**Sexuality** Judith Campbell, J. Golick, 1988 For use in grades 4-12      *Sexuality and Holy Longing: Second Edition* Lisa Graham McMinn, 2019-03-05 In this newly revised edition of *Sexuality and Holy Longing* author Lisa Graham McMinn beautifully describes how people are created by God for relationship and our sexuality guarantees that we will long for and be drawn toward others. McMinn provides a blueprint for understanding sexuality and our longing to be loved at all stages of life: childhood, teen years, early adulthood, midlife, and old age. In the context of faith and a changing culture, she explores sexual awakenings, in adolescence, choices, opportunities, and challenges of single people, and mysteries of committed, covenantal relationships. She addresses tough topics including reproductive issues, sexuality for those who are single, divorced, widowed, or never married, and in this new edition, LGBT issues and same-sex marriage. The author details practical solutions for ways that parents, educators, and churches can nurture others and ourselves in the quest to understand sexuality as a longing that draws us toward God and others and to embrace it as a God-given gift. Thought-provoking study questions at the end of each chapter inspire readers to reflection and action in reclaiming our sexuality through grace.      *Evidence-based Approaches to Sexuality Education* James J. Ponzetti, Jr., 2015-09-16 This is the first book to provide a multidisciplinary and global overview of evidence-based sexuality education (SE) programs and practices.
