Shade Of The Raintree:

Shade of the Raintree, Centennial Edition Larry Lockridge, 2014-04-17 This true story of literary stardom and sudden tragedy is a riveting book shattering and shot through with the powerful poignancy of a life undone Detroit News Raintree County the first novel by Ross Lockridge Jr was the publishing event of 1948 Excerpted in Life magazine it was a Book of the Month Club Main Selection won MGM's Novel Award and a movie deal and stood at the top of the nation's bestseller lists Unfortunately Lockridge's first novel was also his last Two months after its publication the thirty three year old author from Bloomington Indiana took his own life His son Larry was five years old at the time *Shade of the Raintree* is Larry's search for an understanding of his father's baffling act In this powerfully narrated biography Larry Lockridge uncovers a man of great vitality humor love and visionary ambition but also of deep vulnerability The author manages to combine a son's emotional investments with a sleuth's dispassionate inquiry The result is a book that is in its own way as remarkable and compelling as Raintree County Milwaukee Journal Larry Lockridge here faces the double tasking of writing a biography of his father and of finding out what drove him to a ruthless act of self destruction An immensely moving book deserving of the Pulitzer Prize Kirkus Reviews This edition includes a new preface by the author

Shade of the Raintree Laurence S. Lockridge, 1994 Ross Lockridge Jr's novel Raintree County was the publishing event of 1948 Excerpted in Life magazine the novel was the Book of the Month Club Main Selection winner of the enormous MGM Novel Award and first on the nation's bestseller lists Many years later Larry Swindell the syndicated critic would write that no myth is more imposing than the Great American Novel but if it is truly unattainable I believe that Ross Lockridge made closer approach than any other writer has before or since It was Lockridge's first novel and his last Two months after its publication the thirty three year old author from Indiana took his own life leaving a wife and four children His son Larry was five years old at the time *Shade of the Raintree* is a son's search for an understanding of his father's baffling act It is also the moving story of what it is like to grow up in the wake of a family tragedy and to grow up with a novel instead of a father In this powerfully narrated biography Larry Lockridge uncovers a life of great vitality humor love and visionary ambition but also of deep vulnerability Ross Lockridge embodied so many of a writer's aspirations and fates from the sudden vision of a work that might answer to ambition to the all consuming act of composition over months and years to the dislocations of sudden fame and wealth to the question that dogs every writer What next This is a story of the pride and generosity that attend the act of writing and the terrible depletion that often follows *Shade of the Raintree* is extraordinary in the way its author manages to combine a son's emotional investments with a sleuth's dispassionate inquiry The result is an exhilarating revelatory narrative of a life that was in some ways an allegory of the American writer Raintree County is being republished by Penguin Books simultaneously with *Shade of the Raintree* Even for those who have never read the novel this biography offers a remarkable portrait of how artists may put themselves at risk in creating worlds of wonder and humanity

