Sexuality And The Christian Home:

Authentic Human Sexuality Judith K. Balswick, Jack O. Balswick, 2008-06-10 Jack and Judith Balswick investigate how human sexuality originates both biologically and socially lay groundwork for a normative Christian interpretation of sexuality show how authentic sexuality is necessarily grounded in relationships and explore forms of inauthentic sexuality such as sexual harassment pornography and rape Sexuality and the Christian Home Lewis Vander Meer, Arnold Snoeyink, Sandy Vander Zicht, John Knight, 1975 **Linking Sexuality and Gender** Tracy J. Trothen, 2006-01-01 Why did it take so long for the United Church of Canada to respond to violence against women Tracy J Trothen looks at the United Church as a uniquely Canadian institution and explores how it has approached gender and sexuality issues She argues that how the Church deals with these issues influences its ability to name violence against women In examining the Church s early approaches to gender and sexuality Tracy J Trothen discovered that the United Church had tended to see certain structures or roles as sacred and others as demonic For example while sex outside marriage was bad or improper sexual expression within marriage was largely deemed as proper or good no matter what manifestation it took This assumption allowed much violence within families and marriages to go unchallenged Trothen uncovers significant shifts in this approach through the examination of such issues as redemptive homes marriage pornography abortion the ordination of women and family Then analyzing three recent case studies she demonstrates the value of women s voices in challenging dominant world views Finally she suggests how the Church s approach to human sexuality and gender has facilitated or obstructed the move to address violence against women The findings in *Linking Sexuality and Gender* can be applied to faiths outside the United Church and will be important to anyone interested in church and society sexuality gender or the causal dynamics behind one Canadian institution s response to violence against women Tracy J Trothen is an assistant professor of systematic theology and ethics and director of field education at Queen s Theological College Queen s University Canada She was ordained in the United Church of Canada Why did it take so long for the United Church of Canada to respond to violence against women

Walter and Ingrid Trobisch and the Globalization of Modern, Christian Sexual Ethics Anneke H. Stasson, 2021-05-13 Walter and Ingrid Trobisch played a major role in shaping a transcultural conversation about love sex gender identity and marriage during the mid twentieth century The Trobisches are most well known for Walter s book *I Loved a Girl* 1962 which he wrote while teaching at Cameroon Christian College Within a decade one million copies of the book were in circulation it was translated into seventy languages and Trobisch had received ten thousand letters from African and American readers of the book asking for relational advice The Trobisches founded an international marriage counseling ministry to answer these letters While the Trobisches held paternalistic attitudes common among western missionaries of their generation their vision of sexuality helped Christians in Africa and the United States to navigate changing sexual norms of the mid twentieth century

Sexual Shame in Women and How to Experience Freedom Joy Skarka, 2022-04-29 Sexual shame causes women to feel far from God live a secret life of sexual sin doubt that God loves them and even question their salvation Sexual Shame in Women

and How to Experience Freedom will help readers understand sexual shame as one of the root issues among women's sexual struggles while focusing specifically on the issues of pornography and sexual abuse. Ministry leaders must help women find freedom from sexual shame to help them walk in sexual integrity, wholeness, and healing. The freedom journey begins through understanding the character of God, being known in biblical community, and understanding God's design for sexuality. This research project is a dissertation from Dallas Theological Seminary's DMin program. *Winning at Home* Dan

Seaborn, 2022-09-13. Combining the expertise of credentialed counselors, coaches, and pastors, *Winning at Home* offers clarity in the midst of chaos on hard-hitting topics like mental health, technology, sexuality, and identity for parents who are trying to raise children from a faith-based perspective. *Winning at Home* tackles the tough topics that are rarely addressed from the church pulpit. Understanding that parents need tools to help them navigate the pressures of raising children in the twenty-first century, this book will look at parenting children with mental health concerns, sexual identity issues, and substance abuse issues, as well as discussing how to handle technology well. In addition to tackling difficult topics, this book also encourages parents to set boundaries and launch children into adulthood well. It is designed as a manual that lets parents flip straight to the section that addresses a current need, making it a valuable resource for those who want to raise children who will honor God in the midst of challenging situations and a toxic culture. *Home Together* Thomas Bergen, 2020-08-13.

Emerging adults today feel homeless and alone. How can the church share the good news of a God who offers home and togetherness? *Home Together* gives a compelling account of a Christian student residence that has shared this good news by engaging emerging adults in a community of discipleship and belonging. For over thirty years, the Menno Simons Centre in Vancouver, British Columbia, has supported university students and helped them to grow together in their faith. Using the metaphor of home to describe this community, Thomas Bergen outlines a practical theology of ministry among emerging adults as a shared home construction project. He explores six aspects of the Menno Simons Centre as home: spiritual, supportive, sabbatical, safe, spurring, and sending, combining theological reflection, cultural analysis, personal testimonies, and practical wisdom. Set against the backdrop of postmodern challenges, *Home Together* offers an inspiring model of ministry among university students that might well be adapted for other contexts. **The Focus on the Family® Guide to Talking with**

Venus and Virtue Jerry L. Walls, Jeremy Neill, David J. Baggett, 2018-01-30 *Venus and Virtue* are a match made in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women's issues This book is not sexy in the typical sense of that word

but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative **Sexual Identity** Mark A.
