Gray, Justin R. Garcia, 2013-04-15 A comprehensive survey of the evolutionary science of human sexual behavior *Evolution and Human Sexual Behavior* invites us to imagine human sex from the vantage point of our primate cousins in order to underscore the role of evolution in shaping all that happens biologically and behaviorally when romantic passions are aroused *Families* Shirley A. Hill, 2011-06-30 A brief impactful book that provides a contemporary analysis of how economics and social class affects the concept of family today This book focuses on the impact of economic systems and social class on the organization of family life Since the most vital function of the family is the survival of its members the author give primacy to the economic system in structuring the broad parameters of family life She explains how the economy

shapes the prospects families have for earning a decent living by determining the location nature and pay associated with work     Families ,2011     Entertaining Illumination Unleashed Tiffany Twain,2013-01-24 This Book Two of the Earth Manifesto contains a provocative biography of the estimable author Mark Twain along with a variety of valuable ecological insights and entertainingly interesting philosophical ideas An essay about Huckleberry Finn and some related modern insights weighs in with some of the great author s down home ways of seeing the world Mark Twain s influence is also revealed in ideas issues and philosophical perspectives explored in Gaia s Geological Perspective which provides a rich way of looking at the vital ecosystems and processes involved in the stately procession of our home planet around the Sun And various aspects of The Common Good Properly Understood are explored This Book also contains a Press Release that provides a big picture overview of the Earth Manifesto plus A Desultory Assessment of Curious Conundrums     ***SHE-Q*** Michele L. Takei,2012-10-17 This book takes readers on a fascinating intellectual journey that showcases SHE Q as the next great emerging intelligence a force that can remake the world The hypothesis of SHE Q Why Women Should Mentor Men and Change the World is straightforward its potential enormous Females SHE Q declares are the superior whole brained empathic sex Society s failure to recognize that fact has caused women to labor under a limited male perspective skewing their knowledge capping their wisdom and separating them from Nature themselves and each other But it doesn t have to be that way Interweaving personal vignettes with broad based research the book marshals evidence from history science psychology and philosophy to underscore the validity of SHE Q It shows how the female brain works differently from the male brain better integrating the left and right hemispheres so that SHE Q transcends both IQ intelligence quotient and EQ emotional intelligence Laying out a new feminine based understanding of the way women and men think and behave author Michele Takei demonstrates how women can apply this new found knowledge to mentor the men in their lives and achieve true equality     Forthcoming Books Rose Arny,2003-04     ***Encyclopedia of Sex and Sexuality*** Heather L. Armstrong,2021-03-01 Providing a comprehensive framework for the broad subject of human sexuality this two volume set offers a context of historical development scientific discovery and sociopolitical and sociocultural movements The broad topic of sex encompassing subjects as varied as sexuality sexual and gender identity abortion and such crimes as sexual assault is one of the most controversial in American society today This two volume encyclopedic set provides readers with more than 450 entries on the subject offering a comprehensive overview of major sexuality issues in American and global culture Themes that run throughout the volumes include sexual health and reproduction sexual identity and orientation sexual behaviors and expression the history of sex and sexology and sex and society Entries cover a breadth of subjects such as the major contributors to the field of sexology the biological psychological and cultural dimensions of sex and sexuality and how the modern day political climate and the government play a major role in determining attitudes and beliefs about sex Written in clear jargon free language this set is ideal for students as well as general readers     ***Human Sexuality*** Anne
