*A Student's Guide to Culture* John Stonestreet, Brett Kunkle, 2020-01-01 The student edition of the popular *A Practical Guide to Culture* by John Stonestreet and Brett Kunkle delivers a hopeful message to readers ages 15-25 who live every day with increasing cultural pressure. These young people struggle to navigate contemporary challenges to their Christian faith and values but will be encouraged to emerge as leaders. In *A Student's Guide to Culture* Stonestreet and Kunkle write in a highly relational style sharing insight and experience. Jumping off from the original version, this guide includes all new discussion questions and stories that remind young readers that they can live differently and be a light in a culture that sometimes feels overwhelming. *Aftershock* Joann Condie, 2020-10-06 In *Aftershock*, an experienced counselor and therapist offer hope and a practical plan for women who have discovered their husband's struggle with pornography and other sexual infidelities. What do you do when your inner world is crumbling in the aftermath of this devastating betrayal? Read this book. From the seven steps for self-care and learning how to deal with the emotions that follow this unwelcome news to considering the why of his behavior and deciding on a plan of action, this book gives women a process to follow once they find themselves in aftermath. Based on biblical principles and psychologically sound advice, *Aftershock* is designed to help women heal, grow, and receive restoration for themselves, their husbands, and their marriages. Readers are encouraged to journal to aid in the healing process, and at the end of each chapter, they will find reflection questions and a prayer to help them absorb the material. *Saturday Review of Literature*, 1929 **Mirabella**, 1996 *Lear's*, 1993 Wounded Pastors Carol Howard Merritt, James Fenimore, 2024-01-16 You're not alone in your ministry. And you don't have to suffer in silence. Ministry is a stressful vocation with unspoken expectations, projected anxieties, and conflicting demands. After the pandemic caused a sudden shift to online worship and factions fighting over when and how to return to in-person worship, pastors have been leaving congregational ministry at even higher rates than usual. The emotional fallout of burnout and abuse at the hands of parishioners is something pastors carry for years, whether they stay or leave the congregation. Seasoned pastor Carol Howard Merritt and psychotherapist and former pastor James Fenimore join their expertise to offer validation, support, and guidance for pastors who have been hurt by the church. With wisdom that can come only from experience, they describe and define aspects of struggle and pain readers may have difficulty articulating or claiming for themselves, and they offer compassionate, informed guidance on how to find healing. A systems approach to conflict sheds light on the dynamics of church conflict and how clergy can tend their own well-being amid leadership challenges. The final

chapter helps readers consider their overall vocational path based on what they've experienced and decide whether they can remain in congregational ministry or need to pursue a different line of work      New York Magazine ,1997-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      The Advocate ,2002-10-29 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States      *Training and Development Organizations Directory* Janice W.
