toward the crimson banners that hung from every building like bleeding wounds Emperor Malachar's insignia a black dragon coiled around a silver crown seemed to watch from every corner its painted eyes following the citizens as they went about their diminished lives The once vibrant market that Elara remembered from her childhood had withered under five years of tyrannical rule its colors muted its laughter silenced Fresh bread miss A baker's apprentice no more than sixteen extended a loaf toward her with trembling hands His face was gaunt cheekbones sharp against pale skin that spoke of too many missed meals Elara's heart clenched She reached into her coin purse knowing she had little to spare but unable to ignore the boy's hunger How much Two copper pieces miss The price was outrageous three times what bread had cost before the occupation but she handed over the coins without protest The boy's grateful smile was worth the sacrifice As she tucked the warm loaf into her satchel a commotion erupted from the far end of the square Make way Make way for Captain Thorne The harsh voice of a herald cut through the morning air like a blade

Beautiful Dead Book 1: Jonas Eden Maguire,2010-03-01 Not alive Not dead Somewhere in between lie the Beautiful Dead Something strange is happening at Ellerton High Phoenix is the fourth teenager to die within a year His street fight stabbing follows the deaths of Jonas Summer and Arizona in equally strange and sudden circumstances Rumors of ghosts and strange happenings rip through the small community as it comes to terms with shock and loss Darina Phoenix's grief stricken girlfriend is on the verge She can't escape her intense heartache or the impossible apparitions of those that are meant to be dead And all the while the sound of beating wings echos inside her head And then one day Phoenix appears to Darina He tells her that she must help Jonas the first of the four to die right the wrong linked to his death Only with her help can Jonas finally rest in peace Will love conquer death And if it does can Darina set it free

Dark Country Evan Graver,2022-07-01 Innocent lives threatened A corrupt enemy A country in crisis There's a saying among drug cartels Plata o plomo silver or lead It's a concept Ryan Weller knows well and when a group of American missionaries are taken hostage in the slums of Jalousie Haiti nothing comes closer to the truth With the mission's CEO unable to meet the ransom only one option remains to issue a contract for their rescue To protect their people GOSPEL turns to an unconventional savior Dark Water Research Although the contract's remit is strictly salvation rather than salvage Ryan and his team of veteran contractors are the ideal solution they know the turf have the skills needed to recover the missionaries and they know the right people in country to help grease the wheels But when Ryan learns there's more to one of the missionaries than first meets the eye he's thrust headfirst into a pitched battle against a brutal drug smuggling operation Headed by the elusive Mister Smith the CIA funded network provides a direct conduit to the heart of the United States ravenous narcotics trade and it's a venture Smith will move heaven and earth to protect With Haiti reeling from their recent presidential assassination and its warlords and cartels continually vying for control of the island's streets Smith relies on the chaos to keep his shipments on course and the money flowing to his unscrupulous pockets For Haiti to thrive Smith's network must fall and Ryan Weller is a man determined to see it happen

Imagining Culture Jonathan Hart,2019-07-23

This book of original essays explores three important areas in comparative literature and history and in cultural studies the boundaries between history and fiction women as writers and subjects and the connection between the early modern modern and postmodern New history and new literary studies look at innovative ways to see past cultures in a new light Traditional methods are used to new ends and writers who are familiar within their cultures are translated to other cultures This study promotes an expanded understanding of our cultural artifacts in a rapidly changing present It discusses English speaking culture in the early modern period in the context of other European cultures and relates Europe to other parts of the world most notably America After grounding the discussion of culture in history identity dialogue as a genre that crosses the boundaries between philosophy and fiction the rhetoric of prefaces to historical collections cosmographies and histories that share something with the techniques of literary and forensic rhetoric the book proceeds to discuss two central issues in cultural studies today gender and postmodernity The final section of the book provides a general assessment through early modern texts of modernity and postmodernity

Evil Rebel, Exclusive Love Jing Jingyi, 2019-12-30 Yi Yun and Xu Yu Qing had stayed at the Xu Family for more than half a month before setting off for the capital Before their departure the Xu s Father gave Yi Yun another ruthless warning saying that he needed to treat him well After the two elders finished speaking Yi Yun secretly wiped the cold sweat off his forehead causing Xu Yu Qing to secretly laugh

The Lost Tales of Power Vincent Trigili, 2014-05-17 The Lost Tales of Power is a collection of novels that describe an immense persistent multiverse The books are a mixture of standalone and miniseries all set in the same universe with overlapping and intertwining story lines Included in this collection is the full text of *Enemy of an Enemy* The Academy and *Rise of Shadows* In addition to the three complete novels included is a brief introduction to each book

Enemy of an Enemy Everything seemed to be going Vydor s way until the Dragon Claw was sent on a rather unusual assignment to investigate a minor incident deep within the Empire s space That would send Vydor down a path filled with fantastically powerful enemies and extraordinary friends that would obliterate everything he ever understood to be true and threaten the very foundations of the Empire itself The Academy The Empire had fallen and the Imperial Navy was disbanded leaving James with nothing but his nightmares to remind him of the role he once played in The Great War James must now face his new life in a new era where science and technology must share the stage with sorcery and wizardry and a new ever present shadow of evil lurks over the remnants of the once great Empire

Rise of Shadows In *The Enemy of an Enemy* darkness came to the Empire and magic was born from the bowels of men s fears The great and mighty Imperial Navy had to face and overcome unspeakable horrors In *The Academy* fledgling wizards were gathered and trained to fight back and keep the light while the darkness laid in wait biding its time and silently gathering its forces Now as warriors of light those wizards must begin to make a stand against the rising tide of darkness or watch their realm be overcome

The Lost Tales of Power is an open ended series of Science Fantasy books set in a vast multiverse
