Too Late for Angels Mignon F. Ballard, 2005-03 When Kate McBride returns to her hometown of Bishop s Bridge North Carolina for a family reunion she expects questions about her husband s conspicuous absence What she doesn t expect is murder

The Angel and the Jabberwocky Murders Mignon F. Ballard, 2025-06-25 Augusta Goodnight heavenly sleuth and guardian angel is a welcome boarder with longtime resident Lucy Nan Pilgrim in the seemingly tranquil town of Stone s Throw South Carolina And Augusta s divine intervention is needed now more than ever The local college is the kind of safe place where students don t even lock their doors At least it used to be until girls started mysteriously disappearing When the body of another student D C Hunter is found in a shed by the lake Lucy and Augusta must race to figure out if her murder is connected to the deaths of two other girls Should Augusta focus on the English professor who was having an affair with D C Or on the seemingly cheerful caretaker who happened to discover two of the bodies And what is the meaning of the Jabberwocky clues that keep turning up around campus It will take some heavenly help and a little home cooking to restore the peace of the town

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3

of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Hark! The Herald Angel Screamed** Mignon F. Ballard, 2025-06-25

It's Christmastime in the seemingly tranquil town of Stone's Throw South Carolina but amid all the caroling cookies and cheer a murderer casts a not so jolly pall on the holiday season Augusta Goodnight guardian angel sometime sleuth and welcome boarder with longtime resident Lucy Nan Pilgrim comes to the aid of her friends when as Lucy Nan is searching for the perfect Christmas tree on her grandmother's abandoned estate a mysterious stranger plummets to his death from the mansion's balcony Lucy Nan can't shake off childhood stories of the ghost of a girl who fell from the same spot long ago has the ghost come back to haunt the living or is there an all too human murderer at work Mysterious events are soon heating up faster than spiced punch left on the burner and it will take Augusta's help not to mention some celestial Southern cooking for peace to be restored and Christmas lights to shine once again in the little town of Stone's Throw
