Sexuality Debates:

The Sexuality Debates Sheila Jeffreys, 2013-11-05 First published in 1987 From the 1870 s to the 1920 s feminists actively campaigned against men s sexual abuse of women This collection brings together the major articles which fuelled the feminist campaigns and helped to bring about significant reforms **The Sex Education Debates** Nancy Kendall, 2024-05-31 Educating children and adolescents in public schools about sex is a deeply inflammatory act in the United States Since the 1980s intense political and cultural battles have been waged between believers in abstinence until marriage and advocates for comprehensive sex education In *The Sex Education Debates* Nancy Kendall upends conventional thinking about these battles by bringing the school and community realities of sex education to life through the diverse voices of students teachers administrators and activists Drawing on ethnographic research in five states Kendall reveals important differences and surprising commonalities shared by purported antagonists in the sex education wars and she illuminates the unintended consequences these protracted battles have especially on teachers and students Showing that the lessons that most students teachers and parents take away from these battles are antithetical to the long term health of American democracy she argues for shifting the measure of sex education success away from pregnancy and sexually transmitted infection rates Instead she argues the debates should focus on a broader set of social and democratic consequences such as what students learn about themselves as sexual beings and civic actors and how sex education programming affects school community relations **Histories of Sexuality** Stephen Garton, 2014-12-18 This book presents the first assessment of one of the most rapidly expanding fields of research the history of sexuality From the early efforts of historians to work out a model for sexual history to the extraordinary impact of French philosopher Michel Foucault to the vigorous debates about essentialism and social constructionism to the emergence of contemporary debates about historicism queer theory embodiment gender and cultural history we now have vast and diverse historical scholarship on sex and sexuality *Histories of Sexuality* highlights the key historical moments and issues pederasty and cultures of male passivity in ancient Greece and Rome the impact of early Christianity and ideals of renunciation on the sexual cultures of late antiquity the sustained existence of homosexual cultures in medieval and renaissance Europe the invention of homosexuality and heterosexuality in eighteenth century Europe and America the truth behind Victorian sexual repression the work of reformers and scientists such as Havelock Ellis Marie Stopes Stella Browne Margaret Sanger Alfred Kinsey William Masters and Virginia Johnson *Sex Exposed* Lynne Segal, Mary McIntosh, 1993 Over the past twenty years debates about pornography have raged within feminism and beyond Throughout the 1970s feminists increasingly addressed the problem of men s sexual violence against women and many women reduced the politics of men s power to questions about sexuality By the 1980s these questions had become more and more focused on the issue of pornography now a metaphor for the menace of male power Collapsing feminist politics into sexuality and sexuality into pornography has not only caused some of the deepest splits between

feminists but made it harder to think clearly about either sexuality or pornography indeed about feminist politics more generally This provocative collection by well known feminists surveys these arguments and in particular asks why recent feminist debates about sexuality keep reducing to questions of pornography *Sex Wars* Lisa Duggan, Nan D. Hunter, 2006 This tenth anniversary edition addresses the on going debate surrounding feminism and sexuality highlighting the major events that have shaped public debates around sexuality since 1995 including Lawrence vs Texas and the rights of same sex couples in Massachusetts **The New Sex Wars** Brenda Cossman, 2024-12-03 Revisits the sex wars of the 1970s and 80s and examines their influence on how we think about sexual harm in the MeToo era MeToo s stunning explosion on social media in October 2017 radically changed and amplified conversations about sexual violence as it revealed how widespread the issue is and toppled prominent celebrities and politicians But as the movement spread a conflict emerged among feminist supporters and detractors about how punishment should be doled out and how justice should be served The New Sex Wars reveals that these clashes are nothing new Delving into the contentious debates from the 70s and 80s Brenda Cossman traces the striking echoes in the feminist divisions of this earlier period In exploring the history of past conflicts the resistance to finding common ground the media s pleasure in portraying the debates as polarized cat fights the simplification of viewpoints as pro and anti sex she shows how they have come to shape the MeToo era From the 70s to today Cossman examines tensions between the need for recognition and protection under the law and the colossal and ongoing failure of that law to redress historic injustice By circumventing law altogether MeToo has led us to question whether justice can be served outside of the courtroom Cossman argues for a different way forward one based on reparative models that focus on shared desired outcomes and the willingness to understand the other side Thoughtful and compelling The New Sex Wars explores what can be learned from these stories what traps we repeatedly fall into how we have been denied our anger and where to begin to make law work Contemporary Christianity and LGBT Sexualities Stephen Hunt, 2016-05-13 The subject of gay and lesbian sexuality is perhaps the most vexed issue in the contemporary Christian Church Many churches have been forced to confront the matter both theologically and pastorally and in consequence controversies have proved divisive within the Church most notably between conservative and liberal orientated denominations as well as evangelical churches This book explores these themes from a sociological perspective addressing not only gay and lesbian sexualities but also bi and transgendered sexualities With rich empirical material being presented by a team of experts this book constitutes the first comprehensive sociological study of non hetero sexualities in relation to contemporary Christianity As such it will appeal to sociologists scholars of religion and theology as well as readers across a range of social sciences **Gay Rights and Moral Panic** F. Fejes, 2016-02-25 Using the 1977 campaign against the Dade County Florida gay rights ordinance as a focal point this book provides an examination of the emergence of the modern lesbian and gay American movement the challenges it posed to the accepted American notions of sexuality and how American society reacted in turn **Sexual Ideology and**

