks* Leonard Sweet,2008-05-20 Leonard Sweet shows you how the passion that Starbucks has for creating an irresistible experience can connect you with God s stirring introduction to the experience of faith in *The Gospel According to Starbucks* You don t stand in line at Starbucks just to buy a cup of coffee You stop for the experience surrounding the cup of coffee Too many of us line up for God out of duty or guilt We completely miss the warmth and richness of the experience of living with God If we d learn to see what God is doing on earth we could participate fully in the irresistible life that he offers You can learn to pay attention like never before to identify where God is already in business right in your neighborhood The doors are open and the coffee is brewing God is serving the refreshing antidote to the unsatisfying arms length spiritual life and he won t even make you stand in line 60 Simple Secrets Every Pastor Should Know Dave Stone,Rick Rusaw,2002 Part of Group Publishing s Flagship Church collection 60 Simple Secrets Every Pastor Should Know reveals key ideas and principles that teaching churches have successfully put into practice *Igniting Passion in Your Church* Stephen L.
