New Perspectives on Healing, Restoration and Reconciliation in John's Gospel Jacobus

Kok, 2016-10-05 In New Perspectives on Healing, Restoration and Reconciliation in John Jacobus Kok investigates the depth and applicability of Jesus' healing narratives in John's gospel. Against the background of an ancient group-oriented worldview, it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date. He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much broader way than we tend to understand it today. He shows inter alia why the interaction between Jesus and the Samaritan woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing, restoration and reconciliation.
