Sexual Intelligence Marty Klein, 2002

Ideological and Political Bias in Psychology Craig L. Frisby, Richard E. Redding, William T. O'Donohue, Scott O. Lilienfeld, 2023-09-13 This book examines the traditional assumptions made by academics and professionals alike that have embedded sociopolitical biases that impede practice and undermine efforts to achieve an objective scientific status. If allowed to go unchallenged, the credibility of psychology as a discipline is compromised. This contributed volume thoroughly and comprehensively examines this concern in a conceptually and empirically rigorous manner and offers constructive solutions for minimizing undue political influences within the field of psychology. Societies in the 21st century desperately need reliable psychological science but we don't have it. This important volume explains one of the main reasons why we are making little progress on any issue that gets contaminated by the left-right culture war because the field of psychology is an enthusiastic member of one of the two teams so it rejects findings and researchers who question its ideological commitments. The authors of this engaging volume also show us the way out. They diagnose the social dynamics of bias and point to reforms that would give us the psychology that we need to address 21st century problems. Jonathan Haidt, Thomas Cooley Professor of Ethical Leadership, NYU Stern School of Business and author of *The Righteous Mind*. The boundaries of free speech, censorship, moral cultures, social justice, and ideological biases are among the many incendiary topics discussed in this book. If you are looking for a deep dive into real-world contemporary controversies, *Ideological and Political Bias in Psychology* fits the bill. The chapters are thoughtful and thought-provoking. Most readers will find something to agree with and something to rage at in almost every chapter. It just may change how you think about some of these topics. Diane F. Halpern, Professor of Psychology, Emerita, Claremont McKenna College and Past President, American Psychological Association. Unless the political left is always correct about everything, in which case we wouldn't need to do research, we could just ask a leftist. The growing political monoculture of social science is a major barrier to our search for the truth. This volume shows how ideological bias should be treated as a source of research error up there with classic methodological flaws like non-random assignment and non-blind measurement. Steven Pinker, Johnstone Professor of Psychology, Harvard University and the author of *Rationality*. An important read for academics curious about how their politics/fashions/beliefs that too often are uncritically taken for granted and for non-academics wondering why we can't shake off the politics that so influences scientific work. Vernon Smith, Nobel Laureate in Economic Sciences and George L. Argyros Chair in Finance and Economics, Chapman University. Advances and deepens empirically rigorous scholarship into biased political influences affecting academic and professional psychology. Offers constructive solutions for minimizing undue political influences within psychology and moving the field forward. Serves as a resource for psychological academicians, researchers, practitioners, and consultants seeking to restore the principles of accurate science and effective practice to their respective areas of research.

Sexual Politics, Sexual Communities John D'Emilio, 2012-04-26 With thorough

documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge Sexual Politics Sexual Communities supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D Emilio s new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D Emilio thoroughly documents in this important book George DeStefano Nation John D Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe

Sexual Politics Kate Millett, 2016-02-16 A sensation upon its publication in 1970 Sexual Politics documents the subjugation of women in great literature and art Kate Millett s analysis targets four revered authors D H Lawrence Henry Miller Norman Mailer and Jean Genet and builds a damning profile of literature s patriarchal myths and their extension into psychology philosophy and politics Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life This new edition features the scholar Catharine A MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett s work to challenging the complacency that sidelines feminism

Manhood and American Political Culture in the Cold War Kyle A. Cuordileone, 2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company

Political Culture and Cultural Politics in Early Modern England Susan Dwyer Amussen, Mark A. Kishlansky, 1995 Combining the work of major scholars on both sides of the Atlantic this volume seeks to explore the interconnections between popular culture and political activism at both the local and central levels Strongly influenced by the work of David Underdown the contributions range across a spectrum of social and political history from witchcraft to the aristocracy from forest riots to battles of the civil war The volume combines chapters from historians of gender of political theory of social structure and of high politics Within this diversity the contributors offer a cohesive approach to the study of early modern England encouraging the exploration of mentalities and political activities as well as artistic rendering writing and ceremony within the widest context of cultural politics

Irish Modernism and the Politics of Sexual Health Lloyd (Meadhbh) Houston, 2023 Irish Modernism and the Politics of Sexual Health explores the politicized role of sexual health as a concept discourse and subject of debate within Irish literary culture from 1880 to 1960 Combining perspectives from Irish Studies Modernist Studies and the Social History of Medicine it traces the ways in which authors politicians and activists in nineteenth and twentieth century Ireland harnessed debates over sexual hygiene venereal disease birth control fertility and eugenics to envisage competing models of Irish identity culture and political community Analyzing the work of canonical authors Yeats Synge Shaw Joyce Beckett Flann O Brien and less often discussed figures George Moore

