It is an age of order and faith As with the death of the Phoenix the Vazakanian Empire has fallen and from the ashes that remained there has risen a power like none the galaxy has ever seen The Vazonian Empire grows with each passing moment like a great tide from the depths of the sea the power of Queen Jonarka cannot be halted as she offers a path to eternity in the one true way of your all knowing creator and master of salvation Xiaf The Interstellar Union will not protect Earth The Interstellar Union is a weak and inferior grouping of star systems that cower in the presence of the great Vazonian fleet People of Earth are you not so different from us yourselves We offer you a way of life founded upon the very principles you call your own the will of the free market is unquestioned faith is the path to salvation government is inherently evil and thus we are governed by a body much like one of the great corporations you trust with your lives Submit to the Queen and you shall become eternal In a Perfect World Ellema Albert Neal EdD, 2022-03-31 As the industrial information age comes to

Cox,2023-06-01 A fresh examination of the life and crimes of the highest ranking federal official ever tried for treason and espionage American Traitor examines the career of the notorious Gen James Wilkinson whose corruption and espionage exposed the United States to grave dangers during the early years of the republic Wilkinson is largely forgotten today which is unfortunate because his sordid story is a cautionary tale about unscrupulous actors who would take advantage of gaps in

the law oversight and accountability for self dealing Wilkinson s military career began during the Revolutionary War and continued through the War of 1812 As he rose to the rank of commanding general of the US Army Wilkinson betrayed virtually everyone he worked with to advance his career and finances He was a spy for Spain plotted to have western territories split from the United States and accepted kickbacks from contractors His negligence and greed also caused the largest peacetime disaster in the history of the US Army Howard W Cox picks apart Wilkinson s misdeeds with the eye of an experienced investigator American Traitor offers the most in depth analysis of Wilkinson s court martial trials and how he evaded efforts to hold him accountable This astounding history of villainy in the early republic will fascinate anyone with an interest in the period as well as readers of espionage history
