Sex Wars:

Sex Wars Lisa Duggan, Nan D. Hunter, 1995 *Sex Wars* is a collection of writings by Duggan and Hunter that brings together the best of the important work they have done on sexual politics in America over the past decade *Sex Wars* traces the development of this politics and its deployment in three different arenas speech and representation legal regulation and scholarship

Sex Wars Lisa Duggan, Nan D. Hunter, 2014-01-27 This book is a collection of essays written during the 1980s and 1990s generated as parts of other larger activist efforts going on at the time Read together the essays trace the progress of the conversations between different activist groups and between the authors of the pieces Lisa Duggan and Nan Hunter creating a bridge between feminists gay activists those in politics and those in the law Since the 1995 publication of *Sex Wars* the political landscape has altered significantly Yet the issues and essays are still relevant today The anniversary edition contains a new chapter dealing with the changes in the law since the book's publication *Lawrence v Texas* for example

Why We Lost the Sex Wars Lorna N. Bracewell, 2021-03-23 Reexamining feminist sexual politics since the 1970s the rivalries and the remarkable alliances Since the historic MeToo movement materialized in 2017 innumerable survivors of sexual assault and misconduct have broken their silence and called out their abusers publicly from well known celebrities to politicians and high profile business leaders Not surprisingly conservatives quickly opposed this new movement but the fact that sex positive progressives joined in the opposition was unexpected and seldom discussed *Why We Lost the Sex Wars* explores how a narrow set of political prospects for resisting the use of sex as a tool of domination came to be embraced across this broad swath of the political spectrum in the contemporary United States To better understand today's multilayered sexual politics Lorna N Bracewell offers a revisionist history of the sex wars of the 1970s 80s and 90s Rather than focusing on what divided antipornography and sex radical feminists Bracewell highlights significant points of contact and overlap between these rivals particularly the trenchant challenges they offered to the narrow and ambivalent sexual politics of postwar liberalism Bracewell leverages this recovered history to illuminate in fresh and provocative ways a range of current phenomena including recent controversies over trigger warnings the unimaginative politics of sex positive feminism and the rise of carceral feminism By foregrounding the role played by liberal concepts such as expressive freedom and the public private divide as well as the long neglected contributions of Black and Third World feminists Bracewell upends much of what we think we know about the sex wars and makes a strong case for the continued relevance of these debates today *Why We Lost the Sex Wars* provides a history of feminist thinking on topics such as pornography commercial sex work LGBTQ identities and BDSM as well as discussions of such notable figures as Patrick Califia Alan Dershowitz Andrea Dworkin Elena Kagan Audre Lorde Catharine MacKinnon Cherr e Moraga Robin Morgan Gayle Rubin Nadine Strossen Cass Sunstein and Alice Walker

Brazil's Sex Wars Joseph Jay Sosa, 2024-11-12 An ethnography and media analysis of LGBT activism in S o Paulo during Brazil's conservative turn from 2010 to 2018 For decades LGBT activists across the globe have secured

victories by persuasively articulating rights to sexual autonomy Brazilian activists some of the world's most energetic have kept pace But since 2010 a backlash has set in as defenders of tradition and family have countered LGBT rights discourses using a rights based language of their own To understand this shifting ground Joseph Jay Sosa collaborated with Brazilian LGBT activists who use the language of rights while knowing that rights are not what they seem Drawing on the symbolic and affective qualities of rights activists mobilize slogans bodies and media to articulate an alternative democratic sensorium Beyond conventional notions of rights as tools for managing the obligations of states vis vis citizens activists show how rights operate aesthetically enjoining the public to see and feel as activists do Sosa tracks the fate of LGBT rights in a growing authoritarian climate that demands human rights for the right humans Interpreting conflicts between advocates and opponents over LGBT autonomy as not just an ideological struggle but an aesthetic one

Brazil's Sex Wars rethinks a style of politics that seems both utterly familiar and counterintuitive

The New Sex Wars Brenda Cossman, 2024-12-03 Revisits the sex wars of the 1970s and 80s and examines their influence on how we think about sexual harm in the MeToo era MeToo's stunning explosion on social media in October 2017 radically changed and amplified conversations about sexual violence as it revealed how widespread the issue is and toppled prominent celebrities and politicians But as the movement spread a conflict emerged among feminist supporters and detractors about how punishment should be doled out and how justice should be served The New Sex Wars reveals that these clashes are nothing new Delving into the contentious debates from the 70s and 80s Brenda Cossman traces the striking echoes in the feminist divisions of this earlier period In exploring the history of past conflicts the resistance to finding common ground the media's pleasure in portraying the debates as polarized cat fights the simplification of viewpoints as pro and anti sex she shows how they have come to shape the MeToo era From the 70s to today Cossman examines tensions between the need for recognition and protection under the law and the colossal and ongoing failure of that law to redress historic injustice By circumventing law altogether MeToo has led us to question whether justice can be served outside of the courtroom Cossman argues for a different way forward one based on reparative models that focus on shared desired outcomes and the willingness to understand the other side Thoughtful and compelling The New Sex Wars explores what can be learned from these stories what traps we repeatedly fall into how we have been denied our anger and where to begin to make law work