Oliver Gogarty Signe Toksvig Kate O'Brien in conversation with medical scientific and legal writing on sexual health it charts how the medicalization and politicization of sex informed the emergence and development of modernism in Ireland At the same time by reading this literary material alongside the polemical and journalistic writing of figures such as Arthur Griffith Maud Gonne and Hanna Sheehy Skeffington it also reveals the ways in which key events in Irish cultural and political history the Parnell Split the Limerick Pogrom the Playboy riots the passage of the Censorship of Publications Act were shaped by ongoing debates and dilemmas in the field of sexual health This book will benefit students researchers and readers interested in the history of sex and its regulation in modern Ireland the impact of sex and medicine on Irish political history and the nature of modernism's engagement with sex health and the body

Development, Sexual Cultural Practices and

HIV/AIDS in Africa Samantha Page, 2018-12-19 This open access book introduces the theoretical frameworks and academic debates concerning sexual cultural practices and HIV AIDS in Africa It shows how these frameworks have been applied in a practical sense in Africa to investigate sexual cultural practices and their link with HIV AIDS The author provides an overview of both the field of study and the methods used during fieldwork Finally it assesses the implications of the findings for the conceptualization and provision of current and future HIV AIDS policies and programs in Africa This monograph will appeal to policy makers and practitioners working in the field of HIV AIDS in the Global South as well as academics and students

Sexual Politics in Indonesia S. Wieringa, 2002-05-21 This book analyzes the interaction between nationalism feminism and socialism in Indonesia since the beginning of the twentieth century until the New Order State of President Suharto The focus is on the communist women's organization Gerwani which was by 1965 the largest communist women's organization in the non communist world Gerwani members combined feminist demands such as a reform of the marriage law with an insistence upon a political role for women The organization was destroyed in a campaign of sexual slander orchestrated by the military under General Suharto Hundreds of thousands of people were killed President Sukarno lost his power and General Suharto took over

Technology, Power and Society, 2025-08-07 Technology Power and Society Critical Perspectives on the Global Digital Transformation offers a critical exploration of how digitalization datafication and automation impact societies worldwide with a particular focus on underrepresented and understudied contexts This interdisciplinary volume unpacks the sociopolitical dynamics of new technologies investigating their potential to empower disrupt and transform social structures across varied cultural landscapes The book takes a broad view at various critical issues pertaining to digital media technologies and the socio cultural challenges that come with their rise How do big tech platforms try to dominate Internet access in the Global South To what extent can they offer ways for resistance where do they pose risks for activists How do current technology discourses maintain gender stereotypes and imbalances How do visions of AI differ between political cultures And how can we develop methodologies capable of capturing the complexity of global technology trends and their local manifestations By bringing together global perspectives this collection moves beyond

conventional narratives to foster a nuanced understanding of how digital transformations both challenge and reshape local contexts

Black Masculinity and Sexual Politics Anthony J. Lemelle, Jr., 2010-04-26 This book is about how African American males experience masculinity politics and how U S sexism and racial ranking influences relationships between black and white males Lemelle argues that the only way to accommodate African American males is to eliminate sexism particularly as it appears in the organization of families

The Politics of Child Sexual Abuse Nancy Whittier, 2011 The Politics of Child Sexual Abuse is the first study of activism against child sexual abuse tracing its emergence in feminist anti rape efforts its development into mainstream self help and its entry into mass media and public policy Nancy Whittier deftly charts the development of the movement s therapeutic politics demonstrating that activists viewed tactics for changing emotions and one s sense of self as necessary for widespread social change and combined them with efforts to change institutions and the state A lucid and moving account this book draws powerful lessons about the transformative potential of therapeutic politics their connection to institutions and the processes of incomplete social change that characterize American politics today

