Sexual Assault In Context Teaching Colle:

Sexual Assault in Context Christopher Kilmartin, Alan D. Berkowitz, 2014-04-08 Most North American colleges have programs that help students understand the harm done to victims of sexual violence and if prosecuted the potential consequences of their perpetrators. However, only a few programs also address those aspects of masculine culture that surround sexual assault. *Sexual Assault in Context* addresses the undesirable aspects of masculine culture that sustains the violation of women and girls. It examines several typically overlooked patterns of behavior that provide the basis for sexual assault and provides an overview of masculine psychological development as a context for sexual assault. The book also includes prevention strategies, information on funding and consultation issues, and additional resources for investigating further into male gender awareness and sexual assault. The text's hands-on practical approach helps counseling professionals negotiate educational, organizational, and logistical issues in helping college men understand the gendered context of sexual assault and harassment. This resource is intended to help reduce the incidence of sexual assault on college campuses as well as help men gain a greater understanding of cultural gender pressures, relationship skills, their impact on others, and the considerable influence male peer cultures have on how women are treated. *Sexual Assault in Context* provides an easy-to-read synopsis of male gender and sexual assault education strategies. It is intended as a resource for college counseling and/or violence prevention programs and for those interested in understanding the psychological and social effects of the current culture of masculinity.

Men's Violence Against Women Christopher Kilmartin, Julie Allison, 2007-03-28 This text offers a balance of clinical and social psychological theory and research as well as prevention and intervention techniques with the purpose of understanding and ultimately ending gender-based violence. The authors address several forms of violence including rape, intimate partner violence, stalking, and sexual harassment in a contemporary context.

Masculinities in Higher Education Jason A. Laker, Tracy Davis, 2011-07-15 *Masculinities in Higher Education* provides empirical evidence, theoretical support, and developmental interventions for educators working with college men both in and out of the classroom. The critical philosophical perspective of the text challenges the status quo and offers theoretically sound educational strategies to successfully promote men's learning and development. Contesting dominant discourses about men and masculinities and binary notions of privilege and oppression, the contributors examine the development and identity of men in higher education today. This edited collection analyzes the nuances of lived identities, intersections between identities, ways in which individuals participate in co-constructing identities, and in turn how these identities influence culture. *Masculinities in Higher Education* is a unique resource for graduate students and professional post-secondary educators looking for strategies to effectively promote college men's learning and development.

Intersections of Identity and Sexual Violence on Campus Jessica C. Harris, Chris Linder, 2023-07-03 While sexual violence has been present and prevalent on campus for decades, the work of recent college student activists has made it an issue of major societal and institutional concern. This book makes an important

contribution to and provides a foundation for better contextualizing and understanding sexual violence Each chapter in this edited volume focuses on populations that are not often centered in the discourse of campus sexual violence and accounts for individuals intersecting identities and how they interlock with larger systems of domination Challenging dominant ideologies concerning assumptions of white women as the only victims survivors the racialization of aggressors and the deleterious rape myths present in both research and practice this book draws attention to the complexities of sexual violence on the college campus by highlighting populations that are frequently invisible in research reporting and practice The book places sexual violence on campus in a historical context centering the experiences of populations relegated to the margins and highlighting the relationship between racism classism homophobia transphobia and other forms of domination to sexual violence The final chapters of the book explore how critical models of intervention and prevention and a critical analysis of existing institutional policies may be implemented across college campuses to better address sexual violence for multiple populations and identities in higher education This book will expand educators understanding of sexual violence to inform more effective policies procedures practice and research that reaches beyond preventing sexual violence and addresses the dominant systems from which sexual violence stems in an attempt to eradicate not just prevent the act and the issue

Men & Masculinities Michael S. Kimmel, Amy B. Aronson, 2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men's lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source Men Masculinities a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States

Sexual Crime Caryn E. Neumann, 2009-12-14 A contemporary fact filled resource on the historical legal medical and political aspects of a wide variety of sexual crimes Authoritative and informative Sexual Crime A Reference Handbook offers a thoroughly up to date report on an issue of extraordinary urgency It is an expert introduction to a variety of often misunderstood crimes Sexual Crime begins with a background chapter outlining the causes and definitions of sexual crime legal and cultural attitudes over the past three centuries and common myths surrounding this sensitive subject It then offers wide ranging coverage of issues including date rape crimes involving male victims rape in prison female perpetrators medical treatments political ramifications and other contemporary issues

