Selected Essays On The History Of Letter Forms In Manuscript And Print Volume 2 Only:

Selected Essays on the History of Letter-forms in Manuscript and Print Stanley Morison, 2009 **Selected Essays on the History of Letter-forms in Manuscript and Print 2 Volume Set** Stanley Morison, 2009-10-29 During his long career Stanley Morison held appointments as typographical adviser to Cambridge University Press to the Monotype Corporation and to The Times where he was responsible both for its radical new design in 1932 and for the standard history of the paper These two volumes bring together the majority of his most lasting essays Many of them pioneering in their day are now classics in their field The collection first published in 1980 spans a period of forty years It includes essays on letter forms in manuscript and in print beginning with those published in *The Flueron* in the 1920s on typefaces in sixteenth century Italy on the development of Latin script on the history of learned presses and on the typography of newspapers

Selected Essays on the History of Letter-forms in Manuscript and Print Stanley Morison, 2009 **History of Oxford University Press: Volume I** Ian Anders Gadd, Simon Eliot, William Roger Louis, Keith Robbins, 2013-11 The story of Oxford University Press spans five centuries of printing and publishing This first volume traces the beginnings of the University Press its relationship with the University and developments in printing and the book trade as well as the growing influence of the Press on the city of Oxford **Sir Philip Sidney and the Circulation of Manuscripts, 1558-1640** H. R. Woudhuysen, 1996-05-23 This is the first modern study of the production and circulation of manuscripts during the English Renaissance H R Woudhuysen examines the relationship between manuscript and print looks at people who lived by their pens and surveys authorial and scribal manuscripts paying particular attention to the copying of verse plays and scholarly works by hand It investigates the professional production of manuscripts for sale by scribes such as Ralph Crane and Richard Robinson The second part of the book examines Sir Philip Sydney s works in the context of Woudhuysen s research discussing all Sidney s important manuscripts and seeking to assess his part in the circulation of his works and his role in the promotion of a scribal culture A detailed examination of the manuscripts and early prints of his poems his *Arcadias* and of *Astrophil and Stella* shed new light on their composition evolution and dissemination as well as on Sidney s friends and admirers

Cheap Print and Street Literature of the Long Eighteenth Century David Atkinson, Steve Roud, 2023-09-04 This deeply researched collection offers a comprehensive introduction to the eighteenth century trade in street literature ballads chapbooks and popular prints in England and Scotland Offering detailed studies of a selection of the printers types of publication and places of publication that constituted the cheap and popular print trade during the period these essays delve into ballads slip songs story books pictures and more to push back against neat divisions between low and high culture or popular and high literature The breadth and depth of the contributions give a much fuller and more nuanced picture of what was being widely published and read during this period than has previously been available It will be of great value to scholars and students of eighteenth century popular culture and literature print history and the book trade ballad

and folk studies children s literature and social history **The Publishers Weekly** ,1981 *Selected Essays on Books and Printing* A.F. Johnson,2024-06-17 Forty extensive essays on the history of printing publishing typefounding type design etc Emphasis is on the sixteenth century A very beautifully produced book Designed by Giovanni Mardersteig and printed at the Stamperia Valdonega Verona **The Palaeography of Gothic Manuscript Books** Albert Derolez,2003-08-28 A detailed and highly illustrated survey of medieval book hands essential for graduate students and scholars of the period *The Princeton University Library Chronicle* Lawrance Thompson,1994 Vol 1 includes section Biblia devoted to the interests of the Friends of the Princeton Library v 11 **The Collected Works of Walter Pater, vol. IX: Correspondence** Robert Seiler,2023-09-21 Correspondence is vol ix in the ten volume Collected Works of Walter Pater Among Victorian writers Pater 1839 1894 challenged academic and religious orthodoxies defended the love of art for own sake developed a new genre of prose fiction the imaginary portrait set new standards for intermedial and cross disciplinary criticism and made style the watchword for creativity and life For the first time all the known correspondence of Walter Pater has been assembled and fully annotated including letters exchanged with his main publisher the Macmillans for more than two decades Pertinent letters written after his death by his sisters Clara and Hester Pater are also included The Correspondence provides a richer much more complete overview of Pater s academic professional and personal lives and demonstrates how vigorously he participated in some of the most important literary and cultural networks of the Victorian era **David Hume: A Treatise of Human Nature** David Hume,2007-04-19 David and Mary Norton present the definitive scholarly edition of Hume s Treatise one of the greatest philosophical works ever written This second volume contains their historical account of how the Treatise was written and published an explanation of how they have established the text an extensive set of annotations which illuminate Hume s texts and a comprehensive bibliography and index Book Auction Records Frank Karslake,1984 A priced and annotated annual record of international book auctions *The Roots of Fake News* Brian Winston,Matthew Winston,2020-09-01 The Roots of Fake News argues that fake news is not a problem caused by the power of the internet or by the failure of good journalism to assert itself Rather it is within the news s ideological foundations professionalism neutrality and most especially objectivity that the true roots of the current crisis are to be found Placing the concept of media objectivity in a fuller historical context this book examines how current perceptions of a crisis in journalism actually fit within a long history of the ways news media have avoided obscured or simply ignored the difficulties involved in promising objectivity let alone truth The book examines journalism s relationships with other spheres of human endeavour science law philosophy concerned with the pursuit of objective truth to argue that the rising tide of fake news is not an attack on the traditional ideologies which have supported journalism Rather it is an inevitable result of their inherent flaws and vulnerabilities This is a valuable resource for students and scholars of journalism and history alike who are interested in understanding the historical roots and philosophical context of a fiercely contemporary issue **Bulletin** ,1981 Journal

of the Printing Historical Society Printing Historical Society,1993 **The New Encyclopaedia Britannica** ,1987 *The Athenaeum* James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1869
