Marriage Matters Janice Crouse, 2017-07-05 In *Marriage Matters* Janice Shaw Crouse argues that marriage is a critical element in a free society and that society's most vulnerable communities especially minorities and the poor suffer the most from the nation's retreat from marriage Crouse writes that marriage advances the public interest and we should create laws and policies that support rather than undermine it She demonstrates both the public and private importance of marriage and organizes her argument in a thoughtful and logical manner Compared to other household arrangements Crouse observes marriage is by far the best for raising children and offers financial advantages as well Writing about bullying Crouse shows how the trend away from marriage has led to poor child rearing and to some of the nation's worst contemporary problems In household arrangements with an absence of traditional fathers the government has in some ways overtaken this role by creating social programs such as food stamps Social Security and Medicare Social programs are but a small part of an effective solution The groundwork for strong marriages and lasting relationships is examined in detail Crouse then discusses the role of sex in marriages and the harmful influence of casual sex The second half of the work shows how marriage matters to individuals specifically to women and children and depicts same sex marriage as a threat to the institution Other public policy issues affecting marriage are also explored

Surviving A Sexless Marriage Angela Blake-Norman, 2008-02 *Surviving A Sexless Marriage* Or Not is no ordinary book This book takes you on the author's personal journey and experiences while she was growing up and enduring all kinds of madness The good the bad and the ugly And how she came to realize at the age of 49 that she had hidden issues that she had stored away in her wounded spirit Not knowing that these issues were reflecting the way that she treated men Therefore causing her to be in a sexless marriage A close examination of her subconscious mind and having to face those issues that she thought was safely locked away was still hunting her But not just her all too frequently married couples in a sexless marriage don't want to make an honest effort to find the solution as to why they are in a sexless marriage and sometimes this could lead to an affair or divorce In this book she hopes to provide the reader with the tools that you will need to help you achieve emotional stability and peace of mind Along with happiness that will lead you back to the loving relationship you had in your marriage before it all went downhill Couples you have got to make an effort to save your sexless marriage Remember love is the key It is the right that will fix the wrong But first you have got to love the Lord love yourself and then love one another This is where you will find your happiness Understand that love is a big word and it means a lot of things And the pursuit of happiness is a long journey When you truly love your spouse you know what they need when they

need it and how they want it So you and your spouse need to take a step backwards and move forward with an open mind and a willingness to listen to each others concerns Remember how you felt when you thought that you had found your soul mate Yes I do And then the the bills came the children came the mis communication and dis trust start riding your brain What about I am not getting enough attention Well all that good loving is still there you got to go after it the same way you did in the beginning Men treat your woman like the queen that she is Ladies treat your man like the king that he is Read this new and exciting book and with the two of you working together you can t lose My wife Angela Blake Norman was working my last nerve and she was a pain in my butt It was hard to want to have sex with her after being dis respected and feeling unwanted even though I loved her But I felt that I had to keep my vows And stay in my marriage and try to work it out So I prayed on it and hoped that my wife would come around And she did We both did We Survived our Sexless Marriage Prayer and faith works It brought us back together with a better understanding of ourselves And we love each other even more Men get your queen back and ladies get your king back Also visit our website survivingasexlessmarriage.com and join our married couples forum Greg Norman [Sex, Orgasm, and Coochies: A Gynecologist Answers Your Most Embarrassing Questions](#)

a war conservative evangelicals have in large part already won How did the Religious Right score so many successes Historian Dagmar Herzog argues that conservative evangelicals appropriated the lessons of the first sexual revolution far more effectively than liberals With the support of a multimillion dollar Christian sex industry evangelicals crafted an astonishingly graphic and effective pitch for the pleasures of hot monogamy for married heterosexual couples only This potent message enabled them to win elections and seduce souls with disastrous political consequences Fierce witty and brilliant Sex in Crisis challenges America s culture of sexual dysfunction and calls for a more sophisticated national conversation about the facts of life Reconnected Greg Smalley,Erin Smalley,2020-04-21 Are You Married to Your Roommate or Your Lover Whether you ve been married for six years or six decades you may wake up one day to discover that the person sleeping next to you has become a stranger Between work kids financial woes and the busyness of everyday living your marriage may feel like it s on life support You and your spouse love each other but you re both barely hanging on How do you find your way back How do you reconnect with your spouse and capture all that marriage is intended to be Dr Greg and Erin Smalley understand Despite being hailed as marriage experts they found themselves living more like roommates than lovers Through intentional work they fought their way back and you can too In Reconnected they ll walk alongside you and your spouse as you learn to reconnect by Sharing life giving communication Dreaming together about your future Rekindling romance and passion Embracing your individuality while coming together as a couple Transforming your life from one of busyness to one of connection Take your marriage from surviving to thriving Reconnect with your first love **The Great Sex Rescue** Sheila Wray Gregoire,Rebecca Gregoire Lindenbach,Joanna Sawatsky,2021-03-02 What if the way Christians talk about sex actually makes it worse Based on a groundbreaking in depth survey of over twenty thousand women The Great Sex Rescue pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic evangelical teachings that wreck sex for so many couples while pointing couples to what they should have been told all along Experience the relief of knowing that you are not broken Elusive pleasure mismatched desires perpetual sexual temptation that doesn t need to be your story any longer This book will help you Discover what s holding back your sex life Replace harmful teachings with ones focused on freedom passion and love Move forward with check in questions practical applications and reframing exercises Find the abundant life Jesus wants for you The Great Sex Rescue is a long overdue corrective to church culture helping couples awaken the kind of intimacy and passion God intended How to Keep the Sex Turned Up in Your Marriage Latonya S.