Handbook of Research on Leading Higher

Education Transformation With Social Justice, Equity, and Inclusion Reneau, Clint-Michael, Villarreal, Mary Ann, 2021-06-25 With the resurgence of race related incidents nationally and on college campuses in recent years acts of overt racism hate crimes controversies over free speech and violence continue to impact institutions of higher education Such incidents may impact the overall campus racial climate and result in a racial crisis which is marked by extreme tension and instability How institutional leaders and the campus community respond to a racial crisis along with the racial literacy demands of the campus leaders can have as much of an effect as the crisis itself As such 21st century university leaders must become more emotionally intelligent and responsive to emergent campus issues Improving campus climate is hard and to achieve notable gains higher education professionals will have to reimagine how they approach this work with equity influenced practices and transformative leadership The Handbook of Research on Leading Higher Education Transformation With Social Justice Equity and Inclusion offers a window into understanding the deep intersections of identity and professional practice as well as guideposts for individual leadership development during contested times The chapters emphasize how identity manifests in the way we lead supervise make decisions persuade form relationships and negotiate responsibilities each day In this book the authors provide insight examples and personal narratives that explore how their identities lens and commitments shaped their leadership and supported their courageous acts for equity and social justice It provides practical tools that leaders can draw on to inform sustainable equity and inclusion focused practices and policies on college campuses and will discuss important campus climate issues and ways to address them This book is a valuable reference work for higher education administrators policymakers leaders managers university presidents social justice advocates practitioners faculty researchers academicians and students who are interested in higher education leadership practices that support and promote social justice equity and inclusion

Sex and Gender Heidi R. Riggio, 2025-10-16 The second edition of this popular textbook provides a current and comprehensive understanding of sex and gender that incorporates biological psychological and social approaches Using both scientific and feminist approaches in its analysis this book shows how sex and gender can only be properly understood when taking into account biopsychological approaches and the interactions between these processes The first section discusses a biological analysis that includes evolutionary cellular and genetic processes The second section considers a psychological and sociological analysis that discusses stereotypes sexism and theories of gender The third section discusses current global challenges surrounding sex and gender such as discrimination and religious and social oppression of various groups The new edition has been thoroughly updated to include more discussion of gender identities such as nonbinary and gender fluid as well as more coverages of global LGBTQIA rights and more global cultures and reproductive rights across the world Sex and Gender is an invaluable textbook that considers biological psychological and social processes as separate entities and interacting processes It is an essential resource for students and instructors on courses relating to sex and gender the psychology of gender gender studies and women s studies

who are looking for a thorough analysis of sex and gender studies Multiculturalism on Campus Michael J. Cuyjet, Diane L. Cooper, Mary F. Howard-Hamilton, 2023-07-03 The first edition of this book constituted a comprehensive resource for students of higher education faculty higher education administrators and student affairs leaders engaging with multiculturalism and diverse populations on college campuses It was one of the first texts to gather in a single volume the related theories assessment methods and environmental and application issues pertinent to the study and practice of multiculturalism while also offering approaches to enhancing multicultural programming and culturally diverse campus environments This second edition retains the structure and vision of the first introducing readers to the key theories and models for understanding the complexity of the students they serve and for reflecting on their own values and motivations It provides an array of case studies discussion questions examples of best practice and recommendations about resources for use in the classroom This edition includes a new chapter on intersectionality updates several chapters presents a number of new cultural frameworks and updated best practices for creating an inclusive environment for marginalized groups and expands the third section of the book on cultural competent practice *Criminology* Aida Y. Hass, Chris Moloney, William J. Chambliss, 2016-12-08 Connections among theory research and practice are the heart and soul of criminology This book offers a comprehensive and balanced introduction to criminology demonstrating the value of understanding the relationships between criminological theory research and practice in the study of crime and criminal behavior Utilising a range of case studies and thought provoking features it encourages students to think critically and provides a foundation for understanding criminology as a systematic theoretically grounded science It includes A comprehensive overview of crime in American society including the nature and meaning of crime and American criminal law as well as the scientific study of crime A concise straightforward and practical approach to the study of the American criminal justice system and its various components including individual chapters on police courts and corrections An overview of criminological theory including classical biological psychological and sociological approaches A survey of typologies of criminological behavior including interpersonal violent crimes property crime public order crime organized and white collar crime state crime environmental harm and cybercrime Concluding thoughts exploring challenges facing criminal justice policy and the future of criminological theory This new edition has been thoroughly revised and updated and includes brand new chapters on corrections courts criminal law law enforcement and technology and cybercrime It is packed with useful and instructive features such as themed boxed case studies in every chapter critical thinking questions lists of further reading and links to e resources A companion website includes PowerPoint slides for lecturers links to useful resources and lists of further reading

