Davies,2010-01-28 *Rivals The Ten Greatest American Sports Rivalries of the 20th Century* presents the most memorable rivalries in over a hundred years of American sports history Examines ten of the greatest American sports rivalries of the past century relating them to their broader historical context Includes the rivalries between the Boston Red Sox and the New York Yankees Duke and North Carolina Joe Frazier and Muhammad Ali Jack Nicklaus and Arnold Palmer Chris Evert and Martina Navratilova and more Draws upon the most recent works of sport historians as well as hundreds of books articles and newspaper accounts Reveals a deep understanding of American sports history and American popular culture Features 30 images that bring the rivalries vividly to life *The Last Pass* Gary M. Pomerantz,2019-10-22 The New York Times bestseller Out of the greatest dynasty in American professional sports history a Boston Celtics team led by Bill Russell and Bob Cousy comes an intimate story of race mortality and regret About to turn ninety Bob Cousy the Hall of Fame Boston Celtics captain who led the team to its first six championships on an unparalleled run has much to look back on in contentment But he has one last piece of unfinished business The last pass he hopes to throw is to close the circle with his great partner on those Celtic teams fellow Hall of Famer Bill Russell These teammates were basketball s Ruth and Gehrig and Coz as everyone calls him was famously ahead of his time as an NBA player in terms of race and civil rights But as the decades passed Cousy blamed himself for not having done enough for not having understood the depth of prejudice Russell faced as an African American star in a city with a fraught history regarding race Cousy wishes he had defended Russell publicly and that he had told him privately that he had his back At this late hour he confided to acclaimed historian Gary Pomerantz over the course of many interviews he would like to make amends At the heart of the story *The Last Pass* tells is the relationship between these two iconic athletes The book is also in a way Bob Cousy s last testament on his complex and fascinating life As a sports story alone it has few parallels An poor kid whose immigrant French parents suffered a dysfunctional marriage the young Cousy escaped to the

New York City playgrounds where he became an urban legend known as the Houdini of the Hardwood The legend exploded nationally in 1950 his first year as a Celtic he would be an all star all 13 of his NBA seasons But even as Cousy s on court imagination and daring brought new attention to the pro game the Celtics struggled until Coach Red Auerbach landed Russell in 1956 Cooz and Russ fit beautifully together on the court and the Celtics dynasty was born To Boston s white sportswriters it was Cousy s team not Russell s and as the civil rights movement took flight and Russell became more publicly involved in it there were some ugly repercussions in the community more hurtful to Russell than Cousy feels he understood at the time The Last Pass situates the Celtics dynasty against the full dramatic canvas of American life in the 50s and 60s It is an enthralling portrait of the heart of this legendary team that throws open a window onto the wider world at a time of wrenching social change Ultimately it is a book about the legacy of a life what matters to us in the end long after the arena lights have been turned off and we are alone with our memories On August 22 2019 Bob Cousy was awarded the Presidential Medal of Freedom

Wiggins,2008-02-01 The original essays in this comprehensive collection examine the lives and sports of famous and not so famous African American male and female athletes from the nineteenth century to today Here are twenty insightful biographies that furnish perspectives on the changing status of these athletes and how these changes mirrored the transformation of sports American society and civil rights legislation Some of the athletes discussed include Marshall Taylor bicycling William Henry Lewis football Jack Johnson Satchel Paige Jesse Owens Joe Lewis Alice Coachman track and field Althea Gibson tennis Wilma Rudolph Bill Russell Jim Brown Arthur Ashe Michael Jordan Tiger Woods and Venus and Serena Williams

Mr. Basketball Michael

Schumacher,2008-12-06 Before Shaquille O Neal and before Bill Russell there was George Mikan a six foot ten 240 pound center whose quiet demeanor and bespectacled face belied his competitive fire A four time All American at DePaul and a six time professional champion Mikan was such an unstoppable force and a national sensation that when his Minneapolis Lakers played the New York Knickerbockers in 1949 the marquee outside Madison Square Garden read simply George Mikan vs Knicks Drawing on extensive interviews with former teammates opponents coaches friends and rivals critically acclaimed author Michael Schumacher presents for the first time a wonderfully nuanced portrait of one of the most unheralded athletes of our time and a fascinating look at the birth of the National Basketball Association

REVIEWS Schumacher Family Business explores the on court life and legacy of George Mikan the big man who revolutionized both college and professional basketball as a dominant center in the 40s and 50s and as the American Basketball Association s first commissioner in the 1960s Several rules in the modern game were enacted to offset 6 10 Mikan s uncommon height advantage at the time his shot blocking ability for DePaul University led to the goaltending rule in college basketball in 1943 and his rebounding and scoring for the Minneapolis Lakers prompted the nascent NBA to widen the free throw lane from six feet to 12 feet in 1951

Wilt Chamberlain described Mikan as the first true superstar of the league and Shaquille O'Neal who paid for Mikan's funeral when he died in 2005 in dire financial straits due to the expenses of his health problems said Without George Mikan there is no me A native of Joliet Ill Mikan was from a Croatian family and remained a true Midwesterner to the end Schumacher writes Schumacher's narrative sometimes gets bogged down with tedious almost box score like itemizing of the numerous games from Mikan

Senior Year Dan Shaughnessy,2007 The author chronicles his son's senior year of high school baseball the boy's obsession with and talent for sports and his efforts to keep his grades up while deciding what college to attend and avoiding problems until graduation

Working at the Ballpark Tom Jones,2008-04-17 Offers interviews with fifty two people who make their living from baseball and provides their thoughts on how they arrived at their positions and what their work means to them

The Curse of the Bambino Dan Shaughnessy,2004-08-31 The Boston Red Sox's loss to the New York Yankees in the 2003 playoffs has been called the game of the century evidence that the rivalry between the Red Sox and the Yankees was hotter than ever In the wake of that defeat author and Boston Globe sports columnist Dan Shaughnessy updated his bewitching story of the curse that laid over the Red Sox after they sold Babe Ruth to the hated Yankees in 1920 Here he sheds light on classic Sox debacles from the years before they broke the curse and finally reached the World Championship again from Johnny Pesky's so called hesitation throw to the horrifying dribbler that slithered between Bill Buckner's legs Lively and filled with anecdotes this is baseball folklore at its best

The History of the NBA in Twelve Games Sean Deveney,2022-11-01 From its early days as a physical plodding game with franchises parked in outpost towns like Fort Wayne Moline and Rochester to today's international showcase sport professional basketball has evolved dramatically over the decades But the development of the National Basketball Association and its star players was not preordained There were moments both obvious and subtle that steered the direction of the sport whether it was Bill Russell's swan song a near miss on Michael Jordan Kobe Bryant's All Star debut at nineteen a LeBron James legacy game or a deep 3 point shot by Steph Curry these moments gradually brought us the NBA we know today a scrappy league that was jump started by a 24 second timer and will be defined by the 30 000 3 pointers its players knock down per season Veteran NBA reporter and editor Sean Deveney will explore the unique characters and backstories of 12 crucial games in the history of the NBA while putting them into the context of their influence on the direction of the league