The Rain Tree Mirabel Osler, 2012-05-10 A beautifully written memoir from

the bestselling author of *A Gentle Plea for Chaos* **Final Drafts** Mark Seinfeld, 1999-12 Some of the greatest writers in the history of the art Hart Crane Ernest Hemingway Jerzy Kosinski Sylvia Plath Anne Sexton and Virginia Woolf all chose to silence themselves by suicide leaving their families and friends with heartbreak and the world of literature with gaping holes Their reasons for killing themselves when known were varied and quite often unreasonable Some were plagued by depression or self doubt and others by frustration and helplessness in a world they could neither change nor tolerate Profoundly moving and morbidly attractive *Final Drafts* is a necessary historical record biographical treatment and psychological examination of the authors who left this cruel world by their own hands either instantly or over long periods of relentless self destructive behavior It is also a devoted examination of references to suicide in literature both by those who took their own lives and those who decided to live Mark Seinfeld has selected many well known mostly fiction writers from those whose work dates to over a century ago when the medical community was ill equipped to deal with substance abuse and depression to more recent writers such as Kosinski Michael Dorris and Eugene Izzie who have left a puzzled literary community with a sad legacy Seinfeld reveals that many authors contemplated ending their lives in their work were obsessed with destroying themselves were unable in the case of the Holocaust to live with the fact that their contemporaries had been killed believed death to be a freedom from the horrors that forced them to create and sometimes were simply unable to withstand rejection or criticism of their work Other noted authors discussed in this volume include John Berryman Ambrose Bierce Harry Crosby John Davidson William Inge Randall Jarrell Arthur Koestler T E Lawrence Primo Levi Jack London Jay Anthony Lukas Tom McHale Yukio Mishima Henry de Montherlant Seth Morgan George Sterling Sara Teasdale Ernst Toller John Kennedy Toole Sergey Yesenin and many others *Dictionary of Midwestern Literature, Volume Two* Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation's Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the *Dictionary of Midwestern Literature* is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature **The Sower and the Seer** Joseph Hogan, Jon Lauck, Paul Murphy, Andrew Seal, Gleaves Whitney, 2021-02-17 This collection of twenty two essays a product of recent revivals of interest in both Midwestern history and intellectual history argues for the contributions of interior thinkers and ideas in forming an American identity The Midwest has been characterized as a fertile seedbed for the germination of great thinkers but a wasteland for their further growth *The Sower and the Seer* reveals that representation to be false In fact the region has sustained many innovative minds and been the locus of extraordinary intellectualism It has also been the site of shifting

interpretations to some a frontier to others a colonized space a breadbasket a crossroads a heartland As agrarian reformed and Michigander Liberty Hyde Bailey expressed in his 1916 poem Sower and Seer the Midwestern landscape has given rise to significant visionaries just as their knowledge has nourished and shaped the region The essays gathered for this collection examine individual thinkers writers and leaders as well as movements and ideas that shaped the Midwest including rural school consolidation women s literary societies Progressive era urban planning and Midwestern radical liberalism While disparate in subject and style these essays taken together establish the irrefutable significance of the intellectual history of the American Midwest

Elizabeth and Monty Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era s defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in A Place in the Sun he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That s when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty s accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in Reflections in a Golden Eye His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood s golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine

Pride and Protest Jeanette Vanausdall, 1999 Some of the books examined in the book are Eunice Beecher s From Dawn to Daylight Edward Eggleston s The Hoosier Schoolmaster Charles

Major s When Knighthood Was in Flower James Maurice Thompson s Alice of Old Vincennes Meredith Nicholson s The House of a Thousand Candles Booth Tarkington s The Magnificent Ambersons Theodore Dreiser s Sister Carrie and Ross Lockridge Jr s Raintree County BOOK JACKET

Care Free Plants Reader's Digest Association,2002 This picture and tip packed book makes it a snap to keep the beautiful flowers and foliage blooming by using hardy care free plants 500 full color photos illustrations

Environmentalism in the Realm of Science Fiction and Fantasy Literature Chris Baratta,2011-11-15 The collection of essays titled Environmentalism in the Realm of Science Fiction and Fantasy Literature discusses the environmental and ecocritical themes found in works of science fiction and fantasy literature It focuses on an analysis of important literary works in these genres to yield an understanding of how they address the environmental issues we are facing today Organized into four sections titled Industrial Dilemmas The Natural World Community and the Self Materialism Capitalism and Environmentalism and Dystopian Futures the essays included also investigate the solutions that these works present to ensure the sustainability of our natural world and in turn the sustainability of humanity This collection will appeal to a broad range of scholars including those who focus their studies on one of or all of the following fields Ecocriticism Science Fiction and Fantasy Literature and Environmentalism in Literature The essays investigate the myriad ways that science fiction and fantasy literature address environmental concerns with a focus on the detrimental effects on humanity on society of environmental destruction With topics ranging from the dangers of industrial progress to the connection between environmental degradation and the destruction of the individual to environmental dangers posed by capitalistic societies to ignored warnings of ecological crises the essays each tactfully