Schooling Alexander McKay, 1999-11-18 Presents a comprehensive analysis of the debates surrounding sexuality education in the schools and examines their implications for the content of educational programs Adventures in Lesbian Philosophy Claudia Card, 1994 Features discussions of S M sex lesbian ethics lesbian desire bisexuality and includes a bibliography of lesbian criticism This work contains essays that explore the diverse positive understandings of lesbian philosophy from contested sexual behaviours such as pornography and sadomasochism to the meaning of lesbianism *Encyclopedia of Lesbian and Gay Histories and Cultures* Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future Research Handbook on Feminist Jurisprudence Robin West, Cynthia Grant Bowman, The Research Handbook on Feminist Jurisprudence surveys feminist theoretical understandings of law including liberal and radical feminism as well as socialist relational intersectional post modern and pro sex and queer feminist legal theories Same Difference Carol Lee Bacchi, 2024-09-30 Are women the same as or different from men Should women seek equality with men or admit their difference First published in 1990 Same Difference explores these highly charged political questions by examining how the women s movement has engaged with them over time and in three countries Australia Britain and America Case studies include disputes about maternity leave protective legislation affirmative action custody pornography rape and women s supposed metaphysical differences from men their greater nurturing and caring capacity Challenging a common view of the women s movement as perpetually riven into sameness and difference camps Same Difference highlights the political conditions which impel some feminists to argue in these terms The implication of the analysis is that debates about sexual difference divert attention from important social issues such as how society is to reproduce itself and what kind of society we wish to create This book will be a beneficial read for students and researchers of feminist theory women s studies and sociology **China, Sex and Prostitution** Elaine Jeffreys, 2004-02-24 China Sex and Prostitution is a topical and important critique of recent scholarship in China studies concerning sexuality prostitution and policing Jeffrey s

arguments are constructed in the form of detailed analysis of a wide range of primary texts including documents press reports police report and policy and legal pronouncements and secondary literature in both English and Chinese The work engages with some key debates in the fields of cultural and gender studies and will be welcomed by scholars in these areas as well as by China specialists sociologists and anthropologists

Reader's Guide to Lesbian and Gay Studies Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report

Changing Gay Male Identities Andrew J. Cooper, 2013-04-12 As the world changes so sexual identities are changing In a context of globalisation mass communication and technological advances individuals find themselves able to make lifestyle choices in new and different ways In this increasingly confusing world sociologists have argued that identities are in flux and that traditional patterns of identity and intimacy are being disrupted and reshaped with all the implications for sexual identities that this suggests Changing Gay Male Identities draws on the powerful life stories of twenty one gay men to explore how individuals construct and maintain their sense of self in contemporary society The book draws upon theoretical debates on topics such as gender performance sex class camp race and ethnicity to explore four aspects of identity the role of the body in who we are relationships and communities performing in everyday life reconciling different aspects of our selves such as religion and sexuality In Changing Gay Male Identities Andrew Cooper assesses the magnitude of these social and sexual changes He argues that although there are many opportunities for new forms of identity in a changing world the possibilities can be significantly constrained and that this has major implications for the freedoms and choices of individuals in contemporary societies This book will be of interest to students and scholars of sociology sexuality studies gender studies and GLBTQ studies

