Sexual Ecstasy from Ancient Wisdom Summum Bonum Amen Ra,1993 Our Non-Christian Nation Jay

Wexler,2023-05-25 Essential reading for anyone interested in understanding the contemporary battles over religion's role in our national politics and culture Phil Zuckerman author of *Living the Secular Life* Less and less Christian demographically America is now home to an ever larger number of people who say they identify with no religion at all These non Christians have increasingly been demanding their full participation in public life bringing their arguments all the way to the Supreme Court The law is on their side but that doesn't mean that their attempts are not met with suspicion or outright hostility In *Our Non Christian Nation* Jay Wexler travels the country to engage the non Christians who have called on us to maintain our ideals of inclusivity and diversity With his characteristic sympathy and humor he introduces us to the Summum and their Seven Aphorisms a Wiccan priestess who would deck her City Hall with a pagan holiday wreath and other determined champions of free religious expression As Wexler reminds us anyone who cares about pluralism equality and fairness should support a public square filled with a variety of religious and nonreligious voices The stakes are nothing short of long term social peace A timely at times funny and compelling piece of reportage looking at a variety of religious groups as well as a strong argument for the importance of a pluralistic society *The Boston Globe* In this brilliantly erudite and hugely entertaining romp through recent religious and legal history Jay Wexler shows why as our country becomes more religiously diverse non Christians need to get their voices heard and Christians need to help repair the wall between church and state A marvelous read Michael Shermer *Skeptic* **Aliens Adored** Susan J. Palmer,2004 *Aliens Adored* is the first full length in depth look at the Ra lian movement a fascinating new religion founded in the 1970s by the charismatic prophet Ra l Born in France as Claude Vorilhon the former race car driver founded the religion after he experienced a visitation from the aliens the elohim who in his cosmology created humans by cloning themselves This pioneering study provides a thorough analysis of the movement focusing on issues of sexuality millenarianism and the impact of the scientific worldview on religion and the environment Ra l's radical sexual ethics his gnostic anthropocentrism and shallow ecotheology offer us a mirror through which we see how our worldview has been shaped by the forces of globalization postmodernism and secular humanism

Roads of Excess, Palaces of Wisdom Jeffrey J. Kripal,2001-12 William Blake once wrote that The road of excess leads to the palace of wisdom Inspired by these poetic terms Jeffrey J Kripal reveals how the works of scholars of mysticism are often rooted in their own mystical experiences roads of excess which can both lead to important insights into these scholars works and point us to our own palaces of wisdom In his new book Kripal addresses the twentieth century study of mysticism as a kind of mystical tradition in its own right with its own unique histories discourses sociological dynamics and rhetorics of secrecy Fluidly combining autobiography and biography with scholarly exploration Kripal takes us on a tour of comparative mystical thought by examining the lives and works of five major historians of mysticism Evelyn Underhill Louis Massignon R

C Zaehner Agehananda Bharati and Elliot Wolfson as well as relating his own mystical experiences The result Kripal finds is seven palaces of wisdom the religious power of excess the necessity of distance in the study of mysticism the relationship between the mystical and art the dilemmas of male subjectivity and modern heterosexuality a call for ethical criticism the paradox of the insider outsider problem in the study of religion and the magical power of texts and their interpretation An original and penetrating analysis of modern scholarship and scholars of mysticism Roads of Excess Palaces of Wisdom is also a persuasive demonstration of the way this scholarly activity is itself a mystical phenomenon *Essays on Spirituality* Jan F. Brouwer, 2011-12-01 The range of the essays presented in this book covers the whole field of spirituality and religion The essays try to address such fundamental questions as what is life what is happiness who am I what do we mean when we use the word God Both the beginning aspirant as well as the learned scholar and the accomplished meditator and mystic will find something of value here There is something in it for everyone Whether you are a devout Christian a modern day Buddhist or just someone vaguely interested in the subject of spirituality these essays written in a modern and clear style of writing will surely set you thinking

Embracing the Divine Feminine, 2014-10-07 More than ancient erotic love poetry this celebration of the human relationship with Wisdom can be a companion for your own spiritual journey. *The Song of Songs* is the Hebrew Bible's deeply erotic poem of love sexual yearning and consummation. Holding it sacred yet troubled by its thinly veiled eroticism Jews and Christians for millennia have read the *Song of Songs* as an allegory of God's love for Israel the classic Jewish understanding or Jesus's love for his Church the classic Christian understanding. This fresh translation restores the *Song's* eroticism and interprets it as a celebration of the love between the Divine Feminine and the contemporary spiritual seeker. Scholar and award winning teacher Rami Shapiro renders this ancient love song as Lady Wisdom offering seekers physical and spiritual intimacy with her so that they might awaken to and participate wisely in the unity of God woman man and nature. His intriguing facing page commentary provides historical religious and spiritual insights from Christian and Jewish wisdom.
