“Empowering College Students to Become Sexual Citizens”

Book discussion for USC Parents 9/29/22

Sexual Citizen

Diane Richardson, Steven Seidman

Sexual Citizen:

Sexual Citizens Brenda Cossman, 2007 This book explores the relationship between sex and belonging in law and popular culture arguing that contemporary citizenship is sexed privatized and self disciplined Former sexual outlaws have challenged their exclusion and are being incorporated into citizenship But as citizenship becomes more sexed it also becomes privatized and self disciplined The author explores these contesting representations of sex and belonging in films television and legal decisions She examines a broad range of subjects from gay men and lesbians pornographers and hip hop artists to women selling vibrators adulterers and single mothers on welfare She observes cultural representations ranging from Queer Eye for the Straight Guy to Dr Phil Sex in the City to Desperate Housewives She reviews appellate court cases on sodomy and same sex marriage national welfare reform and obscenity regulation Finally the author argues that these representations shape the terms of belonging and governance producing good and bad sexual citizens based on the degree to which they abide by the codes of privatized and self disciplined sex

Sexual Citizenship David Evans, 2013-01-11 This enthralling and provocative book provides a new grounding for the understanding of sexual rights It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals bisexuals transvestites transsexualists and children Meticulous focused and challenging it will be required reading for anyone interested in modern human sexualities

Gender, Sexual Citizenship and Epistemic Injustice in the Caribbean Charmaine Crawford, 2025-03-18 This book interrogates the relationship between gender sexual citizenship and epistemic injustice as it relates to the experiences of LGBTQ persons in the Commonwealth Caribbean Whether it is the recognition of gender sexual identities sexual freedom bodily autonomy marriage or creating a family sexual citizenship encompasses different aspects of our intimate lives that have erotic social and economic value that are organised and legitimised through the family religion law state family and civil society Employing decolonial feminist queer perspectives this book considers how race gender and sexuality intersect through matrices of power in shaping intimate life in giving more rights and freedoms to some over others While Caribbean sexualities are rich and diverse there still exists dominant colonial and post colonial heteropatriarchal ideologies and practices that infringe on the sexual rights of Caribbean LGBTQ persons normalising discriminatory treatment homophobia lesbophobia and transphobia against them Despite efforts to silence Caribbean LGBTQ persons they have politicised their cause by engaging in epistemic resistance Caribbean LGBTQ activism encompasses a myriad of social justice efforts incorporating intersectional politics with feminists and other groups which validate queer identities knowledges and lives in the region and diaspora This book showcases how Caribbean LGBTQ activists are using strategic litigation anchored in social justice hermeneutics to upend vagrancy and anti buggery laws which has led to successful decriminalisation cases in the region This book will interest researchers and students in women s

gender and sexuality studies and Caribbean studies

Youth, Sexuality and Sexual Citizenship Peter Aggleton, Rob

Cover, Deana Leahy, Daniel Marshall, Mary Lou Rasmussen, 2018-10-10 Sexual citizenship is a powerful concept associated with debates about recognition and exclusion agency respect and accountability For young people in general and for gender and sexually diverse youth in particular these debates are entangled with broader imaginings of social transitions from child to adult and from unreasonable subject to one who can consent This international and interdisciplinary collection identifies and locates struggles for recognition and inclusion in particular contexts and at particular moments in time recognising that sexual and gender diverse young people are neither entirely vulnerable nor self reliant Focusing on the numerous domains in which debates about youth sexuality and citizenship are enacted and contested Youth Sexuality and Sexual Citizenship explores young people s experiences in diverse but linked settings in the family at school and in college in employment in social media and through engagement with health services Bookended by reflections from Jeffrey Weeks and and Susan Talburt the book s empirically grounded chapters also engage with the key debates outlined in it s scholarly introduction This innovative book is of interest to students and scholars of gender and sexuality health and sex education and youth studies from a range of disciplinary and professional backgrounds including sociology education nursing social work and youth work

Sexual Citizenship and Disability Julia Bahner, 2019-12-05 What does sexual citizenship mean in practice for people with mobility impairments who may need professional support to engage in sexual activity The book explores this subject through empirical investigation based on case studies conducted in four countries Sweden England Australia and the Netherlands and develops the abstract notion of sexual citizenship to make it practically relevant to disabled people professionals in disability services and policy makers Through a cross national approach it demonstrates the variability of how sexual rights are understood and their culturally specific nature It also shows how the personal is indeed political states different policy approaches change the outcomes for disabled people in terms of support to explore and express their sexualities By proposing a model of sexual facilitation that can be used in policy development to better cater to disabled service users needs as well as furthering the theoretical understanding of sexual rights and sexual citizenship this book will be of interest to professionals in disability services and policy makers as well as academics and students working in the following subject areas Disability Studies Sociology Social Policy Sexuality Studies Sexology Social Work Nursing Occupational Therapy and Public Health

