*Advancing Sexual and Reproductive Health and Rights in Africa* Ebenezer Durojaye,Gladys Mirugi-Mukundi,Charles Ngwena,2021-07-01 This book explores recent developments constraints and opportunities relating to the advancement of sexual and reproductive health and rights in Africa Despite many positive developments in relation to sexual and reproductive health in recent years many Africans still encounter challenges for instance in poor maternity services living with HIV and discrimination on the basis of age gender sexual orientation or identity Covering topics such as abortion gender identity adolescent sexuality and homosexuality the chapters in this book discuss the impact of culture morality and social beliefs on the enjoyment of sexual and reproductive health and rights across the continent particularly in relation to vulnerable and marginalized groups The book also explores the role of litigation national human rights institutions and regional human rights bodies in advancing the realization of sexual and reproductive health and rights in the region Throughout the contributions highlight the relevance of a rights based framework in addressing topical and contentious issues on sexual and reproductive health and rights within Sub Saharan Africa This book will be of interest to researchers of sexuality civil rights and health in Africa The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003175049> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

**The Oxford Handbook of Women, Peace and Security** Sara E. Davies,Jacqui True,2019 Passed in 2000 the United Nations Security Council Resolution 1325 and subsequent seven Resolutions make up the Women Peace and Security WPS agenda This agenda is an international policy framework addressing the gender specific impacts of conflict on women and girls including protection against sexual and

gender based violence promotion of women s participation in peace and security processes and support for women s roles as peace builders in the prevention of conflict and rebuilding of societies after conflict The handbook addresses the concepts and early history behind WPS international institutions involved with the WPS agenda the implementation of WPS in conflict prevention and connections between WPS and other UN resolutions and agendas

*Encyclopedia of Rape and Sexual Violence* Merrill D. Smith,2018-05-03 This two volume set provides an authoritative overview of rape and other forms of sexual violence containing the latest information about victims and perpetrators events laws and trends related to sexual violence and attitudes toward it This encyclopedia will help readers to develop a deeper understanding of rape and other forms of sexual violence in the United States and around the world Content illuminates all aspects of this serious issue including the forms of trauma experienced by survivors victims different types of rape from incest to acquaintance rape to prison rape specific cases events and controversies laws policies movements and organizations pertaining to the issue and legal political and cultural contributors to rape and other forms of sexual violence *Encyclopedia of Rape and Sexual Violence* follows an A Z format but instead of comprising brief overview entries it features twenty chapters each of which is a long form entry that covers key perspectives laws court cases and statistics on survivors victims and perpetrators Leading scholars and activists perspectives on the subject add depth to the information provided the set also includes a selection of essential primary documents

**Women and Transitional Justice** Lisa Yarwood,2013 This book discusses the evolving principle of transitional justice in public international law and international relations from the female perspective The book contains contributions from a range of experts in the field of TJ The range of experiences and knowledge in this collection provide a fresh and unique perspective in the blend of theory and practice that these contributions collectively provide

**Handbook of Research on Exploring Gender Equity, Diversity, and Inclusion Through an Intersectional Lens** Meletiadou, Eleni,2023-06-02 Organizations worldwide have introduced equality diversity and inclusion EDI policies to address the inherent disadvantages experienced by employees with diverse social identities in different national contexts EDI policies are present to address the inherent disadvantages and inequalities experienced by a diverse workforce The *Handbook of Research on Exploring Gender Equity Diversity and Inclusion Through an Intersectional Lens* reports on current challenges that organizations face in terms of gender diversity management and provides crucial research on the application of strategies designed to increase organizational change and support and integrate diverse individuals including physically disabled individuals women and people of color into organizations Covering key topics such as mental health tolerance and a sustainable workforce this major reference work is ideal for managers business owners administrators government officials policymakers researchers scholars academicians practitioners instructors and students

*Women and War* Joyce P. Kaufman,Kristen P. Williams,2010 Women everywhere have long struggled for recognition as equal productive members of society worthy of taking part in the political process These struggles become even more pronounced in times of conflict and

war when the symbolism and myths of womanhood are used to stoke nationalistic ideas about the survival of the state Yet for all the rhetoric that takes place in their name it s men who generally make decisions regarding war Women and War examines how women respond to situations of conflict Drawing on both traditional and feminist international relations theory it explores the roles that women play before during and after a conflict how they spur and respond to nationalist and social movements and how conceptions of gender are deeply intertwined with ideas about citizenship and the state As Kaufman and Williams show women do more than respond to conflict situations they are active agents in their own right shaping political and historical processes Their conclusions encourage us to rethink the prevalent assumptions of international relations history and feminist scholarship and theory

