*Latin American Perspectives on the Sociology of Health and Illness* Fernando De Maio, Ignacio Llovet, Graciela Dinardi, 2020-05-21 The sociology of health and illness is a rapidly growing field Yet as a field it has suffered from a remarkably limited perspective dominated by scholarship produced in the global north Scholars in the sociology of health and illness have been late to enter debates in global health and have generally failed to learn lessons from work originating in the global south To begin to address this limitation this edited collection features notable contributions from Latin American scholars exploring key issues including sickle cell disease in Brazil cancer and Chagas disease in Argentina and reproductive health in Mexico This

collection offering a snapshot of the rich and nuanced research being conducted in the region offers readers valuable lessons It is our argument that Latin American health sociology has much to offer the larger field of sociology both for what it can teach us about Latin America in and of itself and for what this field of scholarship can teach us about health and illness as broadly defined This collection challenges readers to think about the global nature of health inequalities Rich in empirical data and theoretical substance this book is an essential collection for readers interested in understanding the sociology of health and illness The chapters in this book were originally published as a special issue of Health Sociology Review and as individual papers in Global Public Health and Critical Public Health     **Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 37 (2021) (VOLUME IV)** Inter-American Commission on Human Rights,2023-12-11 The 2021 Inter American Yearbook on Human Rights provides an extract of the principal jurisprudence of the Inter American Commission on Human Rights and the Inter American Court of Human Rights Part One contains the Decisions on the Merits of the Commission and Part Two the Judgments and Decisions of the Court The Yearbook is partly published as an English Spanish bilingual edition Some parts are in English or Spanish only NB This book is part of a four volume set Vol 1 ISBN 978 90 04 51185 9 Vol 2 ISBN 978 90 04 51187 3 Vol 3 ISBN 978 90 04 53773 6 Vol 4 ISBN 978 90 04 53775 0     **La psicología aplicada en México** ,1995     **Cuerpo, sexualidad y socialización** ,2007