Sexual Citizenship and Social Change Darren Langdridge, 2024 There has been enormous change in social and state acceptance regarding sex and sexualities over the last thirty years or so in the West with an apparent new acceptance and openness towards diverse sexual practices and sexualities Much of this change has come about through community claims for rights grounded in critical social theory and the language of citizenship While accepting that much of this critique has been valuable in advancing rights for sexual minorities Sexual Citizenship and Social Change raises the spectre that the mode of critique itself may now have become problematic To this end this book examines

the use and abuse of critique in contemporary sexuality scholarship and associated activism and presents an argument that a new danger for contemporary sexual life emerges from an excess of critique This implicates a particular form of critique that is detached and unfettered set loose from the usual anchor of tradition What is most dangerous of all with this excess of unfettered critique is that it emerges from within minority sexual communities and their allies not from the usual conservative opposition to progressive change Even the most ostensibly well meaning critic and associated critique can become problematic when their arguments are detached from tradition So while recognising there is proven value in critique it has limits and we are arguably witness to some sensible limits being breached While other authors focus their critical efforts on resistance to change and the limitations of tradition Sexual Citizenship and Social Change takes on critique itself

Sexual Citizenship and Queer Post-Feminism Ruby Grant, 2020-08-05 Sexual Citizenship and Queer Post Feminism makes new connections between post feminism and queer theory to explore the complexities of contemporary gender and sexuality In a wide ranging examination of sex education safe sex and sexual healthcare this book demonstrates how queer post feminist discourses practically shape young women s lives Bisexual pansexual non binary queer With the ever expanding scope of gender and sexuality categories some feminists have bemoaned a shrinking of the lesbian world But how do young women understand these identity politics Drawing on extensive interviews with queer young people this book offers a timely exploration of the links between identity sex and health Utilising cross disciplinary perspectives grounded in international social science research this book will appeal to students and scholars with interests in sexuality and sexual health and those in the fields of gender and sexuality studies public health social work and sociology The book also offers implications for practice suitable for policy makers health practitioners and activist audiences **Sexuality and Citizenship** Diane Richardson, 2017-09-18 Sexual citizenship has become a key concept in the social sciences It describes the rights and responsibilities of citizens in sexual and intimate life including debates over equal marriage and women s human rights as well as shaping thinking about citizenship more generally But what does it mean in a continually changing political landscape of gender and sexuality In this timely intervention Diane Richardson examines the normative underpinnings and varied critiques of sexual citizenship asking what they mean for its future conceptual and empirical development as well as for political activism Clearly written the book shows how the field of sexuality and citizenship connects to a range of important areas of debate including understandings of nationalism identity neoliberalism equality governmentality individualization colonialism human rights globalization and economic justice Ultimately this book calls for a critical rethink of sexual citizenship Illustrating her argument with examples drawn from across the globe Richardson contends that this is essential if scholars want to understand the sexual politics that made the field of sexuality and citizenship studies what it is today and to enable future analyses of the sexual inequalities that continue to mark the global order **The Quest for Sexual Health** Steven Epstein, 2022-03-23 Offering an entryway into the distinctive worlds of sexual health and a window onto their spillover

effects sociologist Steven Epstein traces the development of the concept and parses the debates that swirl around it Since the 1970s health professionals researchers governments advocacy groups and commercial interests have invested in the pursuit of something called sexual health Under this expansive banner a wide array of programs have been launched organizations founded initiatives funded products sold and yet no book before this one asks What does it mean to be sexually healthy When did people conceive of a form of health called sexual health And how did it become the gateway to addressing a host of social harms and the reimagining of private desires and public dreams Conjoining sexual with health changes both terms it alters how we conceive of sexuality and transforms what it means to be healthy prompting new expectations of what medicine can provide Yet the ideal of achieving sexual health remains elusive and open ended and the benefits and costs of promoting it are unevenly distributed across genders races and sexual identities Rather than a thing apart sexual health is intertwined with nearly every conceivable topical debate from sexual dysfunction to sexual violence from reproductive freedom to the practicalities of sexual contact in a pandemic In this book Steven Epstein analyzes the rise proliferation uptake and sprawling consequences of sexual health activities offering critical tools to assess those consequences expand capacities for collective decision making and identify pathways that promote social justice *Rethinking Sexual Citizenship* Jyl J. Josephson, 2016-05-01 Offers a more democratic way to think about families politics and public life Public policy often assumes there is one correct way to be a family Rethinking Sexual Citizenship argues that policies that enforce this idea hurt all of us and harm our democracy Jyl J Josephson uses the concept of sexual citizenship a criticism of the assumption that all families have a heterosexual at their center to show how government policies are made to punish or reward particular groups of people This analysis applies sexual citizenship not only to policies that impact LGBTQ families but also to other groups including young people affected by abstinence only public policies and single parent families affected by welfare policy The book also addresses the idea that the normal family in the United States is white It concludes with a discussion of how scholars and activists can help create a more inclusive democracy by challenging this narrow view of public life *Intimate Citizenship* Ken Plummer, 2011-10-01 Solo parenting in vitro fertilization surrogate mothers gay and lesbian families cloning and the prospect of designer babies Viagra and the morning after pill HIV AIDS the global porn industry on line dating services virtual sex whether for better or worse our intimate lives are in the throes of dramatic change In this thought provoking study sociologist Ken Plummer examines the transformations taking place in the realm of intimacy and the conflicts the intimate troubles to which these changes constantly give rise In surveying the intimate possibilities now available to us and the issues swirling around them Plummer focuses especially on the overlap of public and private Increasingly our most private decisions are bound up with public institutions such as legal codes the medical system or the media What impact does the increasingly public character of personal life have on our sense of ourselves and on how we view our own intimate choices To navigate our way through a world in which people's private lives are so often subject to public

