Al Mahdi the White Horse Rider Hassan Shabazz, 2018-07-24 This book is a humble attempt by the author to shine the light of Al Islaam the Holy Qur an and the language of Imam W Deen Mohammed on the 19th Chapter of the Book of Revelations It is my sincere belief that the Holy Scriptures are interconnected and that the Holy Qur an is the last chapter and the key to understanding all scriptures This book is dedicated to all the people who have struggle for freedom throughout the ages but it is especially dedicated to the five greatest African American men born in North America in my opinion 1 Imam W Deen Mohammed 2 Dr Martin Luther King Jr 3 Mr Elijah Muhammad 4 Mr Abdul Malik Shabazz also known as Malcolm X and finally Mr Fredrick Douglas I believe the vision seen by Dr King in his I have a dream speech will only be fulfilled in the religion of Al Islaam Islam The information given in this book on the Imam Leader Al Mahdi The one who Guides is only given to enlighten and is not meant to cause confusion We know that belief in the Mahdi is not an article of faith and therefore is not Fard obligatory for Muslims This book is only a reflection of the conclusions that I have come to over my studies during my time as a Muslim and I take responsibility for any errors that may appear in this publication I use the spelling Imaam for Imam Islaam for Islam in many instances because I believe it gives the novice a better sense of how the words should be pronounced Your Humble Servant Hassan A Shabazz **The Complete Sermons of C. Morgan, 2013-02-27 Luke Acts is an impressive two volume narrative seeking to convince and engage readers regarding the spiritual impact of Jesus of Nazareth on the Jewish people and other nations To this end Luke employs an impressive arsenal of literary and narrative techniques This book focuses on a motif and its performance the thoroughfare motif which includes those figurative and concrete expressions involving ways roads city streets and country paths This study traces this motif's performance within the unfolding plot asking what difference the motif makes progressively and cumulatively to the reader's encounter with the story's emphasis on salvation For example why does Luke take pleasure in describing transformational events on or in relation to thoroughfares What are the connections between expressions like the way of peace the way of salvation and the way of God Lord Why does Luke use such an unusual expression like the Way to describe Jesus followers How do such expressions contribute to the spiritual landscape of Luke Acts the intermingling of concrete and figurative uses of physical imagery Like an instrument in an orchestra the thoroughfare motif works together with other motifs and themes to create a captivating exploration of spiritual transformation received and opposed Seeing the Big Picture Dr Alastair T. Ferrie, 2012-10-22 To many Christians the Old Testament is a mysterious document a treasure hidden in the dust of antiquity It is historical it tells the story of ancient Israel but has it anything to do with me Seeing the Big Picture is the story of one man's voyage of discovery The Bible as a whole is the dramatic story of redemption which comes to a climax in the New Testament In every book of the Old Testament the theme of the coming of Christ is there burning brightly like a lamp in the darkness heralding the day when the glory of the Christ would burst majestically forth Suddenly I saw that this was truly one

story It was almost as if someone had turned a light on I could see things much more clearly and so many aspects of the New Testament study were brought into such clear focus that I understood as never before **The Works of Thomas Goodwin: Containing Christ set forth. The heart of Christ in heaven towards sinners on earth etc** Thomas Goodwin,1862

Christ in Art Edward Eggleston,1875 **Portraits of God** Allan Coppedge,2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God s very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God s own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth [Catalog of Copyright Entries](#) Library of Congress. Copyright Office,1963 *NLT Art of Life Holy Bible: A Visual Celebration* Tyndale,2021-02-23 What distinguishes this edition of the New Living Translation of the Bible are the line drawings by Dina Danosa of plants animals landscapes and people mentioned in Scripture **Awakening the Evolutionary Spirit** Margaret Barry,2007-08-30 My book is about an awakening within where I began a journey in discovering who I am and who God is This story told in poetry and reflections is not for me alone but for all searching souls who wish to know what is at the core or source of their being My desire is to reveal to the people of God the possibilities that lie in store for his beloved creations Love gives birth to new life and to this mystic the new woman It has given me cause to believe that a new world of people will soon emerge with a new consciousness a new spirit of awareness becoming the epitome of our creator s design the Omega person I believe the experiences expressed within these pages are a companion experience to the feminine of God which is the Holy Spirit of God who has been attempting to be in union with and at oneness with human beings She like most women has been overlooked ignored rejected and even denied by blind male dominated hierarchical religions However the evolution of our species which is becoming more and more like its creator is entering a phase of experiencing an awakening or awareness of Being which will unite us not only to God but to one another in order that the Cosmic Christ a new creation will be born **The Sacred Art** Johnny Turner,2007-06 Dr

Johnny Turner's *The Sacred Art Growing Faithful Disciples in the 21st Century* is a fresh approach for guiding Christians to reclaim the sacred art of discipleship. Turner combines scholarly research and practical insights and stresses the need for discipleship training. It is critical because discipleship is a sacred art. It is sacred because discipleship is part of the Great Commission. Dr. Turner describes how growing faithful disciples can be accomplished in the church and he invites the church to become totally involved in the process of growing disciples. After reading you will discover too that discipleship is truly *The Sacred Art*. Pastor Johnny Turner has given us a practical first things first approach to deeply important spiritual matters. It is both thought provoking and inspirational. Jim Cymbala, Senior Pastor, The Brooklyn Tabernacle.