The Ashgate Research Companion to Feminist Legal Theory Professor Margaret Davies, Professor Vanessa E Munro, 2013-11-28 As a distinct scholarly contribution to law feminist legal theory is now well over three decades old Those three decades have seen consolidation and renewal of its central concerns as well as remarkable growth dynamism and change This Companion celebrates the strength of feminist legal thought which is manifested in this dynamic combination of stability and change as well as in the diversity of perspectives and methodologies and the extensive range of subject matters which are now included within its ambit Bringing together contributors from across a range of jurisdictions and legal traditions the book provides a concise but critical review of existing theory in relation to the core issues or concepts that have animated and continue to animate feminism It provides an authoritative and scholarly review of contemporary feminist legal thought and seeks to contribute to the ongoing development of some of its new approaches perspectives and subject matters The Companion is divided into three parts dealing with Theory Concepts

and Issues The first part addresses theoretical questions which are of significance to law but which also connect to feminist theory at the broadest and most interdisciplinary level The second part also draws on general feminist theory but with a more specific focus on debates about equality and difference race culture religion and sexuality The Issues section considers in detail more specific areas of substantive legal controversy

The Oxford Handbook of Feminist Theory Lisa Disch, Mary Hawkesworth, 2018-02-01 The Oxford Handbook of Feminist Theory provides a rich overview of the analytical frameworks and theoretical concepts that feminist theorists have developed to analyze the known world Featuring leading feminist theorists from diverse regions of the globe this collection delves into forty nine subject areas demonstrating the complexity of feminist challenges to established knowledge while also engaging areas of contestation within feminist theory Demonstrating the interdisciplinary nature of feminist theory the chapters offer innovative analyses of topics central to social and political science cultural studies and humanities discourses associated with medicine and science and issues in contemporary critical theory that have been transformed through feminist theorization The handbook identifies limitations of key epistemic assumptions that inform traditional scholarship and shows how theorizing from women s and men s lives has profound effects on the conceptualization of central categories whether the field of analysis is aesthetics biology cultural studies development economics film studies health history literature politics religion science studies sexualities violence or war

Religious Sensibilities in Pursuit of Sexual Well-Being Amisah Zenabu Bakuri, 2024-05-03 The self identifying Ghanaian Dutch and Somali Dutch communities residing in the Randstad area of the Netherlands are deeply impacted by religious beliefs and cultural factors in their approach towards sexual health practices well being and pleasure This book shows how religious sensibilities shape the physical activities beauty practices and gendered roles that are adopted into the daily lives of these communities in pursuit of their sexual and general well being Through an ethnographic account it explores and challenges the assumptions held around the complex relationship between religion and sexuality

Essays on Contemporary Issues in African Philosophy Jonathan O. Chimakonam, Edwin Etieyibo, Ike Odimegwu, 2021-11-06 This volume is a collection of chapters about contemporary issues within African philosophy They are issues African philosophy must grapple with to demonstrate its readiness to make a stand against some of the challenges society faces in the coming decade such as xenophobia Afro phobia extreme poverty democratic failure and migration The text covers new methodical directions and there is focus on the conversationalist complementarist and consolationist movements within the field as well as the place of the Indigenous Knowledge System The collection speaks to African philosophy s place in intellectual history with coverage of African Ethics and African socio political philosophy Contributors come from a variety of different backgrounds institutions and countries Through their innovative ideas they provide fresh insight and intellectual energy The book appeals to philosophy students and researchers

Sexuality Debates Introduction

In today's digital age, the availability of Sexuality Debates books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexuality Debates books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexuality Debates books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexuality Debates versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexuality Debates books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexuality Debates books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexuality Debates books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexuality Debates books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexuality Debates books and manuals for download and embark on your journey of knowledge?

FAQs About Sexuality Debates Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sexuality Debates is one of the best book in our library for free trial. We provide copy of Sexuality Debates in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sexuality Debates. Where to download Sexuality Debates online for free? Are you looking for Sexuality Debates PDF? This is definitely going to save you time and cash in something you should think about.
