Seekas Journey:

Journey's Seekers B. K. Parent,2014-03 At the great summer fair in the capital city of Sommerhjem the evil Regent is forced to step down due to the calling of the Gylden Sirklene challenge leaving the future of the country hanging in the balance One year to the day the challenge is called all nine pieces of the oppgave ringe must be delivered to the capital Four are already there but five more need to be found Chance a dreamer and adventure seeker has been chosen by his family to return to Sommerhjem to retrieve a piece of the oppgave ringe his father hid before the family fled the country to escape certain demise But what he thought would be a grand adventure turns out to be more than he bargained for he is thrown into the brig on a smuggler s ship and that only marks the beginning of his troubles Meanwhile Yara secures work in the royal library where she secretly begins researching the whereabouts of a piece of the oppgave ringe her family was once charged with keeping safe But what she eventually uncovers soon takes her and her fox companion Toki on a dangerous expedition to Sommerhjem s border In this continuing fantasy two seekers embark on separate journeys to find treasured objects and return them to their rightful place without any idea of where life is about to take each of them Saints, Cure-seekers and Miraculous Healing in Twelfth-century England Ruth J. Salter,2021 The cults of the saints were central to the medieval Church These holy men and women acted as patrons and protectors to the religious communities who housed their relics and to the devotees who requested their assistance in petitioning God for a miracle Among the collections of posthumous miracle stories miracula accounts of holy healing feature prominently and depict cure seekers successfully securing their desired remedy for a range of ailments and afflictions What can these miracle accounts tell us of the cure seekers experiences of their journey from ill health to recovery and how was healthcare presented in these sources This book undertakes an in depth study of the miraculous cure seeking process through the lens of Latin miracle accounts produced in twelfth century England a time both when saints cults particularly flourished and there was an increasing transmission and dissemination of classical and Arabic medical works Focused on shorter miracula with a predominantly localised focus and thus on a select group of cure seekers it brings together studies of healthcare and pilgrimage to look at an alternative to medical intervention and the practicalities and processes of securing saintly assistance *Peter Carter and the Seekers The Road to Shangri-La - Book 3* Newman Skyles,2023-12-03 As the storm continued its relentless fury their bodies grew still their breaths shallow and the last vestiges of their strength ebbed away In the heart of the Himalayas amidst the wrath of nature the Seekers last adventure drew to a close Their stories and their unyielding pursuit of Shangri La would be etched into the annals of explorers and adventurers a testament to the indomitable human spirit and the relentless quest for the extraordinary **The exploration of the world: The world outlined.