The Multimedia Encyclopedia of Women in Today's World Mary Zeiss Stange,Carol K. Oyster,Jane E. Sloan,2013-01-09 This e only volume expands and updates the original 4 volume Encyclopedia of Women in Today s World 2011 offering a wide range of new entries and new multimedia content The entries reflect such developments as the Arab Spring that brought women s issues in the Islamic world into sharp relief the domination of female athletes among medal winners at the London 2012 Olympics nine more women joining the ranks of democratically elected heads of state and much more The 475 articles in this e only update accompanied by photos and video clips supplement the themes established in the original edition providing a vibrant collection of entries dealing with contemporary women s issues around the world

**Rethinking Peacekeeping, Gender Equality and Collective Security** G. Heathcote,D. Otto,2014-09-01 This book examines how the Security Council has approached issues of gender equality since 2000 Written by academics activists and practitioners the book challenges the reader to consider how women s participation gender equality sexual violence and the prevalence of economic disadvantages might be addressed in post conflict communities

**Documents on the Law of UN Peace Operations** Bruce Oswald,Helen Durham,Adrian Bates,2010 A collection of key law and policy documents and notes relevant to UN peace operations Pref

**Legal Mobilization for Human Rights** Gráinne de Búrca,2022-03-21 The traditionally top down focus in human rights scholarship on laws institutions and courts has begun to turn towards a bottom up focus on activists advocacy groups affected communities and social movements The essays collected in Legal Mobilization for Human Rights examine a range of issues including which groups claim rights what they are mobilizing to protect the goals they pursue the forums they use the obstacles they encounter and the extent of their success or failure Case studies reveal key themes such as the importance of human rights to marginalized communities how political and societal authoritarianism shapes opportunities for effective mobilization the importance of the choice of forum for instigating change the role intermediary actors such as NGOs play in innovating strategies to address challenges the possibilities for subaltern mobilization to reshape human rights law and the importance of supporting genuinely community led legal mobilization

Strengthening the Rule of Law through the UN Security Council Jeremy Farrall,Hilary Charlesworth,2016-04-14 The UN Security Council formally acknowledged an obligation to promote justice and the rule of

law in 2003 This volume examines the extent to which the Council has honoured this commitment when exercising its powers under the UN Charter to maintain international peace and security It discusses both how the concept of the rule of law regulates or influences Security Council activity and how the Council has in turn shaped the notion of the rule of law It explores in particular how this relationship has affected the Security Council's three most prominent tools for the maintenance of international peace and security peacekeeping sanctions and force In doing so this volume identifies strategies for better promotion of the rule of law by the Security Council This book will be of interest to scholars and students of international law international relations international development and peacekeeping

**The Limitations of the Law of Armed Conflicts: New Means and Methods of Warfare** Pablo Antonio Fernández-Sánchez, 2022-05-09 In the law of armed conflicts one of the elements that has changed the most has been the means and methods of warfare Yet there are few legal answers for the many questions these changes pose This volume therefore seeks to identify the limitations of current international law on this double plane the means and methods of combat and to offer insights about how to address them Topics include the use of nuclear energy which without being a weapon can have the same effect as one chemical and biological weapons autonomous artificial intelligence weapons and biobots Similarly fake news the hostile use of cyberspace lawfare the use of big data terrorism as a combat method premeditated poisoning sexual humiliation the impact of such news on the armed forces and the reorganization needed to face the new scenarios are all situations not contemplated in classical law and which require new legal and operational responses

*Women and Wars* Carol Cohn, 2013-04-03 Where are the women In traditional historical and scholarly accounts of the making and fighting of wars women are often nowhere to be seen With few exceptions war stories are told as if men were the only ones who plan fight are injured by and negotiate ends to wars As the pages of this book tell though those accounts are far from complete Women can be found at every turn in the gendered phenomena of war Women have participated in the making fighting and concluding of wars throughout history and their participation is only increasing at the turn of the 21st century Women experience war in multiple ways as soldiers as fighters as civilians as caregivers as sex workers as sexual slaves refugees and internally displaced persons as anti war activists as community peace builders and more This book at once provides a glimpse into where women are in war and gives readers the tools to understand women's told and untold war experiences in the greater context of the gendered nature of global social and political life

**The Political Economy of Violence against Women** Jacqui True, 2012-08-28 Violence against women is a major problem in all countries affecting women in every socio economic group and at every life stage Nowhere in the world do women share equal social and economic rights with men or the same access as men to productive resources Economic globalization and development are creating new challenges for women's rights as well as some new opportunities for advancing women's economic independence and gender equality Yet when women have access to productive resources and they enjoy social and economic rights they are less vulnerable to violence across all societies The

Political Economy of Violence against Women develops a feminist political economy approach to identify the linkages between different forms of violence against women and macro structural processes in strategic local and global sites from the household to the transnational level In doing so it seeks to account for the globally increasing scale and brutality of violence against women These sites include economic restructuring and men s reaction to the loss of secure employment the abusive exploitation associated with the transnational migration of women workers the growth of a sex trade around the creation of free trade zones the spike in violence against women in financial liberalization and crises the scourge of sexual violence in armed conflict and post crisis peacebuilding or reconstruction efforts and the deleterious gendered impacts of natural disasters Examples are drawn from South Africa Kenya the Democratic Republic of Congo China Ciudad Juarez in Mexico the Pacific Islands Argentina Eastern Europe Central Asia Haiti Sri Lanka Indonesia New Zealand Ireland the United Kingdom the United States and Iceland