scrutiny and debate and in which the public sphere is increasingly pluralized and contested we must broaden our understanding of what it means to be a citizen Through the idea of intimate citizenship Plummer sets an important agenda for the years to come Citizenship After Orientalism Engin F Isin,2015-10-14 This collection offers a postcolonial critique of the ostensible superiority or originality of Western political theory and one of its fundamental concepts citizenship The chapters analyse the undoing uncovering and reinventing of citizenship as a way of investigating citizenship as political subjectivity If it has now become very difficult to imagine citizenship merely as nationality or membership in the nation state this is at least in part because of the anticolonial struggles and the project of reimagining citizenship after orientalism that they precipitated If it has become difficult to sustain the orientalist assumption the question arises how do we investigate citizenship as political subjectivity after orientalism This book was originally published as a special issue of Citizenship Studies **Routledge Handbook of Global Citizenship Studies** Engin Isin,Peter Nyers,2014-06-27 Citizenship studies is at a crucial moment of globalizing as a field What used to be mainly a European North American and Australian field has now expanded to major contributions featuring scholarship from Latin America Asia Africa and the Middle East The Routledge Handbook of Global Citizenship Studies takes into account this globalizing moment At the same time it considers how the global perspective exposes the strains and discords in the concept of citizenship as it is understood today With over fifty contributions from international interdisciplinary experts the Handbook features state of the art analyses of the practices and enactments of citizenship across broad continental regions Africas Americas Asias and Europes as well as deterritorialized forms of citizenship Diasporicity and Indigeneity Through these analyses the Handbook provides a deeper understanding of citizenship in both empirical and theoretical terms This volume sets a new agenda for scholarly investigations of citizenship Its wide ranging contributions and clear accessible style make it essential reading for students and scholars working on citizenship issues across the humanities and social sciences Intolerant Britain? Hate Citizenship And Difference McGhee, Derek,2005-04-01 Annotation **Handbook of Lesbian and Gay Studies** Diane Richardson,Steven Seidman,2002-11-18 Drawing from a rich team of global contributors and carefully structured to elucidate the core issues in the field this text is organised into four sections History and theory Identity and community Institutions and Politics **The Sexual Politics of Asylum** Calogero Giametta,2017-03-27 Today within neoliberal democracies gender and sexuality provisions give people the opportunity of being granted social and legal protection But how does the asylum system intervene within claimants understandings of themselves and in what ways does this affect their livelihoods in the country of arrival The Sexual Politics of Asylum emerges from a 2 year long ethnography which explores the experiences of 60 gender and sexual minority refugees in the UK Bringing previously unheard stories to the forefront this enlightening volume challenges dominant notions about the construction of sexuality and gender as an instrument for claiming rights in a world shaped by postcolonial relations Giametta first examines why the migratory experience of the studied migrants is located within a set of

humanitarian inflected discourses that privilege suffering and trauma This is then followed by an assessment of the respondents biographical accounts which consequently uncovers how being situated in liminal socio political and legal interstices produces precarious forms of life Whilst the topic of asylum for gender and sexual minorities has attracted wide media coverage over the past decade there persists a lack of academic attention to the complex experiences of these refugees As such this timely book will be of interest to undergraduate and postgraduate students interested in human rights sociology anthropology migration sexuality gender and cultural studies as well as people working within the refugee granting process

The Palgrave Handbook of Gender and Citizenship Birte Siim,Pauline Stoltz,2024-05-31 Chapter s Chapter 12 is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) *Handbook of Political Citizenship and Social Movements* Hein-Anton van der Heijden,2014-10-31 This Handbook uniquely collates the results of several decades of academic research in these two important fields The expert contributions successively address the different forms of political citizenship and current approaches and recent development

EU Citizenship and Federalism Dimitry Kochenov,2017-04-13 Leading experts in EU constitutional law examine the foundational importance of citizenship rights in delimiting the scope of EU law

Thinking Straight Chrys Ingraham,2013-05-13 This collection of original essays will unravel the current heterosexual scene in two parts one on rights and privileges the other on popular culture Topics covered include weddings proms citizenship marriage penalties cartoons mermaids and myth

Sexual Citizen Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sexual Citizen PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sexual Citizen PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sexual Citizen free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sexual Citizen Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sexual Citizen is one of the best book in our library for free trial. We provide copy of Sexual Citizen in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sexual Citizen. Where to download Sexual Citizen online for free? Are you looking for Sexual Citizen PDF? This is definitely going to save you time and cash in something you should think about.
