Give the Perfect Blow Job MUST KNOW Techniques for Lasting Longer 12 Myths that are Killing Your Sex Life 21 SIZZLING Secrets That Will Transform Your Bedroom into a Sauna Tags marriage sex therapy sexual intimacy problems human sexuality sexual health techniques help with sex better in bed have better sex **The Everything Great Sex Book** Bobbi Dempsey, 2010-04-18 There's good sex and then there's great sex Toe curling shivering wake the neighbors sex But how do you get from one to the other The answers are at your fingertips Inside this revealing reference you'll find dozens of illustrated positions and valuable advice as veteran sex writer Bobbi Dempsey teaches you How to get naughty with games and sex talk Ways to position yourself for more enjoyable oral New tips on how to find and tantalize the G spot What position works best during pregnancy or to conceive How to jumpstart a lagging libido The secret to sustaining multiple orgasms And much more With updated information on doing the deed in new or unusual locations how your health affects your sex life and getting daring handcuffs anyone Dempsey truly does cover and uncover it all So why wait Dial up the passion and go from good to great Sexual Intelligence Rolando del Toro, 2020-11-09 Are you sexually intelligent What are the qualities that make a truly great lover Is it about being able to swing from chandeliers or knowing every page of the Kama Sutra by heart Or are there deeper qualities to being good in bed that speak more to the spirit of our actions than their substance In his new book Sexual Intelligence Rolando del Toro a renowned sex therapist with a past as a porn actor challenges readers to think about their sex lives as though they suddenly woke up to the South Pole tomorrow without any knowledge of the language and only a handful of rubles in their pockets To figure out what to do you'd need more than knowledge you would need intelligence he writes You'd need the ability to figure out what questions to ask how to find people who can help you how to make decisions in a different culture and so on That's what sexual intelligence is like not the ability to be great in bed or to function the way you did when you were 22 Rather sexual intelligence is expressed in the ability to create and maintain desire in a situation that's less than perfect or comfortable the capacity to adapt to your changing body curiosity and open mindedness about the meaning of pleasure closeness and satisfaction and the ability to adjust when things don't go as expected Rolando builds on his premise of sexual intelligence by offering us a beguilingly simple equation sexual intelligence = information + emotional skills + body awareness Accurate information is indeed crucial Many of us get our sexual information from all the wrong sources And I agree with Rolando's calculus that only by adding body awareness not just of your own body but also of your partner's can you hope to become truly sexually intelligent In sensate focus sex is initially taken off the table for couples and then gradually reintroduced one aspect at a time through a gradual process of touching connection and awareness during which each partner takes turns as giver and receiver The object of these exercises is for partners to develop a heightened sense of sexual self awareness and a keener understanding of what feels good to their partner People change Relationships change Why shouldn't sex And yet it's the natural changes of the sexual life cycle that so many couples in long term relationships find bedeviling and that's another reason why sexual intelligence is so important Rolando

encourages readers to cultivate erotic intelligence and reconcile the need for what's safe and predictable with the wish to pursue what's exciting mysterious and awe inspiring We are born sensuous we become erotic To cultivate the erotic is also to engage with sexuality as a quality of aliveness and vitality that extend beyond a mere repertoire of sexual techniques We learn to play be curious engage with our imagination anticipate Erotic intelligence is our ability to bring novelty to the enduring mystery to the familiar and surprise to the known Sexual intelligence is useful in different ways at different times of our life in our 20s in exploring the sexual world in our 30s in bonding with a partner and establishing a sexual rhythm in our 40s in tolerating and adapting to change in our 50s in saying goodbye to youthful sex in our 60s and beyond in creating a new sexual style Now that's really smart [Sex Antics with Which to Satisfy Your Man and Have Him Craving for You Alone](#)

On Penetration You have to make him feel welcomed into you like he is the King of your life I am not going to tell you what to do This is where you use your instinct to carve out various modes of making the first contact in your copulation memorable Make it count Come on make it special You can just signal to him to slow down while he is rushing to enter you and you control that entrance by rotating your hip with a seductive revolving motion Tilt your head backward enthralled and rapt in that sweet moment then take all of him into you like a music star that just appeared at the stage to a thunderous sound of applause from her fans

On riding with him Sex is more enjoyable when the two of you are also moving and not just moving but moving in sync hitting the spot together as in the time he is coming to the center is the same time you are coming to meet him and not the opposite You do not have to be riding away when he is riding home because if you meet him at the right spot that is when he gets the deepest penetration Waltz in sync with him

On Bump Grinding him You know when you are cowgirl riding him on top and just about to take him in position your body in such a way that he is tilted a bit and not straight inside you Start riding with your body making a very mild collision to his you will know because he will kind of be bumping against your vagina wall like a car jumping over bumps Yeah like that he is going to derive great pleasure when you bump grind him like that

On Dancing on his d ck Yeah you gotta dance on that d ck to the rhythm of that decadent Macka Diamond's Dye Dye Dye dancehall music that is playing in the back ground Whine your hip to their beats while grinding on him I mean that you are no more just whining on him you are now dancing on it Every bass kick and snare of those decadent beats gets edged into him in musical jerks and bumps and twerks Yes go ahead and write your name on that d ck girl Yeah get your E book and order for the hard copy too for keeps Whatcha waiting for