**Issues in Peace and Conflict Studies** CQ Researcher,2010-10-12 Do nation states have a Responsibility to Protect Can countries heal after atrocities Who should clean up after conflicts end These questions and many more are at the heart of peace and conflict studies This collection aims to promote in depth discussion facilitate further research and help readers formulate their own positions on crucial issues It is intended to be a supplement for courses in peace and conflict studies that are offered in departments of psychology sociology anthropology political science and across all social science disciplines About CQ Researcher Readers In the tradition of nonpartisanship and current analysis that is the hallmark of CQ Press CQ Researcher readers investigate important and controversial policy issues Offer your students the balanced reporting complete overviews and engaging writing that CQ Researcher has consistently provided for more than 80 years Each article gives substantial background and analysis of a particular issue as well as useful pedagogical features to inspire critical thinking and to help students grasp and review key material A pro con box that examines two competing sides of a single question A detailed chronology of key dates and events An annotated bibliography that includes Web resources An outlook section that addresses possible regulation and initiatives from Capitol Hill and the White House over the next 5 to 10 years Photos charts graphs and maps

[The Oxford Handbook of the International Law of Global Security](#) Robin Geiß,Nils Melzer,2021-02-16 Understanding the global security environment and delivering the necessary governance responses is a central challenge of the 21st century On a global scale the central regulatory tool for such responses is public international law But what is the state role and relevance of public international law in today s complex and highly dynamic global security environment Which concepts of security are anchored in international law How is the global security environment shaping international law and how is international law in turn influencing other normative frameworks The Oxford Handbook of the International Law of Global Security provides a ground breaking overview of the relationship between international law and global security It constitutes a comprehensive and systematic mapping of the various sub fields of international law dealing with global security challenges and offers authoritative guidance on key trends

and debates around the relationship between public international law and global security governance This Handbook highlights the central role of public international law in an effective global security architecture and in doing so addresses some of the most pressing legal and policy challenges of our time The Handbook features original contributions by leading scholars and practitioners from a wide range of professional and disciplinary backgrounds reflecting the fluidity of the concept of global security and the diversity of scholarship in this area

**Governing the Feminist Peace** Paul C. Kirby, Laura Shepherd, 2024-04-02 The Women Peace and Security WPS agenda is celebrated as a landmark global framework for achieving gender equality in peace and security governance Its power is visible in two decades of United Nations resolutions national action plans regional initiatives and countless activist academic and philanthropic projects Yet despite this vitality it is haunted by failure as a lack of political will and stubborn patriarchal resistance frustrate its promise This book offers a groundbreaking critical account of the WPS agenda exploring its evolution in relation to the wider politics of global governance and feminism Paul Kirby and Laura J Shepherd argue that WPS is not a settled cohesive policy but a field in flux defined and disrupted by a growing number of national supranational subnational and transnational agents who in turn act on an expanding catalogue of threats from climate change to homophobia challenging traditional boundaries of peace and security Kirby and Shepherd reconceptualize WPS as a policy ecosystem tracing interaction and contestation around the agenda across levels from the UN Security Council to military alliances to feminist activists They combine analysis of a vast dataset of policy documents with key informant interviews and close readings of diplomacy statecraft the politics of indigeneity counterinsurgency antimilitarism human rights and the arms trade across the first twenty years of WPS Far reaching and incisive **Governing the Feminist Peace** poses a provocative question What if we abandoned the idea of the WPS agenda as a unified political project altogether

**Talking International Law** Ian Johnstone, Steven Ratner, 2021-09-09 Examining legal argumentation by states and other actors in the settings where it mostly transpires outside of courts **Talking International Law** challenges the realist assumption that legal argumentation is largely inconsequential Addressing a gap in scholarship within international law and international relations theory this book provides a comprehensive analysis of why it occurs how where and to what effect by exploring the phenomenon in a range of issue areas from security and human rights to the environment trade and intellectual property Diplomats and other governmental actors are the principal participants in international legal discourse but intergovernmental officials non governmental organizations academics corporations and even non state armed groups also engage in law talk Through close examination of legal arguments in political and other settings the authors uncover various motives these actors have for making legal claims including persuasion strategic calculations assertions of identity and the felt need to legitimate one's actions or to delegitimize those of an adversary Legal argumentation can have short term and long term effects both intended and unintended on immediate participants or a wider net of actors By bringing together distinguished scholars with diverse

perspectives and senior practitioners from around the world who engage in such argumentation themselves the book offers a unique exposure to the multi faceted practice of legal argumentation and thereby deepens our understanding of how international law actually operates in international affairs

## Reviewing **Sexual Resolutions**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing.