analyze the relationship between the environmental themes in literature and how readers and scholars can learn from the irresponsible treatment of the environment while also considering solutions to this crisis that are found in science fiction and fantasy literature Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works *Historic Trees of the California Gold Rush Towns* Michael W. Skenfield, 2019-03-14 This book is a must for the outdoor adventurer the casual explorer the visitor to the Foothills of the Sierra Nevada Range and all Gold Country residents curious about their surroundings It can serve as a reference for students of history botany forestry and the general field of natural resources The book provides excellent drawings of 30 shade trees brought into the foothills during the historic Gold Rush period In addition the author has provided Gold Rush history a description of the major changes made to the foothills during that period and a thorough botanical description of the woodland and forest plant communities surrounding the Gold Rush towns This is both a pleasure book and a text book

Creating A Hoosier Self-Portrait George T. Blakey, 2005-04-20 The story of the New Deal program that helped to preserve the history and cultural heritage of Indiana during the Great Depression From 1935 to 1942 the Indiana office of the Federal Writers Program hired unemployed writers as field workers to create a portrait in words of the land the people and the culture of the Hoosier state This book tells the story of the project and its valuable legacy Beginning work under the guidance of Ross Lockridge whose son would later burst onto the American literary scene with his novel Raintree County the group would eventually produce Indiana A Guide to the Hoosier State Hoosier Tall Stories and other publications Though many projects were never brought to completion the Program s work remains a useful and rarely tapped storehouse of

information on the history and culture of the state An important history of the Indiana state Federal Writers Project straightforward persuasive impassioned This is an important social history of Depression era Indiana and a guide for future research A B Audant CUNY Kingsborough Community College

Classical Hollywood, American Modernism Jordan Brower, 2024-01-18 Classical Hollywood American Modernism charts the entwined trajectories of the Hollywood studio system and literary modernism in the United States By examining the various ways Hollywood's industry practices inflected the imaginations of authors filmmakers and studios Jordan Brower offers a new understanding of twentieth century American and ultimately world media culture Synthesizing archival research with innovative theoretical approaches this book tells the story of the studio system's genesis international dominance decline and continued symbolic relevance during the American postwar era through the literature it influenced It examines the American film industry's business practices and social conditions demonstrating how concepts like anticipated adaptation corporate authorship systemic development and global distribution inflected the form of some of the greatest works of prose fiction and nonfiction by modernist writers such as Anita Loos F Scott Fitzgerald William Faulkner Patsy Ruth Miller Nathanael West Parker Tyler Malcolm Lowry and James Baldwin

Song of the Mountains K. C. Tee, 2006-02 In Song of the Mountains K C Tee pays tribute to the ordinary people through poems and stories that reveal the profound beauty hidden in the mundane activities of ordinary lives He makes use of the memories of his childhood in Malaysia and his working life in Singapore and China to set his stories thereby giving the stories which in reality are fiction the feel of a biography Song of the Mountains will captivate you with its luminosity and insight Its inspirational and uplifting messages are sure to warm your heart and stir your soul

Performing Arts, 1998

The Dream of the Great American Novel Lawrence Buell, 2014-02-10 The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying 150 years of attempts to dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates One illustrated by The Scarlet Letter is the adaptation of the novel's story line by later writers often in ways that are contrary to the original author's own design Other aspirants including The Great Gatsby and Invisible Man engage the American Dream of remarkable transformation from humble origins A third script seen in Uncle Tom's Cabin and Beloved is the family saga

that grapples with racial and other social divisions Finally mega novels from Moby Dick to Gravity's Rainbow feature assemblages of characters who dramatize in microcosm the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction Traces of Indiana and Midwestern History ,1994

Getting the books **Shade Of The Raintree** now is not type of challenging means. You could not lonely going similar to ebook stock or library or borrowing from your friends to admittance them.
