Seeing The Light Of World Faith Paperback:

This is an Answer to John Wiggan's Book [i.e. "Antichrist's Strongest Hold overturned"], spread up and down in Lancashire, Cheshire and Wales, who is a Baptist&a Monarchy-man. Wherein may be seen how he exalts himself, against Christ the light, that doth enlighten every man. And also some of his, and his peoples erroneous principles, and assertions, which he and his people held in a dispute, with some of the Quakers. And also an answer to his queries in his book. And also some queries which was propounded to him, which he would never answer to this day, and also some of his assertions, which he could never make good, and likewise an answer to a second challenge ... From the prisoners at Lancaster ... Thomas Curwen, William Houlden, Henery Wood, William Wilson. Also here is an answer to his appendix annexed to the book by Margaret Fell. read in the sacred page Criticism may contradict the interpretation of a sentence and give a different turn to particulars but the main scope of the work is founded on principles of a higher order and involves a perception of truths to which the acutest critic may perchance be blind The utmost that criticism can do for the study of Holy Writ is to furnish as it were a correct Text for the reading of the spiritual eye And if there is any Book in the sacred Canon in which the bearing of words is more important than the mere thing said it is the Book of Job Aeterna Press