Encyclopedia of Interpersonal Violence Claire M. Renzetti, Jeffrey L. Edleson, 2008-06-19 This Encyclopedia is the definitive resource for students researchers and practioners needing further informationon various aspects of interpersonal violence including different forms of interpersonal violence incidence and prevalence theoretical explanations public policies

and prevention and intervention strategies *Violence Interrupted* Diane Crocker, Joanne Minaker, Amanda Neland, 2020-09-10 We live in a moment of renewed and highly visible action on the issue of sexual violence Rape culture is a real and salient force that dominates campus climates and student experiences Canada has drafted a national framework provincial legislation and institutional policy to address incidences of sexual violence and students have demanded that their universities respond Yet rape culture persists on campuses throughout North America *Violence Interrupted* presents different ways of thinking about sexual violence It draws together multiple disciplinary perspectives to synthesize new conceptual directions on the nature of the problem and the changes that are required to address it Analyzing survey data educational programs participatory photography projects interviews autoethnography legal case studies and existing policy contributors open up the conversation to illustrate sexual violence on campus as a structural cultural and complex social phenomenon The diversity of methodologies sets this study apart a problem as complex and far reaching as rape culture must be approached from a multitude of angles Decades have passed since student advocates first called for no means no campaigns but universities are still struggling to evolve *Violence Interrupted* answers the call by bridging the gap between advocacy research and institutional change **The Fictions that Shape Men's Lives** Christopher Kilmartin, 2021-04-20 *The Fictions that Shape Men's Lives* is structured around a number of key fictions of masculinity such as beliefs in biological determinism the inevitability of men's violence and the opposition of the sexes and proceeds to expose them to be wholly or partially unfounded Examining the social pressure to behave and experience the self in ways that culture prescribes for the bodies we are perceived as having this book provides an awareness of widely held but distorted assumptions of gender It also seeks to put men into the position to resist masculine social pressures when conforming to it conflicts with important life goals or values and or causes harm Making use of an informal storytelling style provides an accessibility to those interested in breaking down their preconceptions of gender and masculinity as well making links to key theories and concepts This is a lively and engaging book for undergraduates studying introduction to Gender Sexuality and Masculinity courses

Sexuality in Adolescence Susan Moore, Doreen Rosenthal, Susan M. Moore, Doreen A. Rosenthal, 2007-01-24 *Sexuality in Adolescence* considers the latest theory and research on adolescent development focusing on sexuality as a vital aspect of normal healthy maturation Biological changes are discussed within a social context and the latest research is presented on key issues of our time including changes in teenage sexual behaviours and beliefs sexual risk taking body dissatisfaction sex education teen pregnancy and abortion Susan Moore and Doreen Rosenthal explore the roles of parents peers the media social institutions and youth culture in adolescent sexual adjustment This volume covers topical issues ranging from the role of the internet in adolescent romance to the pros and cons of abstinence education versus harm minimization Issues such as whether there are male female differences in desire sexuality motives for sex and beliefs about romance are examined along with the question of whether a sexual double standard still exists Maladaptive aspects of sexual development including sexual

risk taking disease unplanned pregnancy and sexual coercion are also covered This fully revised and updated second edition also addresses the crucial issues of sexual minority adolescents the social determinants of adolescent sexuality sexual health as opposed to sexual illness This book aims to promote sexual well being and argues for the importance of the adolescent period as a time for engendering healthy sexual attitudes and practices It will be valuable reading for students in the social and behavioural sciences interested in adolescent development and the topic of sexuality and for professionals working with young people

Eliminating Gender-Based Violence Ann Taket, Beth R. Crisp, 2017-09-11 While promoting access to resources and systems of support for those affected by gender based violence is absolutely crucial this new book focuses attention on the important question of how communities can take action to prevent violence and abuse Using examples of current research and practice the book explores the actions that can be taken in individual sectors of society our schools faith communities campuses on our streets and using new popular technologies The contributors draw on global examples to highlight the importance of learning from the study of the interaction between socio political contexts and effective policies and strategies to address gender based violence Chapters take up the challenge of exploring the construction of effective programmes that address cognitive affective and behavioural domains They discuss what people know how they feel and how they behave and include the important challenge of how to engage men in working towards the elimination of gender based violence offering positive messages which build on men s values and predisposition to act in a positive manner Importantly such strategies place the responsibility for preventing gender based violence on the society as a whole rather than on vulnerable individuals This book is essential reading for anyone interested in gender studies women s studies social work sociology law and health studies Its unique approach focuses on the achievement of prevention at the earliest possible stage and examines the issue through a society wide but community focused lens

Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Robert W. Connell, 2004-07-20 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men s and boys identities conduct and problems The Handbook of Studies on Men and Masculinities is an interdisciplinary and international culmination of the growth of men s studies that also offers insight about future directions for the field The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways

in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library Prevention Program Development and Evaluation Robert K. Conyne, 2009-06-12 The use of seatbelts the requirements for smoke detectors and other kinds of public health interventions have been highly successful in reducing disability injuries and premature mortality Prevention in mental health identifying and treating mental illnesses before they become full blown syndromes or identifying people at risk for a condition is just as critical to public mental health This research based resource gives practitioners a nuts and bolts guide to designing and evaluating prevention programs in mental health that are culturally relevant and aimed at reducing the number of new problems that occur Key Features Employs a 10 step prevention program development and evaluation model that emphasizes the concepts of community collaboration and cultural relevance Offers a brief practical how to approach that is based on rigorous research Identifies specific prevention program development and evaluation steps Highlights examples of everyday prevention practices as well as concrete prevention programs that have proven effective implementation Promotes hands on learning with practical exercises instructive figures and a comprehensive reference list Intended Audience Written in a straightforward and accessible style Prevention Program Development and Evaluation can be used as a core text in undergraduate courses devoted to prevention or in graduate programs aimed at practice issues Current practitioners or policymakers interested in designing prevention programs will find this book to be an affable guide

Existential Psychology East-West (Volume 2) Louis Hoffman, Mark Yang, Monica Mansilla, Jason Dias, Michael Moats, Trent Claypool, 2020-06-17 Existential Psychology East West Volume 2 emerged from continued dialogues on existential psychology particularly existential humanistic psychology in Southeast Asia This volume includes authors from Southeast Asia India Africa Europe and the United States including Xuefu Wang Louise Sundararajan Mark Yang Louis Hoffman Al Dueck Albert Chan Donna Rockwell Ilene Serlin Rainbow Tin Hung Ho Rochelle Suri Meili Pinto and Anthony K Nkyi The book is divided into three sections 1 Theory and Practice 2 Applications and Case Illustrations and 3 Existential Perspectives on Cultural Myths The first three chapter focus on Zhi Mian Therapy an indigenous Chinese approach to existential psychology These chapters are the most comprehensive overview of Zhi Mian Therapy in English to date Other theory chapters include a discussion of international psychology from an existential humanistic perspective the concept of Sui Wu Fu Xing men s violence against women Sunyata and the concept of savoring The second section focuses on a variety of case illustrations to illuminate the practice of existential therapy in different cultural contexts The final section expands upon existential

perspectives of myths as developed in Rollo May's *The Cry for Myth* and *Existential Psychology East West* Volume 1 Seven myths from different cultural contexts are examined from an existential perspective Along with Volume 2 *Existential Psychology East West* Volume 2 represents a landmark contribution to the existential psychology literature *The Macho Paradox* Jackson Katz, 2019-06-04 A fully revised and updated edition to a classic bestseller *The Macho Paradox* is the first book to show how violence against women is a men's issue and how all genders can come together to stop it From the MeToo movement to current discussions about gender norms in schools sports politics and media culture *The Macho Paradox* incorporates the voices and experiences of the women men and others who have confronted the problem of gender violence from all angles Bestselling author Jackson Katz is a pioneering educator and activist on the topic of men's violence against women In this revised edition of his heralded book Katz outlines the ways in which cultural ideas about manhood contribute to men's sexually harassing and abusive behaviors and that men have a positive role to play in challenging and changing the sexist cultural norms that too often lead to gender violence This important book for abused women covers topics ranging from mental and emotional abuse to sexual harassment to domestic violence and is a vital read for women with controlling partners or as a self help book for men Praise for *The Macho Paradox* A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women Booklist If only men would read Katz's book it could serve as a potent form of male consciousness raising Publishers Weekly These pages will empower both men and women to end the scourge of male violence and abuse Katz knows how to cut to the core of the issues demonstrating undeniably that stopping the degradation of women should be every man's priority Lundy Bancroft author of *Why Does He Do That* Inside the Minds of Angry and Controlling Men **Resurrection After Rape** Matt Atkinson, 2008-06 A top selling best reviewed book about women's recovery from rape trauma *Resurrection After Rape* is an ideal resource for counselors treatment centers college course texts and survivors of rape