America's War on Sex Marty Klein Ph.D., 2012-04-13 This book exposes how a coalition of political religious and civic leaders are using the issue of sex to frighten misinform and bully Americans paving the way for dramatic new public policies that are already restricting everyone s rights Americans are more vulnerable today than ever to anxiety about sexual danger to believing that their sexuality is not normal or moral and to laws and public policies that restrict their rights criminalize their consenting behavior and confuse and miseducate their children In the second edition of America s War on Sex The Continuing Attack on Law Lust and Liberty psychologist sex therapist and courtroom expert witness Marty Klein sets the record straight and uncovers how the Sexual Disaster Industry works a powerful social and political propaganda machine that is supported by the very citizens it victimizes This book analyzes eight battlegrounds in which America s War on Sex is being fought and examines how each one is the focus of an unrelenting struggle to regulate sexuality in direct contradiction to our Constitutional guarantees scientific fact and the needs of average Americans Klein places these various attacks on our rights in historical context explains how the money and political power are coordinated from the same sources and shows how the Religious Right inflames Americans anxiety about sexuality even as it proposes repressive schemes to reduce that anxiety This book tackles a sensitive and volatile topic head on addressing how the political social historical religious and emotional issues surrounding public policy interfaces with sexuality as no other work has before

Interweaving Tapestries of Culture and Sexuality in the Caribbean Karen Carpenter, 2017-07-30 This book brings together the most recent work of Caribbean psychologists in the English speaking islands of Jamaica Barbados and Trinidad on gender and sexuality The authors analyse the unique challenges posed by contradictions between cultural values and modern sexual expression in the region They examine a broad range of topics such as conceptions of gender roles in primary school children sexual behavior and emotional social intelligence in adolescents and sexual identities and

orientations in adults Chapters cover issues including how women who have sex with women WSWs self identify the Lebenswelt life world of men who have sex with men MSM in Jamaica transsexual care and its psychological impact the influence of music on sexuality how intimacy is defined as well as the relationship between identity formation and the fear of intimacy in Jamaica and the practice of polyamory in Jamaica and Trinidad This distinctive collection is the first of its kind grounded in both qualitative and quantitative research It presents a sophisticated comparative analyses of the cultures of the Anglophone Caribbean represented by Trinidad Jamaica and Barbados to offer a broader discussions of intimacy and relationships With practical implications for therapy it will be of great interest to scholars and practitioners of gender and sexuality studies psychology and culture

Sexual Justice Morris B. Kaplan, 2013-03-07 Sexual Justice defends a robust a robust conception of lesbian and gay rights emphasizing protection against discrimination and recognition of queer relationships and families Synthesizing materials from law philosophy psychoanalysis and literature Kaplan argues that sexual desire is central to the pursuit of happiness equal citizenship requires individual freedom to shape oneself through a variety of intimate associations

Culture Wars, Universities, and the Political Unconscious Robert Samuels, 2024-06-01 This book argues that whenever we are talking about cancel culture identity politics political correctness antisemitism conspiracy theories or the alt Right we are dealing with a culture war which often pits two sides against each other in a split world of good and evil These political representations rely on a set of unconscious processes best understood through psychoanalysis As this book argues if you want to comprehend the rhetoric of the Right the Left conservatives and centrists it is necessary to see how these ideologies rely on unacknowledged defense mechanisms fantasies fears and desires In fact if we do not employ psychoanalytic concepts to examine our political investments we will be unable to get to the root causes driving these social productions Each chapter of this book looks at a specific writer s or politician s take on contemporary culture wars One of the reoccurring themes concerns the way free speech has been weaponized by different ideological formations and this battle over free expression is often centered on the role that universities play in balancing the demands among competing social interests This book will not only clarify what universities should be but it will also help us to move beyond our polarized political world

Security as Politics Neal Andrew W. Neal, 2019-03-21 Andrew W Neal argues that while security was once an anti political exception in liberal democracies a black box of secret intelligence and military decision making at the dark heart of the state it has now become normalised in professional political life This represents a direct challenge to critical security studies debates and their core assumption that security is a kind of illiberal and undemocratic anti politics Using archival research and interviews with politicians Neal investigates security politics from the 1980s to the present day to show how its meaning and practice have changed over time In doing so he develops an original reassessment of the security politics relationship

Sexual Politics and Narrative Film Robin Wood, 1998 An examination of the relationship between narrative style and sexual politics Looking at contemporary films from the USA Europe and Japan

the book examines the ways in which films relate to sexual politics and the organization within our culture of gender and sexuality *Culture, Society and Sexuality* Richard Guy Parker, Peter Aggleton, 1999 This work offers an introduction to the central debates in sexuality research Among the issues examined are the social and cultural dimensions of sex human sexuality and sex research *Sexual Cultures and the Construction of Adolescent Identities* Janice Irvine, 2009 Adolescent sexual awakening is reevaluated in terms of social and cultural influences
