Saint Augustine (of Hippo)

Seeing The City With The Eyes Of God:

City of God, City of Satan Robert C. Linthicum, 2011-03-01 Why is the city a battleground of hostile principalities and powers What is the mission of the church in the city How can the church be supported in accomplishing that mission These are the questions that Robert Linthicum treats in his comprehensive and probing biblical theology of the city In the Bible the city is depicted both as a dwelling place of God and his people and as a center of power for Satan and his minions The city is one primary stage on which the drama of salvation is played out And that is no less the case at the end of this pivotal century as megacities become the focal point of most human activity and aspirations around the world This is a timely theology of the city that weaves the theological images of the Bible and the social realities of the contemporary world into a revealing tapestry of truths about the urban experience Its purpose is to define clearly the mission of the church in the midst of the urban realities and to support well the work of the church in the urban world **The Cambridge Companion to**

Augustine's City of God David Vincent Meconi, 2021-08-26 Masterfully explains Augustine's major work The City of God book by book through engagement with theology history and political science *God's Eye View* Tommy Tenney, 2008-07-13 In God's Eye View Tommy Tenney explores how worship lifts us up to see the trouble we face from God's perspective instead of being trapped in an earthly time bound viewpoint The higher we go the smaller our problems seem Tenney also teaches the Principle of Magnification The closer you get to something the bigger it appears In other words worship not only shrinks our problems it also magnifies God in our lives and to others Worship doesn't really change our problems it just minimizes their influence over us as we focus on God He doesn't promise to remove all of our circumstances but God does assure us that in His presence and from His perspective we can see things as they really are and not how they appear to be In the book of Revelation John was instructed to behold the Lion but from an earthly perspective John saw only the Lamb The heavenly perspective reveals that the Lamb is the Lion the babe of Bethlehem is the ancient of days and the dragon is really a weakened lizard God's eye view is higher than man's Higher than a bird's eye view higher than a man's eye view is God's eye view *God, Space, and City in the Roman Imagination* Richard Jenkyns, 2013-11-28 God Space and City in the Roman

Imagination is a unique exploration of the relationship between the ancient Romans visual and literary cultures and their imagination Drawing on a vast range of ancient sources poetry and prose texts and material culture from all levels of Roman society it analyses how the Romans used conceptualized viewed and moved around their city Jenkyns pays particular attention to the other inhabitants of Rome the gods and investigates how the Romans experienced and encountered them with a particular emphasis on the personal and subjective aspects of religious life Through studying interior spaces both secular basilicas colonnades and forums and sacred spaces the temples where the Romans looked upon their gods and their representation in poetry the volume also follows the development of an architecture of the interior in the great Roman public works of the first and second centuries AD While providing new insights into the working of the Romans imagination it also

In Your Eyes I See My Words Pope Francis, 2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the
