Hargrove,2007-05-03 In the world we live in we have been taught to camouflage our pains hurts and disappointments in order to fit in As a child we watched the adults around us hide their true feelings by burying issues and pretending that this was the proper way to deal with them Unfortunately this way stunts our growth in all areas of our lives emotionally mentally financially and most importantly spiritually Grief sorrow and regret is usually the end result as we continue to live In Intimacy with God will cost you the author shares her personal testimony on the process that God brought her through to become free and what it cost her to gain a closer covenant relationship with him Are you tired of pretending to be something that you re not Are you tired of hiding behind that mask Are you tired of carrying baggage that is hindering you from growing and fulfilling your God ordained purpose If so I encourage you to read on Get ready to take that first step TODAY I DECIDE Desiree M Webb,2018-02-21 Choices are everywhere We can t live without making them There are bad choices good choices and Godly choices Often we don t give much thought to our choices We simply live and let life happen to us In a fast paced stressful world many are doing their best to simply get through each day Everyone is tired and living on autopilot and yet everybody wants joy contentment and favor Everyone wants fulfillment and yet it is elusive to many What if by making Godly choices we could soar instead of just dragging through life from day to day What if our experience with God could be deeper than ever before simply by utilizing the gift of Godly choice well What if there was more and it was available through Godly choice Every day poor choices lead to unnecessary pain and struggle that passes down through the generations While good choices may result in limited positive results Godly choices yield supernatural results like bountiful peace contentment and joy that brings glory to God unlocks heaven s storehouse and blesses us and those around us When we understand the power of Godly choice it blesses generations Today we can experience greater peace contentment and fulfillment Today we can decide to utilize Godly choice and live the change that we have been praying for for decades Take the journey with Desiree and explore a whole new world overflowing with blessings and healing Today decide to never be the same by using Godly choice wisely
