**Reclaiming Your Life After Rape : Cognitive-Behavioral Therapy for Posttraumatic Stress Disorder Client Workbook** Barbara Olasov Rothbaum Associate Professor in Psychiatry and Director of the Trauma and Anxiety Recovery Program Emory University School of Medicine, and Director Edna B. Foa Professor, Center for Treatment and Study of Anxiety Allegheny University of Health Sciences, 2004-11-11 This powerful client workbook is written in an encouraging and easy to understand style specifically for women who have been sexually assaulted and have developed chronic symptoms of posttraumatic stress disorder PTSD Clients learn how cognitive behavioral therapy has helped other victims and how it can work for them This book explains how to distinguish PTSD symptoms from other disorders and teaches powerful techniques for overcoming these symptoms In writing this book the authors aim to address two goals First they want to present information about PTSD and related problems in language understandable to nonprofessionals This information will include a review of the studies on posttrauma problems and on the effectiveness of different treatments They also describe why some survivors develop PTSD and others do not The second goal of the book is to provide a detailed client workbook for the treatment of trauma related problems especially PTSD to assist clients working with a therapist The authors are aware of the fact that people have different problems and different needs What works for one person may not work for another Therefore they describe several different treatment techniques The book is organized around the different cognitive behavioral techniques that have been studied and proven effective with women sufferers of PTSD following an assault Throughout the book the authors focus mainly on women who have been sexually assaulted and as a result developed chronic symptoms of PTSD which have disturbed their daily functioning and cause them emotional distress Most of the examples they use to demonstrate the cognitive behavioral techniques are drawn

from their experience in treating rape survivors However the cognitive behavioral procedures outlined here have been as successful in helping women who have been sexually abused in childhood and adult female survivors of nonsexual assaults like aggravated assault and robbery Other survivors of traumas such as natural disasters and car accidents were also helped by this cognitive behavioral approach [Sexy But Psycho](#) DR JESSICA. TAYLOR, Jessica Taylor, 2023-02-23 THE SUNDAY TIMES BESTSELLER Angry opinionated mouthy aggressive hysterical mad disordered crazy psycho delusional borderline hormonal Women have long been pathologized locked up and medicated for not conforming to whichever norms or stereotypes are expected of them in that time and space Sexy But Psycho is a challenging and uncomfortable book which seeks to explore the way professionals and society at large pathologize and sexualise women and girls Utilising decades of research real case studies and new data from her own work Dr Taylor s book will critically analyse the way we label women with personality disorders Why are women and girls pathologized for being angry about oppression and abuse How have so many women been duped into believing that they are mentally ill for having normal and natural reactions to their experiences Sexy But Psycho argues that there is a specific purpose to convincing women and girls that they are mentally ill as the world avoids addressing violence against women and their centuries of ignored trauma *Trauma* Selma Leydesdorff, 2017-09-29 Traumatic experiences and their consequences are often the core of life stories told by survivors of violence In Trauma Life Stories of Survivors leading academics explore the relationship between the experiences of terror and helplessness that have caused trauma the ways in which survivors remember and the representation of these memories in the language and form of their life stories International case studies include the migration of Ethiopian Jews to Israel the life stories of Guatemalan war widows violence in South Africa persecution of political prisoners in South Africa and the former Czechoslovakia lynching in the Mississippi Delta resistance in Zimbabwe s liberation war sexual abuse and the ongoing Irish troubles The volume reveals the complexity of remembering and forgetting traumatic experiences and shows that survivors are likely to express themselves in stories containing elements that are imaginary fragmented and loaded with symbolism Trauma Life Stories of Survivors is a groundbreaking work of relevance across the social sciences This new perspective on trauma will be of particular importance to researchers in psychology history women s studies anthropology sociology and cultural studies
