safe as she had thought It is a time for the newly appointed Lady Goldensword to command armies A time to forge new alliances and to make war against the children of magic There will be great loss for Rachel and perhaps a chance to learn the terrible truth behind her shadow magic By the light of the gates she saw her adversaries rise bearing magical swords and staves Rachel set down her candle stand and drew her swords Somewhere during the skirmish that followed a flying severed leg almost toppled her candle stand She put out a hand to steady it Some the less hardy of them fled at the sight of her Ever afterwards there would be a legend of a ghost in a torn white dress drenched in red blood with crimson hair and a devilish grin It was a world that could never be the same A world that a woman would boldly change The Grand Finale Anton Wessels,2020-07-13

We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God s kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus **Kingsteel** Michael Meyerhofer,2015-12-01
