The book details his work at Warner Bros, which turned him into a leading man, and his years of stardom at MGM. The book describes turning points in Powell's life: the death of lover Jean Harlow, a 21-month hiatus from films while the actor battled cancer, and a new leap to the top in *Life with Father*. Concluding chapters detail another flurry of films and the actor's retirement. A filmography lists Powell's films from 1922 to 1955, including those believed to be lost.

Broadway Actors in Films, 1894-2015 Roy Liebman, 2017-02-20. Many Broadway stars appeared in Hollywood cinema from its earliest days. Some were 19th-century stage idols who reprised famous roles on film as early as 1894. One was born as early as 1829. Another was cast in the performance during which Abraham Lincoln was assassinated. One took her stage name from her native state. Some modern-day stars also began their careers on Broadway before appearing in films. This book details the careers of 300 performers who went from stage to screen in all genres of film. A few made only a single movie; others, hundreds. Each entry includes highlights of the performer's career, a list of stage appearances, and a filmography.