Sex Wars Marge Piercy, 2005-11-22 Post Civil War New York City is the battleground of the American dream In this era of free love emerging rights of women and brutal sexual repression Freydeh a spirited young Jewish immigrant toils at different jobs to earn passage to America for her family Learning that her younger sister is adrift somewhere in the city she begins a determined search that carries her from tenement to brothel to prison as her story interweaves with those of some of the epoch's most notorious figures Elizabeth Cady Stanton Susan B Anthony sexual freedom activist Victoria Woodhull the first woman to run for president and Anthony Comstock founder of the Society for the Suppression of Vice whose censorship laws are still on the books In the tradition of her bestselling World War

II epic *Gone to Soldiers* Marge Piercy once again re creates a turbulent period in American history and explores changing attitudes in a land of sacrifice suffering promise and reward **Not My Mother's Sister** Astrid Henry,2004-09-07
 Rebellious generations and the emergence of new feminisms **Genetics** Benjamin Pierce,2004-12-24 Based on the author's more than twenty years of teaching experience *Genetics A Conceptual Approach* offers a fresh new way of introducing the major concepts and mechanics of genetics focusing students on the big picture without overwhelming them with detail
The New Sex Wars Brenda Cossman,2021-10-26 MeToo Feminist Debates From Backlash to Generation Gap Feminist Sex Wars Then and Now MeToo as Sex Wars Reading beside the Queer Feminist Divide Regulating Reparatively Conclusion Beyond War beside Anger **The Asian Yearbook of Human Rights and Humanitarian Law** ,2019-07-22 The Asian Yearbook of Human Rights and Humanitarian Law aims to publish peer reviewed scholarly articles and reviews as well as significant developments in human rights and humanitarian law It examines international human rights and humanitarian law with a global reach though its particular focus is on the Asian region The focused theme of Volume 3 is Law Gender and Sexuality **God Forbid** Kathleen M. Sands,2000-11-16 Since the 1980s religion has been most visible in American public life when issues of sexuality and reproduction are at stake Paradoxically however the voices that speak most loudly in the name of religion are often unschooled in religious history world religions theology or ethics As a result religion in America is misrepresented as anxiously and obsessively concerned with sex and as uniformly supporting the conservative agenda of family values This volume corrects that distortion in American public discourse Its thirteen previously unpublished articles introduce scholarly perspectives on issues including the family gay rights abortion welfare policy prostitution and assisted reproduction They richly display the complexities and conflicts that exist not only between but within America's various religious traditions for example the pro choice strain within Christian history the support of many religious denominations for gay rights and the criticism of patriarchal family structures within religious communities past and present In these essays contributors put forth views of sexual ethics that are just and compassionate respectful of cultural pluralism and attentive to democratic processes Thoroughly researched lucidly written and carefully argues this anthology will debunk the claims of the Religious Right to be the only religious word on sexuality in America **Stripped** Maggie M. Werner,2020-11-11 *Stripped* examines the ways in which erotic bodies communicate in performance and as cultural figures Focusing on symbols independent of language Maggie M Werner explores the signs and signals of erotic dance audience responses to these codes and how this exchange creates embodied rhetoric Informed by her own ethnographic research conducted in strip clubs and theaters Werner analyzes the movement dress and cosmetic choices of topless dancers and neo burlesque performers Drawing on critical methods of analysis she develops approaches for interpreting embodied erotic rhetoric and the marginal cultural practices that construct women's public erotic bodies She follows these bodies out into the streets into the protest spaces where sex workers and anti rape activists challenge discourses about morality and victimhood and struggle to remake

their own identities Throughout Werner showcases the voices of these performers and in the analyses shares her experiences as an audience member interviewer and paying customer The result is a uniquely personal and erudite study that advances conversations about women s agency and erotic performance moving beyond the binary that views the erotic body as either oppressed or empowered Theoretically sophisticated and delightfully intimate Stripped is an important contribution to the study of the rhetoric of the body and to rhetorical and performance studies more broadly

