and Hell Azagoth has presided over his own underworld realm for thousands of years As the overlord of evil souls he maintains balance crucial to the existence of life on Earth and beyond But as all the realms gear up for the prophesied End of Days the ties that bind him to Sheoul gra have begun to chafe Now with his beloved mate and unborn child the target of an ancient enemy Azagoth will stop at nothing to save them even if it means breaking blood oaths and shattering age old alliances Even if it means destroying himself and setting the world on fire *Speaking with Angels* Iris Paxino,2023-05-15 If you wish to learn you may learn I go now and will come again And yet I am always with you This was the conclusion to a surprising message that psychologist Iris Paxino received from a bright angelic entity who appeared to her unannounced radiating a comforting warmth filled light The angel s words left her awestruck and deeply moved Paxino had long had the gift of knowing angels but it was immediately apparent to her that this special encounter marked a new beginning She was in no doubt that she did indeed want to learn and thus began a lively intense dialogue that offered an abundance of insights into the work of angels She discovered that in addition to our guardian angel each of us has a circle of twelve angels who accompany us throughout life and beyond death that we have double and shadow angels and that families communities and social groups have their own angels as do specific landscapes In a series of intimate and enlightening conversations Paxino relates knowledge about these and other types of spiritual beings Angels suffer in sympathy with the earth and stand by us in the dark times of human existence Despite everything they do not condemn but love us with such devotion that we can scarcely comprehend it **Shakespearean Quotations** William Shakespeare,Charles Sheridan Rex,1911
