**Prayanama, Kundalini Aur Hathayoga** Acharya Bhagwan Dev, 2004      **An Introduction to Tantra and Sacred Sexuality** Michael Mirdad, 2011-05-01 Sex still sells But why Because it s a subject that is repressed ignored abused and even un used all by a race of people who are trying to understand their sexuality and how to use this most sacred encounter as a means of deepening intimacy and connection In fact a lack of healthy sexual knowledge and expression may very well be the primary issue behind failed relationships A new book by world renowned spiritual teacher healer and author Michael Mirdad An Introduction to Tantra and Sacred Sexuality reassures readers that despite the rising number of relationship breakups and increase in issues around intimacy there are ways to solve these dilemmas and return sexuality to its rightful place as a means of expressing love A growing number of people are seeking a solution to their intimacy issues and have turned to books and seminars on relationships only to find them lacking a thorough comprehension and or coverage of the topic of intimacy Some counselors and teachers even treat intimacy as a taboo subject as if to fear treading on cursed grounds Nevertheless the public is refusing to be turned away They want to know more about how to capture or re capture intimacy passion and a greater sense of sacredness in their sexual experience This new book which blends several ancient and modern concepts of sacred sexuality covers these topics like no other Even the most respected teachers of Tantra Taoist Sexuality and modern Sex Therapy are praising this book as one of the most profound and important books on the subject

*Latina* , 2002-04      **Sex and the Devil's Wager** Lee Huxley, 2009 Anti erotic elements in feminism have joined forces with Islam and Christianity to condemn prostitution the male gaze and the natural love men have for the feminine body as a symbol of universal beauty The author whose religion is based in Tantra regards these attitudes both wrong and offensive to pagans Lee Huxley claims to be a knower an enlightened one who sees with the third eye and whose wisdom and lateral thinking demonstrate his special insights in this book Lee knows the truth the unthinkable that Jesus Christ the hellfire and damnation preacher is not the Son of God but the Son of Evil If Christ is the Son of Evil then Lee argues from this basis that Judaism Christianity and Islam are blasphemies This book asks how Western civilization could be founded on lies delusions and blasphemies that even today are still taken seriously This book is the result of a lifetime of research which has culminated in the formulation of the Devil s Wager The Devil s Wager challenges you the reader to name any moral idea from the worst evildoers of history that is as evil as the central teaching of the Bible and the Koran namely that God will resurrect the human race and torture most of them in hell for all eternity Fifty per cent of the damned will be women The male God of monotheism is a hellfire pyromaniac Jesus Christ and Allah are arsonists who burn women alive This is the feminist issue of our times Lee uses the writings of theologian and lapsed Catholic Mary Daly one of the greatest feminist thinkers to explain their common conviction that feminism must now assume the role of the Antichrist and bring an end to monotheism