Sex and Sexualities in Ireland Barbara Górnicka, Mark Doyle, 2023-10-31 This edited collection provides an invaluable resource of seventeen chapters from a wide range of academic disciplines These chapters place sex and sexualities in Ireland in historical context and take the reader through the structural changes that have transformed the expression of sexuality in Ireland from one of self denial to self expression The collection does not however unquestionably assume a linear narrative of progress new issues and challenges are also addressed throughout This book will be of interest to students and scholars from a range of disciplines including sociology social policy history media gender studies and psychology The collection is divided into six separate but interlinked thematic sections Sexualities in Historical Irish Contexts Young Adults Sexual Health and Education Sexual Practices and Health Minority Sexualities and Genders Sex Work in Ireland and Activism and Contestation

Asia in the Old and New Cold Wars Kenneth Paul Tan, 2023-02-06 This is a collection of essays marking the 30th anniversary of the historic Cold War s formal conclusion in 1991 It enriches Cold War studies a field dominated by Political Science International Relations and History with insights from Sociology Anthropology Cultural Studies and Film and Media Studies Through critical analysis of newspaper and magazine articles films novels art exhibits museums and other commemorative sites that engage with the themes of conflict violence trauma displacement marginalization ecology and identity the book provides rich and diverse perspectives on the complex relationship between the historic Cold War and its legacies on the one hand and on the other their impact on Asia its plural histories and peoples and their shifting identities ideological beliefs and lived experiences Today we often speak of an Asian century and witness intensifying concerns over new cold wars or Cold War 2 0 A United States in decline and a China on the rise create conditions for a new superpower rivalry with a trade war already being fought between the two competitors Russia continues to flex its geopolitical muscles launching a full scale invasion of neighbouring Ukraine in 2022 as its strongman leadership yearns nostalgically for the good old days of the USSR As grand narratives and strategies of the Cold War jostle to make sense of high level geopolitical events this book descends to the level of lived experience zooming in on ordinary and marginalized peoples whose lives and livelihoods have been affected over the decades by the Cold War and its legacies

The Caveman Mystique Martha McCaughey, 2012-09-10 Has evolution made men promiscuous skirt chasers Pop Darwinian claims about men s irrepressible heterosexuality have become increasingly common and increasingly common excuses for men s sexual aggression The Caveman Mystique traces such claims about the hairier sex through evolutionary science and popular culture After outlining the social and historical context of the rise of

pop Darwinism's assertions about male sexuality and their appeal to many men Martha McCaughey shows how evolutionary discourse can get lived out as the biological truth of male sexuality Although evolutionary scientists want to use their theories to solve social problems evolutionary narratives get invoked by men looking for a Darwinian defense of bad boy behaviors McCaughey argues that evolution has nearly replaced religion as a moral guide for understanding who we are and what we must overcome to be good people Bringing together insights from the fields of science studies body studies feminist theory and queer theory *The Caveman Mystique* offers a fresh understanding of science science popularization and the impact of science on men's identities making a convincing case for deconstructing rather than defending the caveman *The Bloomsbury Handbook of Sex and Sexuality in Game Studies* Matthew Wysocki, Steffi Shook, 2025-01-09 The Bloomsbury Handbook of Sex and Sexuality in Game Studies consists of a comprehensive collection of essays that review and supplement current work focusing on sex and sexuality in games The chapters provide insight into sexual content in games representation of various sexualities and player experience Together they contribute to a growing field of work concerning two difficult to define phenomena the borders of sex and sexuality and video games As we frequently see debates and discussions over who gets to love whom and who gets to exist in their true self this handbook plays a part in outlining the parameters of crucial issues within the games that we play **Feminist Theory** Terrell Carver, 2024-10-14 This volume brings together top articles on feminist political theory published in Contemporary Political Theory With chapters on topics like abortion the legacies of individual thinkers and the role of care the authors contribute varied but timely perspectives to the study of gender and politics *Lesbians in Television and Text after the Millennium* R. Beirne, 2008-09-15 Taking up such issues as mainstreaming the male gaze and female masculinity this book puts forward provocative readings of little explored texts and offers new insights into the contemporary representation of lesbians **Encyclopedia of Gender and Society** Jodi O'Brien, 2009 Provides timely comparative analysis from internationally known contributors **Sons of the Movement** Jean Bobby Noble, 2006 Sons of the Movement documents the female to male FtM transition process from an insider's point of view and details the limitations of both surgical procedures and pronouns Bobby Noble challenges both the expectations of masculinity and white masculinity As a result this text is equally invested in creating both gender trouble and race trouble calling for a new provocative analysis of the field of gender studies This is an accessible treatise arguing that the relation among FtM transsexual masculinity female masculinity and feminism is an underexplored site of politics in the field While FtM transsexuals have been viewed with some suspicion within feminist and lesbian circles Sons of the Movement argues that since FtMs have the potential to offer a unique vantage point on both feminism and masculinity FtM masculinity instead should be rearticulated as an alterantive and pro feminist embodiment of non phallic masculinity
